Protocol number: 46406755
Order No. / Reference: 26646497
Inspection date: 8 Jul 2026

Manufacturer: Audi

Model: Q4 e-tron 40

VIN: WAUZZZFZ6PP035650

Vehicle details	
Manufacturer / Type / Model / Equipment	
Audi Q4 e-tron 40	
Vehicle Identification number	WAUZZZFZ6PP035650
Mileage (Read)	60,933 km
First registration	3 Apr 2023
Number of holders	1
Next periodical technical inspection	04/2028
(Report on hand)	
Power / Engine displacement	70 kw / 0 ccm
Fuel type / Cylinder	Electric / 0
Gearbox / Number of gears	Direct drive / 1
Type of drive	Rear drive
Type of vehicle	SUV
Colour / colour code	navarrablau metallic (X5H)
Doors / Seats	5 / 5
Upholstery type	Cloth
Colour of upholstery	Anthracite-Black
Vehicle with smoke odor	no

Vehicle details

Maintenance booklet / proof	digital proof / complete	Next maintenance in	8 Monat(e)
Last service on / at	04/2026 at 57,917 km		
Key is / should be	2 / 2	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	GS428006
Previous damage / Accident	None detectable	Repainting	None detectable
Inspection conditions	sufficient	Lifting equipment / pit	yes
Test drive	Not performed	Engine function test	Performed
Manufacturer key number/ type code number	0588 / BZK 00068		
Emission standard	2017/1151;WLTP;reine Elektrofz	fine dust sticker	
Permitted total weight	2,640 kg	Empty weight	

Tyres

Mounted tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	235/55 R19 101T	Summer tyres on Light alloy	Bridgestone	5mm / 5mm
2)	255/50 R19 103T	Summer tyres on Light alloy	Bridgestone	5mm / 5mm

Additional tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	235/55 R19 105V	Winter tyres on Light alloy	Goodyear	8mm / 8mm
2)	255/50 R19 107V	Winter tyres on Light alloy	Goodyear	8mm / 8mm

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Extra equipment

- Decorative inlays aluminium convergence anthracite (for inlays in the instrument panel)
- Front seat heating (heats seat and backrest center section (standard seats in fabric), otherwise seat and backrest center section as well as seat side bolsters - individually adjustable in 3 stages for driver and front passenger via direct selection button on the climate control unit)
- High Beam Assist (The High Beam Assist uses a camera system to automatically detect oncoming traffic, vehicles ahead, and urban light sources within the system's limitations. Based on this information, the high beams are automatically switched on or off. The system thus improves the driver's visibility and increases comfort.)
- Navigation: MMI Navigation plus (11.6-inch MMI Navigation plus with MMI touch including Audi connect Navigation & Infotainment - camera-based traffic sign recognition - 10.25-inch Audi virtual cockpit with two display options "Classic" and "Sport" - voice control)
- Package: Ambient Lighting Package (LED roof module front/rear - luggage compartment light left - illuminated vanity mirrors for driver and front passenger - ambient lighting of the doors front/rear - entry lights on the underside of the front doors - storage compartment in the center console front - contour lighting of the dashboard - illuminated glove compartment - footwell lighting front/rear)
- Package: Climate Control Package (The 3-zone automatic climate control electronically regulates the air temperature, volume, and distribution. An additional function is the sun-position-dependent control. The temperature settings for the driver and front passenger sides can be adjusted separately. Separate temperature control and air vents are available in the rear. The 3-zone automatic climate control features automatic recirculation in combination with a dust- and odor-removing cabin air filter. The comfort stationary climate control cools or heats the interior.)
- Package: Function package (storage and luggage compartment package, consisting of: - storage nets on the back of the front seat backrests - comfort cupholders in the front with clamping elements - lockable glove compartment - luggage compartment net (spider) - 12-volt socket in the luggage compartment - variable loading floor (folding 40:60) including luggage compartment cover that can be stowed under the loading floor - removable luggage compartment partition net for attachment to the body or fixing to the folding rear seat backrest)
- Package: Safety package plus (lane change warning with exit warning and rear cross traffic assist - Audi pre sense basic and Audi pre sense rear)
- Radio accessories: Audi sound system (8 speakers including center speaker and subwoofer, 6-channel amplifier with a total output of 180 watts)
- Audi connect Navigation & Infotainment plus (e-tron route planner - Online points of interest - On-street parking - Online traffic information - Hazard information - Online traffic sign information - Weather information - Wi-Fi hotspot - Online news - User profiles - Navigation with Google Satellite Map - Online search for navigation destinations - Online voice input - Online traffic information plus - Highly detailed 3D city display - Online radio - Hybrid radio - Amazon Alexa integration)
- Deletion of model designation and performance/technology lettering
- Electrically opening and closing tailgate without sensor-controlled tailgate release (The tailgate can be opened electrically by pressing the button on the vehicle key, in the driver's door, or the soft-touch button on the tailgate handle. Closing the tailgate is just as easy and convenient: simply press the button on the inside of the tailgate, the button in the driver's door, or the button on the optional comfort key. A soft-close mechanism facilitates manual closing when necessary.)
- Package: Advanced (Advanced bumper with bottom line all around in contrasting paint finish Manhattan Grey Metallic - Wheels, 5-W-spoke Aero, graphite grey, gloss turned, 8.0 J x 19, tires 235/55 / 255/50 R 19)
- Package: Assistance Package Plus (Adaptive Cruise Control, the system uses a radar sensor to detect vehicles ahead within the system's limits and maintains the set speed and distance as constant as possible within the control range. - Speed limiter - Parking Assist Plus, supports the driver when parking and maneuvering forwards and backwards with acoustic signals and visual display with virtual lane guidance. - Rearview camera)
- Package: Comfort package (electrically adjustable, heated and folding exterior mirrors, automatically dimming on both sides, with integrated LED turn signals and curb view function for the passenger-side exterior mirror, aspherical mirror glass on the left, convex on the right, including heated windshield washer nozzles - automatically dimming, frameless interior mirror - 4-way lumbar support for the front seats - projection lights in the exterior mirrors)
- Package: Interior with sport seats in black fabric (front sport seats with integrated headrests, manual adjustment of seat height, seat fore/aft position, seat tilt, backrest tilt and belt height - fabric upholstery in black/silver, seat center panels in black/silver fabric - double-spoke leather steering wheel with multifunction controls, with chrome-look trim - door sill trims with aluminum inlays - black haptic-finish decorative inlays for instrument panel inserts - glossy black accent surfaces - aluminum look in the interior - steel gray fabric headliner)
- Paint finish: Metallic

- Towing device (The mechanically swiveling towing device can be conveniently locked and unlocked via a release mechanism - ball head mechanically swiveling, with electric release - ball rod and head made of forged steel - trailer stabilization via the electronic stability control (ESC) - the integrated swiveling system socket allows continuous operation of electrical devices in the trailer or caravan while driving)
- Wheels: Light alloy wheels in 5-W-spoke aero design, graphite grey, polished (front size: 8.0 J x 19 with 235/55 R 19 tires, rear size: 8.0 J x 19 with 255/50 R 19 tires)
- Panoramic glass roof (The two-part panoramic glass roof has extra-large, tinted glass surfaces. They lend the interior of the Audi Q4 e-tron an exclusive atmosphere and underscore the progressive design of the interior with a pleasant lighting mood. When open, the panoramic glass roof also ensures a refreshing interior climate. An integrated wind deflector reduces wind noise when the roof is open.)

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. Lifting equipment and/or a pit were available for examining the vehicle.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.

Value reducing factors

No.	Component group	Description
1	Rear bumper	Rear bumper - Scratch(es) - Repair and paint

Wear and tear

No.	Component group	Description
1	Rear bumper	Rear bumper - Scratch(es) - No deduction
2	Rear bumper	Spoiler - Abrasion - No deduction

The vehicle shows signs of wear and tear commensurate with its age and use.

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
(Delivery by third-party service providers)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
(Functional testing of driver assistance systems is not included in the scope of services!)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

No apparent prior damage that had been repaired could be found on the vehicle.

Comments

Der beiliegende Winterradsatz ist kein Bestandteil der Auslieferungsumfangs.
