

Expertise

Protocol number: 46548914
Order No. / Reference: 26527899
Inspection date: 29 May 2026

Manufacturer: Porsche

Model: Macan 4

VIN: WP1ZZZXA6SL011971

Vehicle details	
Manufacturer / Type / Model / Equipment	
Porsche Macan 4	
Vehicle Identification number	WP1ZZZXA6SL011971
Mileage (Read)	14,236 km
First registration	29 Oct 2025
Number of holders	1
Next periodical technical inspection	10/2028
(Report not on hand)	
Power / Engine displacement	145 kw /
Fuel type / Cylinder	Electric / 0
Gearbox / Number of gears	Direct drive / 1
Type of drive	All-wheel drive
Type of vehicle	SUV
Colour / colour code	Vulkangraumetallic
Doors / Seats	5 / 5
Upholstery type	Leather
Colour of upholstery	Black

Vehicle details

Maintenance booklet / proof	Available / complete	Next maintenance in	
Key is / should be	2 / 2	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	HM965103
Previous damage / Accident	None detectable	Repainting	None detectable
Inspection conditions	sufficient	Lifting equipment / pit	yes
Test drive	Not performed	Engine function test	Performed
Manufacturer key number/ type code number	0583 / AOH 00001		
Emission standard	2017/1151;WLTP;reine Elektrofz	fine dust sticker	
Permitted total weight	2,920 kg	Empty weight	

Tyres

Mounted tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	235/55 R20 105Y	Summer tyres on Light alloy	Bridgestone	4mm / 4mm
2)	285/45 R20 112Y	Summer tyres on Light alloy	Bridgestone	4mm / 4mm

Additional tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	235/55 R20 105V	Winter tyres on Light alloy	Michelin	7mm / 7mm
2)	285/45 R20 112V	Winter tyres on Light alloy	Michelin	6mm / 6mm

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- 12.6-inch curved display
- Acoustic Vehicle Alerting System (AVAS)
- Airbag: Side airbags and center airbags in the front
- All-wheel drive
- Towing hitch (pre-installation)
- Attention detection
- Auto-Hold function
- Hill Descent Control (Porsche Hill Control, PHC)
- On-board computer
- Fabric headliner
- Tachometer
- Exterior design
- Porsche Stability Management (PSM) vehicle stabilization system
- Electric windows front and rear
- Front wiper system with 2 speeds and intermittent function
- Transmission: 1-speed automatic transmission
- Front cup holders (2) with variable diameter
- Rear window defroster with "Auto-Off" function
- Manually dimmable interior rearview mirror
- 2-zone automatic climate control
- Intersection assistant
- Charging: Charging with direct current (DC)
- Charging: On-board AC charger with up to 11 kW charging capacity
- LED taillights with "PORSCHE" lettering
- Model designation painted in silver
- Package: Accent Package silvershade
- Package: Non-smoking
- Front and rear parking assist including reversing camera
- Performance Battery Plus
- Radio accessories: Digital radio
- Wheel hub covers with monochrome Porsche crest
- Tire pressure monitoring system (TPMS)
- Power steering
- Seating: 4+1 seating arrangement
- sun visors
- Lane change assist, rear parking warning and exit warning
- Phone: Smartphone integration
- Phone: USB-C ports
- Cruise control
- Doors with integrated side impact protection (4)
- Traffic sign recognition
- Immobiliser
- Central locking including remote control
- Storage compartments in the interior
- Airbag: Driver and passenger airbag
- Alcohol interlock preparation
- Ambient lighting including communication lighting
- Anti-lock braking system
- Evasive steering and turning assistant
- Exterior mirrors, electrically adjustable, heated and foldable
- Brake system with brake calipers in black
- Anti-theft alarm system with ultrasonic interior monitoring
- Electric parking brake
- Driving light assistant including automatic headlight function
- Chassis: Integrated chassis controller Porsche 4D Chassis Control
- Front and rear luggage compartment
- Cup holders for bottles in the front and rear door panels
- Automatic tailgate
- Interior lighting concept
- ISOFIX/I-Size attachment system for child car seats
- Front and rear headrests (5)
- Charging: Charging cable (Mode 3)
- Charging: With Plug & Charge
- Cargo area cover
- LED headlights
- Steering wheel manually adjustable for height and reach
- eCall and bCall emergency call systems
- Package: Interior package black (high gloss)
- Package: Sound Package Plus
- Pedals in black
- Porsche Active Aerodynamics (PAA)
- Radio accessories: Porsche Connect
- Wheel bolts with anti-theft device
- Roll-over sensing
- Seat belts: Reversible belt tensioner
- Seats: Heated front seats
- Lane keeping assist including emergency stop function
- 12V sockets
- Phone: Smartphone holder including wireless charging (up to 15W)
- Aluminum door sill plates with model designation at the front
- Warning and brake assist
- heat pump

Extra equipment

- Chassis: Adaptive air suspension with level control and height adjustment including PASM (Porsche Active Suspension Management (PASM))
- Foldable towbar (the towbar ball can be electrically unlocked at the push of a button and locked manually - max. towing capacity 2,000 kg (braked trailer) - max. vertical load 80 kg)
- LED matrix headlights (84 pixels) (camera-based detection of vehicles ahead and oncoming vehicles and targeted dimming of individual segments of the permanent high beam cone – segment-wise dimming of reflective traffic signs to prevent driver glare. – to optimize vision, oncoming vehicles are not only selectively dimmed, but the area to the right of the gap in the beam is also illuminated – electronically controlled cornering lights – 4-point light control – camera-based calibration radio. High-performance auxiliary high beam)
- Package: Storage package (storage nets on the backrests of the front seats - dividers in the luggage compartment under the hood - securing of items using integrated retaining straps in the trunk)
- Paint finish: Metallic
- Porsche InnoDrive including active lane guidance
- Radio accessories: BOSE Surround Sound System (with 14 speakers including subwoofer, 14 amplifier channels and a total output of 710 watts.)
- Rear axle steering (Active steering of the rear wheels by up to 5° for additional agility and a reduced turning circle at low speeds as well as increased driving stability at higher speeds)
- Surround View including Active Parking Assist (3D Surround View, in addition to front and rear ParkAssist including reversing camera, uses four high-resolution cameras to provide a 360° view around the vehicle for more comfortable maneuvering. - Active Parking Assist is able to park the vehicle in parallel and perpendicular parking spaces. The system automatically takes over steering and forward and reverse movement of the vehicle. - Trailer Maneuvering Assist helps the driver when reversing with a trailer.)
- Wheels: 20-inch Macan S wheels (lightweight aero-design alloy wheels painted in high-gloss black with polished facets - front axle: 7.5 J x 20 ET 32 with 235/55 R20 tires - rear axle: 10 J x 20 ET 49 with 285/45 R20 tires)
- Air quality system (ionizer with fine dust sensor (PM2.5) including visualization in the central display and PM2.5 automatic recirculation mode. The fine dust sensor measures the PM2.5 fine dust concentration (fine dust particles with an average size of 2.5 µm) in the intake air and in the vehicle interior. If a limit value is exceeded, the air conditioning system switches to recirculation mode. The multiple passes through the fine dust filter in recirculation mode effectively reduce the fine dust concentration.)
- Augmented Reality Head-Up Display (Projects relevant driving information clearly and in high quality directly into the traffic environment in front of the vehicle. Thanks to augmented reality, the system blends seamlessly with reality. This allows the driver to perceive all relevant displays, driver assistance systems, information, and warnings intuitively and quickly, minimizing the risk of distraction. The most important information appears at a distance of 10 meters, with an image diagonal of up to 87 inches, directly in the driver's field of vision.)
- Automatically dimming interior and exterior mirrors
- Comfort access including Porsche Digital Key (vehicle access and locking without active key use including contactless opening and closing of the tailgate via foot gesture)
- Noise and heat insulation glazing
- Package: Leather package in black
- Panoramic roof system (two-part large-area glass roof for a light-flooded bright interior and generous view to the outside - electric operation for tilting and opening the front glass part, tinted glass insert, electrically operated roller blind over the entire glass surface and comfort closing function)
- Power Steering Plus
- Seats: Comfort front seats (14-way electric) (Electric adjustment of: - Seat height - Fore/aft position - Seat tilt - Backrest tilt - Seat cushion depth - 4-way lumbar support - Steering column - Headrests manually adjustable horizontally. - Comfort Memory Package: Saving of individual settings for driver and front passenger seats, steering column and exterior mirror position.)
- Steering wheel: GT sports steering wheel in leather including steering wheel heating and mode switch

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. Lifting equipment and/or a pit were available for examining the vehicle.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.

Value reducing factors

No.	Component group	Description
1	2nd wheel set	1 alloy rim (gehört nicht zur Ausstattung) - Scratch(es) - No deduction
2	Rear bumper	Rear bumper - Scratched - Smart repair

Wear and tear

No.	Component group	Description
1	Front bumper	Front bumper - Stone chips - No deduction

The vehicle shows signs of wear and tear commensurate with its age and use.

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
(*Delivery by third-party service providers*)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
(*Functional testing of driver assistance systems is not included in the scope of services!*)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

No apparent prior damage that had been repaired could be found on the vehicle.
