CARFAX Glossary

Number of records

A CARFAX record refers to a specific incidence and date in the history of the vehicle. Please note that the history of younger vehicles tends to have fewer entries. CARFAX continuously works on getting more data sources and historical information in order to enrich the report

Quick Check

A snapshot of the information CARFAX has abstracted from our extensive database to determine whether a vehicle has been reported stolen, reported scrapped, publicly imported or ever used for non-personal purposes. This summary is based upon all the information supplied to CARFAX from various sources. Additional information about this vehicle, including these potential problems, may exist and may not have been reported to CARFAX.

Severity scale - Minor

Generally, minor damage is cosmetic (including dents or scratches), may only require reconditioning, and typically does not compromise a vehicle's operation and/or safety.

Severity scale - Moderate

Moderate damage may affect multiple components of the vehicle and may impair the vehicle's operation and/or safety.

Severity scale - Severe

Severe damage usually affects multiple components of the vehicle and is likely to compromise the vehicle's operation and/or safety.
