

Expertise

Protocol number: 46323831
Order No. / Reference: 26644351
Inspection date: 2 Jul 2026

Manufacturer: Audi
VIN: WAUZZZF49PA058752

Model: A4 allroad quattro 40 TDI S tronic

Vehicle details	
Manufacturer / Type / Model / Equipment	
Audi A4 allroad quattro 40 TDI S tronic	
Vehicle Identification number	WAUZZZF49PA058752
Mileage (Read)	116,671 km
First registration	10 May 2023
Number of holders	1
Power / Engine displacement	150 kw / 1,968 ccm
Fuel type / Cylinder	Hybrid Diesel / E / 4
Gearbox / Number of gears	Automatic / 7
Type of drive	All-wheel drive
Type of vehicle	Station wagon
Colour / colour code	Ibisweiss
Doors / Seats	5 / 5
Upholstery type	Cloth
Colour of upholstery	Black

Vehicle details			
Maintenance booklet / proof	digital proof / complete	Next maintenance in	3,400 km
Last service on / at	06/2025 at 90,316 km		
Key is / should be	2 / 2	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	GS475434
Previous damage / Accident	None detectable	Repainting	None detectable
Inspection conditions	sufficient	Lifting equipment / pit	No
Test drive	Not performed	Engine function test	Performed
Manufacturer key number/ type code number	0588 / BWK 00247		
Emission standard	EURO6;WLTP;AP;PI/CI; M, N1 I	fine dust sticker	
Permitted total weight	2,250 kg	Empty weight	

Tyres				
Mounted tyres				
#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	225/55 R17 97H	Winter tyres on Light alloy	Continental	4mm / 4mm
2)	225/55 R17 101V	Winter tyres on Light alloy	Pirelli	6mm / 6mm
Additional tyres				
#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	225/55 R17 97Y	Summer tyres on Light alloy	Continental	4mm / 4mm
2)	225/55 R17 97Y	Summer tyres on Light alloy	Goodyear	5mm / 5mm
Replacement				
Typ	Tyre size	Type of tyre	Manufacturer	Tread depth
	Tirefit	Expiration date 01/2027		

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- AdBlue tank (12 liters) (tank for AdBlue solution for reducing nitrogen oxides in the exhaust gas using an SCR system)
- Accent surfaces in matte black (for dashboard, trim panels in door sills and center console insert)
- Anti-lock braking system (ABS) (with electronic brake force distribution (EBD) and brake assist)
- Traction control (ASR)
- Audi connect Emergency Call & Service with Audi connect Remote & Control (Audi connect Emergency Call: - Online breakdown call - Audi damage service - Audi service appointment online - Online Car Care Audi connect Remote & Control: - Parking position - Vehicle status - Remote locking and unlocking - Remote control of auxiliary heating - Anti-theft alarm notification)
- Audi pre sense city (can detect vehicles and pedestrians within system limits at speeds up to approximately 85 km/h. If an impending collision is detected, the system warns the driver visually, audibly, and, if necessary, with a braking jolt, and can initiate full deceleration if required to reduce speed or, if necessary, avoid the collision.)
- On-board tools (in the luggage compartment)
- Headliner in fabric (depending on the chosen interior color, either titanium grey or atlas beige)
- Decorative inlays diamond lacquer silver grey
- Tachometer
- Electromechanical parking brake (includes parking brake function when stationary, starting aid by automatic release when starting and full deceleration while driving via all 4 wheels)
- Chassis: Allroad standard chassis (Allroad-specific chassis with 23 mm increased ride height compared to the A4 Avant standard chassis - shock absorbers and coil springs on front and rear axles)
- Electric windows (front and rear)
- Window channel strips in black (rubber)
- Remote key, without SafeLock (locks and unlocks doors, luggage compartment and fuel filler flap - including Keyless-Go - including comfort closing/opening of windows)
- Cruise control with speed limiter (assists in maintaining a speed of approximately 20 km/h or higher, provided engine and braking power allow. The speed limiter helps to prevent exceeding a speed of approximately 30 km/h. The system limits the speed even when the accelerator pedal is depressed. It is operated via a separate steering column stalk. The set speed is displayed in the driver information system.)
- Interior mirror dimming
- Child lock
- ISOFIX and Top Tether child seat attachment for the outer rear seats (holding device for the practical attachment of ISOFIX child seats with an additional upper attachment point (Top Tether) on the outer rear seats)
- boot floor mat
- Headrests (5) (height adjustable front and rear)
- Fuel tank with increased filling volume (58 l)
- Airbag for driver and front passenger (with front passenger airbag deactivation)
- Airbag: Front side airbags and head airbag system
- "quattro" all-wheel drive with ultra technology (permanently available all-wheel drive with actively controlled torque distribution, ultra technology and wheel-selective torque control. The system includes an electronically controlled all-wheel drive coupling, a friction clutch integrated into the rear axle differential and an electronic differential lock (EDS) for all driven wheels. The ultra technology allows for a reduction in drag losses in the all-wheel drive system by opening both couplings.)
- Audi drive select (For individual vehicle tuning, with more dynamics or more comfort; allows the desired vehicle characteristics to be set in the available modes: - Auto - Comfort - Dynamic - Efficiency - Individual - Offroad (for Allroad quattro))
- Electrically adjustable and heated exterior mirrors (with integrated LED turn signals, including heated windshield washer nozzles)
- Exterior mirror housings in body color
- third brake light, raised
- Black roof rails (for transport, stable and aerodynamically shaped, in aluminum)
- Diesel particulate filter (DPF)
- Door sill trims with aluminum inlay at the front
- Electronic Differential Lock (EDS)
- Electronic Stability Control (ESC)
- Driver Information System (with high-resolution 5" monochrome display - display content: speed, time, mileage, outside temperature, fuel warning with remaining range, gear shift indicator, current radio station or music track, radio and media lists, telephone menu (in conjunction with multifunction steering wheel), navigation information (if equipped). On-board computer with short- and long-term memory - including break recommendation)
- Front and rear floor mats (made of velour in black)
- Electrically operated tailgate (The tailgate can be opened electrically by pressing the button on the vehicle key, in the driver's door, or the soft-touch button on the tailgate handle. Closing the tailgate is just as easy and convenient: simply press the button on the inside of the tailgate, the button in the driver's door, or the button on the vehicle key. A soft-close mechanism makes manual closing easier when necessary.)
- Transmission: S tronic 7-speed
- rear window wiper
- Interior lighting (front and rear roof module including reading lights - capacitively operated at the front, ambient light on center console, glove box light, passive door warning lights, trunk light on the left, additionally on the right for the A4 Avant/S4 Avant, and tailgate lighting)

- Loading floor (one side in high-quality velour, the other as a waterproof, durable dirt tray)
- Manual cargo cover
- LED taillights (taillights using LED technology impress with faster activation of the taillights and brake lights, thus enabling earlier detection by following traffic. The light signature is a visible recognition signal to the rear.)
- Steering column, manually adjustable in height and axis
- Light/rain sensor (for controlling the automatic headlight switching, the coming home/leaving home function and the automatic windshield wiper function)
- front center armrest
- Non-smoking version (one 12-volt socket each in the front in front of the cup holders and in the rear for the 2nd row of seats - no cigarette lighter)
- Wheel: Alloy wheels, 15 spokes (size 7.5 JX 17 with tires 225/55 R 17)
- Radio: MMI Radio plus (10.1" color display (1,540 × 720) including MMI touch operation - driver information system with 5" mono display - Bluetooth interface (hands-free calling and audio streaming) - Audi music interface with 1 USB-A and 1 USB-C port, each with data and charging function - passive speakers - AM/FM phase diversity - speed-dependent volume adjustment - voice control system with natural language for controlling infotainment and vehicle functions - WLAN hardware)
- Tire pressure monitoring system (visual and audible warning in case of pressure loss in one or more wheels, display in the driver information system)
- Tire repair kit (compressor and tire sealant, maximum permissible speed 80 km/h)
- Electromechanical power steering (maintenance-free rack and pinion steering with speed-dependent steering assistance; precise steering feel at high speeds, excellent support when parking.)
- Seat covers in Index fabric (seat center panels in Index fabric black or rock grey - seat side bolsters, headrests, center armrest in solid black or rock grey fabric)
- Seats: Folding rear seat backrest (split in a 40:20:40 ratio or fully foldable - center armrest - including lashing eyes, 4 in the luggage compartment, for securing luggage and objects - attachment points for the luggage compartment net, with removable partition net; to be attached to the body or to the folded rear seat backrest; helpful whether the rear seat backrest is upright, folded down on one side, or folded down on both sides)
- Glazing: Windscreen in heat-insulating and acoustic glazing (windscreen in heat-insulating glazing, green tinted - improved external noise insulation)
- Automatic climate control (single-zone automatic climate control - electronically regulates air temperature, volume and distribution, sun position-dependent control - air distribution can be set using 5 main positions - the 3 LEDs integrated into the seat heating and seat ventilation buttons provide feedback on the selected setting (optional) - buttons for defrosting the front and rear windows - manual recirculation control and particle filter - with key recognition and humidity sensor)
- Steering wheel: Leather steering wheel in a 3-spoke design with multifunction controls (height and reach of the steering wheel are manually adjustable. For convenient operation of the extensive standard and optional infotainment features, the steering wheel is equipped with 6 multifunction buttons.)
- Mild hybrid (Mild hybrid features an enhanced start-stop function, extended energy recuperation during braking to charge the starter battery, and additional lithium-ion storage. This allows the system to recover more energy and switch off the engine more frequently. A supplementary belt-driven starter generator (BSG) is conceptually included for mild hybrid systems. Purely electric driving is not possible.)
- Radio accessories: 8 speakers (passive) front and rear
- Radio accessories: Digital radio reception (DAB) (in addition to the analog station offerings, reception of digitally broadcast radio stations according to the DAB standard. Display of program-related information (e.g., artist and title) as well as additional information in the form of a slideshow (e.g., album art and weather). A second DAB tuner with a second DAB antenna continuously searches for alternative reception frequencies of the selected station. The station list is updated simultaneously.)
- Headlights in LED technology (low beam, high beam, daytime running light and position light in LED, turn signal in incandescent bulb technology, with all-weather light - create a daylight-like illumination of the road and impress with low energy consumption, long service life and good visibility to others)
- Seats: Standard front seats (with manual adjustment of seat height, seat longitudinal position, backrest angle, headrest height and seat belt height)
- Seats: Front seats manually adjustable
- Start-stop system (helps reduce fuel consumption and CO₂ emissions by switching off the engine during stationary phases, e.g. at traffic lights. For restarting, the starting process is initiated as soon as the foot brake is released. Can be deactivated at any time via a button.)
- First aid kit with warning triangle (warning triangle in the trunk - first aid kit in the trunk - 2 high-visibility vests in the door pockets)
- Electronic immobilizer
- Central locking "Keyless-Go" without safe locking (keyless engine start)

Extra equipment

- AdBlue tank (24 liters) (larger tank for AdBlue solution to reduce nitrogen oxides in the exhaust gas using an SCR system)
- Audi connect Navigation & Infotainment (Online Points of Interest - Online Traffic Information Plus - Hazard Information - Weather Information - Wi-Fi Hotspot - Online News - Navigation with Google Satellite Maps - Online Search for Navigation Destinations - Online Voice Input - Highly Detailed 3D City Display - On-Street Parking - Online Radio - Hybrid Radio - User Profiles - Amazon Alexa Integration - Online Media Streaming - myAudi Navi. - Online Traffic Sign Information. - HoloRide Interface)
- Auxiliary heating/ventilation (The auxiliary heater warms the interior and defrosts the windows without starting the engine. The auxiliary ventilation supplies fresh air and lowers the interior temperature. Both functions can be activated via a timer or separate remote control. An intelligent control system with timer and departure time programming calculates the heating duration efficiently in terms of time and energy. Two heating modes are selectable: defrost (defrost mode for the windows only) and warm (warm-up mode for additional preheating of the interior).
- Business Package (MMI Navigation plus with MMI touch (including driver information system with color display) - Audi phone box - Leather steering wheel in 3-spoke design with multifunction plus - Heated front seats - Automatically dimming, frameless interior mirror - Electrically adjustable, heated and folding exterior mirrors, automatically dimming on both sides - Rear parking aid - High-beam assistant - Manual sunshade for the rear door windows)
- Camera-based traffic sign recognition (Supports the driver by displaying traffic signs detected within the system's limits, such as speed limits, no-overtaking zones, and temporary speed restrictions, which are within the detection range of the front camera. The traffic sign recognition is displayed automatically in the digital instrument cluster or in the optional Audi virtual cockpit.)
- Electrically adjustable, heated and folding exterior mirrors, automatically dimming on both sides (including curb view function for passenger-side exterior mirror with integrated LED turn signal, including heated windshield washer nozzles; the curb view function folds the passenger-side mirror down when reverse gear is engaged, giving the driver a better view of the curb edge)
- Front seat heating (heats seat and backrest center panels; with leather upholstery, sport seats and S sport seats also seat side bolsters - individually adjustable in multiple stages for driver and front passenger side via the climate control unit)
- High-beam assist (within the system's limitations, it automatically detects oncoming headlights, taillights of other road users, and light sources in built-up areas. Depending on the traffic situation, the high beams are automatically switched on or off. The system thus improves the driver's visibility and increases comfort.)
- Seat covers in fabric system (seat center panels in fabric system black or black-red - seat side bolsters, thigh support, headrests in solid black fabric)
- Audi virtual cockpit plus (Innovative, fully digital instrument cluster with 12.3-inch display, full HD resolution with additional graphic display options: Classic, Sport and Dynamic design - For flexible and needs-based display of the respective information according to the driver's needs: speed/RPM, map display, Audi connect services, radio/media information, etc. - VIEW button in the multifunction steering wheel)
- Black fabric headliner
- Comfort center armrest at the front (adjustable in tilt and longitudinally sliding or completely foldable)
- Deletion of model designation and performance/technology lettering
- Front sports seats (with manual adjustment of seat height, seat longitudinal position, seat tilt, backrest tilt, headrest and belt height; with pronounced seat side bolsters for better lateral support in curves, extendable thigh support)
- Glazing: Acoustic glazing for front door windows (Front door windows with acoustic glazing provide improved external noise insulation.)
- Glazing: Sun protection glazing, darkened for acoustic glazing (rear window, rear door and side windows darkened)
- Hold assist (holds the vehicle indefinitely after stopping on typical road inclines and declines. The system is activated by pressing a button and allows the driver to start off comfortably.)
- Mechanically swiveling towbar (Conveniently locks and unlocks via a release mechanism. - Mechanically swiveling ball head with electric release, controlled by a button in the luggage compartment - Ball shaft and head made of forged steel - Trailer stabilization via the electronic stability control (ESC) - Swiveling system socket allows continuous operation of electrical devices in the trailer or caravan, even while driving)
- Package: Ambient Lighting Package (in addition to the interior lighting: - approach lighting in the exterior door handles - entry lights on the underside of the front doors - illuminated front cupholders - front footwell lighting - illuminated interior door handles - ambient door lighting - ambient lighting in the front center console)
- Paint finish: Solid
- Radio accessories: Audi sound system (10 speakers including center speaker and subwoofer - 6-channel amplifier - total output of 180 watts)
- Rear parking aid (supports reversing and maneuvering within the system limits by acoustically indicating the distance to a detected object behind the vehicle. The measurement is carried out by ultrasonic sensors discreetly integrated into the bumper, which are activated when reverse gear is engaged.)
- Seats: 4-way lumbar support (electrically adjustable, horizontally and vertically)

- Wheel: Audi new car tire warranty (36-month term from vehicle handover to the first customer)

- Steering wheel: Sport contour leather steering wheel in 3-spoke design, flattened at the bottom with multifunction plus (with more contoured steering wheel rim; adjustable in height and distance; with 12 multifunction buttons for convenient operation of the available infotainment features with shift paddles for manual gear changes in automatic transmissions)

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. No lifting equipment or pit was available for inspecting the vehicle. Therefore, inspection of the vehicle's underside was only possible to a limited extent.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.

Value reducing factors

No.	Component group	Description
1	Side panel - rear left side	Wheel well extension - Scratch(es) - Replace
2	Bonnet	Bonnet - Corrosion - Paint
3	Roof	Roof (Dachkante) - Corrosion - Paint

Wear and tear

No.	Component group	Description
1	Trim / covers	Boot lid - interior trim - Scratch(es) - No deduction
2	Vehicle glazing	Windscreen - Stone chips - No deduction
3	Front bumper	Front bumper - Stone chips - No deduction
4	Rear bumper	Rear bumper - Scratch(es) - No deduction

The vehicle shows signs of wear and tear commensurate with its age and use.

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
(Delivery by third-party service providers)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
(Functional testing of driver assistance systems is not included in the scope of services!)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

No apparent prior damage that had been repaired could be found on the vehicle.

Comments

-Der montierte Winterradsatz ist kein Bestandteil des Auslieferungsumfangs.

Das Fahrzeug weist rundherum erhöhte Lackwerte auf.
