

Expertise

Protocol number: 45234339
Order No. / Reference: 26242439
Inspection date: 23 Apr 2026

Manufacturer: Mercedes-Benz

Model: S 400 d 4Matic L 9G-TRONIC

VIN: W1K6G3DBXPA203989

Vehicle details

Manufacturer / Type / Model / Equipment

Mercedes-Benz S 400 d 4Matic L 9G-TRONIC

Vehicle Identification number W1K6G3DBXPA203989

Mileage (Read) 133,673 km

First registration 15 Dec 2022

Number of holders 1

Power / Engine displacement 243 kw / 2,925 ccm

Fuel type / Cylinder Diesel / 6

Gearbox / Number of gears Automatic / 9

Type of drive All-wheel drive

Type of vehicle Saloon car

Colour / colour code Onyxschwarz Metallic

Doors / Seats 4 / 5

Upholstery type Leather

Colour of upholstery Brown

Vehicle details

Maintenance booklet / proof	digital proof / complete	Next maintenance in	236 Tag(e)
Last service on / at	11/2025 at 120,754 km		
Key is / should be	4 / 4	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	GQ120794
Previous damage / Accident	Detectable	Repainting	Detectable
Inspection conditions	sufficient	Lifting equipment / pit	No
Test drive	Not performed	Engine function test	Performed
Manufacturer key number/ type code number	2222 / AWS 01190		
Emission standard	EURO6;WLTP;AP;PI/CI; M, N1 I	fine dust sticker	
Permitted total weight	2,815 kg	Empty weight	

Tyres

Mounted tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	255/45 R19 104Y	Summer tires (with run-flat tires) on Light alloy	Pirelli	5mm / 5mm
2)	255/45 R19 104Y	Summer tires (with run-flat tires) on Light alloy	Pirelli	5mm / 5mm

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- Exhaust system
- Airbag for driver and front passenger
- Airbag: Automatic passenger airbag deactivation
- Airbag: Windowbag for driver and front passenger
- Ambient lighting
- Traction control (ASR)
- Electrically folding exterior mirrors
- BlueTec diesel exhaust gas purification (SCR)
- Diesel particulate filter
- Third brake light in LED technology
- Stainless steel door sill trims at the front and rear with "Mercedes-Benz" lettering
- Chassis: AIRMATIC with stepless damping control
- Electric parking brake with comfort function
- Velour floor mats in interior color
- Luggage nets in the trunk, left and right
- Lockable, air-conditioned and illuminated glove compartment
- Interior and exterior mirrors on the driver's side automatically dimming
- Rear headrests (3)
- Steering wheel: Multifunction steering wheel in Nappa leather
- Steering: Direct steering
- Reading lights
- Center console glass look black
- Navigation accessories: MBUX Augmented Reality for navigation
- Package: Cargo space
- Package: Parking package with reversing camera
- Radio: MBUX multimedia system
- Radio accessories: Digital radio (DAB)
- Radio accessories: Communication module (LTE) for using Mercedes me connect services
- Wheels: Tire pressure monitoring system (TPMS)
- Crosswind Assist
- Servo closing
- Seats: i-Size child seat attachment
- Seats: Front seat heating
- 12V socket in the passenger footwell
- Phone accessories: Wireless charging system for mobile devices
- Cruise control with variable speed limiter SPEEDTRONIC
- Traffic Sign Assistant
- Electronic immobilizer
- Decorative elements, poplar wood, anthracite, open-pore
- ADAPTIVE BRAKE with hill start assist, HOLD function, pre-filling and drying braking in wet conditions
- Airbag: Side airbag for driver and front passenger
- 4MATIC all-wheel drive
- Anti-lock braking system (ABS)
- ATTENTION ASSIST
- Left and right exterior mirrors are heated and electrically adjustable
- Tachometer
- DYNAMIC SELECT for selecting the different driving programs
- Electronic Stability Program (ESP)
- Vehicle key in high-gloss black with matte chrome trim.
- Fingerprint scanner
- Luggage net in the passenger footwell
- Transmission: 9-speed automatic, 9G-TRONIC
- LED taillights
- Heated rear window with timer
- Map pockets on the driver's and passenger's seatbacks
- Remote trunk lid closing
- Radiator shroud with chrome surround and three horizontal crossbars
- Electrically adjustable steering column with EASY-ENTRY system
- Mercedes-Benz emergency call system
- MULTIBEAM LED
- Navigation: MBUX Navigation Premium
- Package: Driver Assistance Package
- Package: Memory
- PRE-SAFE Impulse Page
- Radio accessories: 2 USB-C ports in the front, 2 USB-C ports in the rear
- Radio accessories: OLED central display
- Remote Services Plus
- Windscreen wipers with rain sensor and two sensitivity levels
- S-Class seat belts
- Seats: Heated rear seats
- Seats: Front seats electrically adjustable
- 12V sockets in the center console, front and rear, and in the trunk
- Phone accessories: Smartphone integration
- Ambient lighting with projection of the brand logo
- High-visibility vest for drivers
- Heat-insulating glass for side and rear windows as well as windshield

Extra equipment

- Adaptive rear lighting (You can adjust the interior light's brightness and color temperature entirely to your taste and preferences. LED spotlights can also be individually positioned as desired. Sparkling adaptive rear light strips complement the lighting functions and enhance the overall lighting quality.)
- Active ambient lighting (ambient lighting in 64 static colors, individually selectable - high-quality black panel light strip with a total of approx. 250 integrated and individually controllable LEDs - diverse color moods, also with static or multi-colored animated gradients - additionally, driver assistance systems are integrated and visually supported: Blind Spot Assist, Lane Keeping Assist, Brake Assist - variable brightness setting with automatic day/night switching)
- Fire extinguisher mounted at the front of the driver's seat
- GUARD 360° burglar-resistant laminated safety glass with all-around heat and sound insulation (laminated safety glass - acoustic and infrared-protective films all around)
- GUARD 360° Vehicle Protection Plus (Break-in and theft warning - Towing protection with visual and audible warning upon detected change in position - Audible alarm - Interior monitoring (triggers upon movement inside the vehicle) - Assistance with vehicle theft (theft assistance), free for 3 years from activation - Emergency key deactivation, free for 3 years from activation - GUARD 360° label on the front side windows - Collision detection, free for 3 years from activation, additionally with camera images in conjunction with 360°)
- Fuel tank with a capacity of 76 liters
- Steering: Rear-axle steering (At speeds below 60 km/h, the rear wheels steer in the opposite direction to the front wheels – when parking, by up to 4.5° against the front axle angle. Above speeds of 60 km/h, the rear wheels steer up to 3° in the same direction as the front wheels.)
- Package: Trailer package (with trailer maneuvering assistant)
- Package: Chauffeur Package (including chauffeur position for the passenger seat, EASY ADJUST comfort headrests for driver and front passenger, foldable and removable on the passenger side, and electrically extendable footrest on the passenger side (not available with short wheelbase). The front passenger seat can be moved electrically up to 77 mm further forward. This makes traveling considerably more relaxed for the rear passenger. The noticeably larger footwell allows for a more comfortable resting position.)
- Package: Exclusive Package (Seats upholstered in exclusive Nappa leather in a diamond design with perforation and decorative stitching, also covered in Nappa leather. Elements: Instrument panel including glove compartment, front center console, front/rear door trim, rear center armrest and grab handles, headliner and sun visors in DINAMICA microfiber, trim elements package, exclusive door sills with illuminated Mercedes-Benz lettering (front/rear illuminated on long-wheelbase versions), stainless steel trunk loading sill, chrome grab handle in the load floor, floor mats with contrasting piping)
- Airbag: Rear airbag (integrated into the backrests of the front seats and deployed in the event of a severe frontal collision. They inflate gently and protect buckled outer passengers from contact with the seat structure. This significantly reduces strain on the head and neck.)
- Airbag: Sidebags in the rear, left and right
- Designer seat belt buckles front and rear (They are framed in silver chrome and also attract attention visually. The seat belt buckle light pulses when you buckle up and remains illuminated when stationary and at low speeds.)
- ENERGIZING AIR CONTROL (Air quality sensor and one fine dust sensor each for indoor and outdoor use - Fine dust filtration with 2 filters - Activated carbon-based indoor air filter with filter layers against fine dust (PM2.5) and nitrogen oxides (NOx) or sulfur dioxides (SO2) as well as pollen - Automatic recirculation or fresh air switching depending on the measured air quality, taking into account the overall climate comfort control system - Air quality menu in the MBUX multimedia system to illustrate the measured values)
- Head-up display (lens and mirror system projects a virtual image into the driver's field of vision - full-color display that is easily readable even on sunny days and at night - depending on the equipment, display of, for example, navigation instructions, speed, speed limits or settings of cruise control or active distance assist DISTRONIC)
- Interior headliner microfiber MICROCUT black
- THERMOTRONIC automatic climate control in the rear
- Additional trunk lid lock
- Paint finish: Metallic
- MAGIC VISION CONTROL (heating for wiper blades and storage compartment, washer fluid reservoir and washer fluid hoses - automatic interval switching with rain sensor - practical tap wash function with various wash programs - automatic wiper cycle when rain sensor detects heavy soiling of the windshield - intensive program for removing stubborn dirt, can be activated when the vehicle is stationary and by pressing and holding the button)
- Package: ENERGIZING Package Rear Seats (Comfort programs: Warmth, Joy, Coziness, Freshness, Vitality - Training: Video instructions - Tips: Short audio information - Rear Seat Comfort Package - Rear Seat Climate Control - AIR-BALANCE Package for fragrance, ionization and air purification)
- Package: ENERGIZING Package (front) (Comfort programs: Warmth, Joy, Comfort, Freshness, Vitality - Training: Video instructions - Tips: Short audio information - ENERGIZING COACH with individual program recommendations based on the evaluation of driving and vehicle data, as well as driver data (vital parameters) if required, and networking with common Garmin wearables - Multi-contour and seat climate control for driver and front passenger - 4-way lumbar support - Heat comfort package - AIR-BALANCE package for fragrance, ionization, and air purification)

- Package: Rear Seat Comfort Package in conjunction with MBUX High-End Rear Seat Entertainment and MBUX Rear Tablet (Maximum seating comfort in the rear: The multi-contour seats not only offer an optimal seating position, but also provide activating or relaxing massage programs. The integrated neck and shoulder heating in the additional cushion is also a real treat. - Multi-contour seats in the rear - Rear comfort headrests (6-way), electrically adjustable in height and fore/aft direction, manual tilt adjustment, with additional cushion - Neck and shoulder heating in the rear)
- Panoramic sliding sunroof with comfort and automatic rain closing (electric sunshade, anti-pinch protection and PRE-SAFE closing function)
- Upholstery: Exclusive Nappa leather
- Radio accessories: 2 wireless headphones (The wireless headphones impress with outstanding, three-dimensional sound and high wearing comfort. The active noise cancellation effectively eliminates ambient noise. Ideal conditions for soothing peace and quiet and first-class listening pleasure.)
- Radio accessories: MBUX rear-seat tablet (Wi-Fi enabled tablet with 7.4" display, 1280 x 800 pixels, headphone jack via Bluetooth or 3.5 mm jack, docking station with charging function in the center armrest - MBUX remote control of the central display - direct access to (optional): MBUX multimedia system with TV, radio and media, telephony, rear climate control, seat massage, ambient lighting, mirroring of the rear displays including navigation display)
- Radio accessories: TV tuner (country-specific TV tuners DVB-T, DVB-T2 and ISDB-T - integrated T-DMB tuner - CI+ card reader in the glove compartment)
- Radio accessories: Pre-installation for MBUX Entertainment (Stream videos and enjoy your favorite music: This package takes the entertainment in your Mercedes to the next level. In addition to music streaming services and internet radio, ZYNC video streaming is also available. You can conveniently purchase the required data package from a selected third-party provider.)
- Wheels: Run-flat tires
- Sun visors: Double sun visor
- Auxiliary heater (including auxiliary ventilation in summer)
- Telephone accessories: Car telephony (telephone module with SIM card reader (permanently installed) - supports HD Voice with optimized noise cancellation for crystal-clear voice quality - wireless, direct connection of the mobile phone to the external antenna - LTE-enabled Wi-Fi hotspot - wireless Wi-Fi pairing via NFC (Near Field Communication) technology)
- Telephone accessories: Multifunctional telephony (wireless connection of a compatible mobile phone to the external antenna - wireless charging for compatible mobile phones - Bluetooth and WLAN pairing wirelessly via NFC (Near Field Communication) technology)
- Heat-insulating dark tinted glass all around from the B-pillar back
- Package: Parking package with 360° camera (The Active Parking Assist makes it easier to find and select parking spaces, as well as to park and exit in parallel and perpendicular parking spaces or garages. The 360° camera transmits a realistic image to the multimedia system display, thus assisting with parking and maneuvering.)
- Package: Sun protection package in conjunction with panoramic sunroof (electric sunshade for rear window - electric sunshades in the rear doors left and right)
- Package: USB Package Plus (in addition to the 4 standard USB-C ports: 2 USB-C ports under the front center armrest, fast charging capable and suitable for data transfer; for S-Class five-seater: 2 USB-C ports under the rear center armrest, fast charging capable; for S-Class four-seater: 2 USB-C ports in the rear center console, fast charging capable - fast charging function for existing standard USB ports)
- Radio accessories: Burmester 3D surround sound system (15 powerful speakers, each with its own amplifier channel - DSP amplifier with an output power of 710 W (2 x 120 W, 7 x 50 W, 6 x 20 W) - 2 broadband speakers in the front for 3D sound - Frontbass technology with integrated woofers - Sound optimization for the front, rear or all seats - 2 sound presets: Pure and 3D sound - Equalizer function for adjusting bass, midrange and treble - Noise cancellation (VNC))
- Radio accessories: MBUX High-End Rear Seat Entertainment (MBUX High-End Rear Seat Entertainment with two permanently integrated, high-resolution 11.6-inch touchscreens including Full HD camera and microphone, multi-touch operation, connection options for mini-HDMI, headphone jack (3.5 mm), Bluetooth - direct access even while driving to: MBUX multimedia system: TV/Radio/Media/Mercedes-Benz Apps, telephony, driving information: display of navigation, Mercedes me connect - mirroring of the display content including remote control on optional MBUX rear seat tablet)
- Wheels: 48.3 cm (19") multi-twin-spoke alloy wheels (thulium silver painted with 255/45 R 19 on 8.5 J x 19 ET 31.5)
- Seats: Electrically adjustable rear seats including memory function (three-seater rear with two electrically adjustable outer comfort seats, backrest recline up to 37° - memory package in the rear - comfort headrests electrically adjustable in height and longitudinal direction with additional cushions - PRE-SAFE positioning function - center armrest with double cup holder and decorative element)
- Phone accessories: Wireless charging system for mobile devices in the rear (Charge mobile phones conveniently and wirelessly, even in the rear: The storage compartment between the two seats also serves as an inductive charging surface. All mobile devices that use the Qi standard are supported.)
- Type designation removed from tailgate
- Decorative elements: wood, burl walnut, brown, glossy

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. No lifting equipment or pit was available for inspecting the vehicle. Therefore, inspection of the vehicle's underside was only possible to a limited extent.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.

Value reducing factors

No.	Component group	Description
1	Door - rear right side	Door - Scratched - Smart repair
2	Body	A-pillar - right side - Stone chips - Smart repair
3	Wheel / tyres	Alloy rim - front right side - Scratched - Loss in value

Wear and tear

No.	Component group	Description
1	Door - front left side	Door edge - Scratch(es) - No deduction
2	Vehicle glazing	Windscreen - Stone chips - No deduction
3	Bonnet	Bonnet - Stone chips - No deduction
4	Interior	Interior - Scratch(es) - No deduction
5	Front bumper	Front bumper - Stone chips - No deduction
6	Rear bumper	Rear bumper - Scratch(es) - No deduction

The vehicle shows signs of wear and tear commensurate with its age and use.

Previous damages

No.	Previous damage	Extent of damage (Net)
1	Side right, Provided by user / customer, from 23 Aug 2024	2.908,70 €

Repainting

No.	Repainting
1	Mudguard - right side, Professionally carried out, Invoice of repair done Non-existent
2	Bonnet, Professionally carried out, Invoice of repair done Non-existent

Paint coat thickness measurement

Mudguard - right side	212 µm	Bonnet	307 µm
-----------------------	--------	--------	--------

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
(Delivery by third-party service providers)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
(Functional testing of driver assistance systems is not included in the scope of services!)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

According to available information previous damages were repaired at the vehicle. Traces of repairs, which allow conclusions about the area of repair, were not recognizable during the inspection.

Comments

- Die Unterbodenbesichtigung war nur ebenerdig & eingeschränkt möglich. Mehrkosten möglich.
