Damage overview

✓ No issues reported

Our data shows **no damage or accident records** for this vehicle.

Keep in mind

CARFAX only reflects information that's been reported to us.

While having no reported damage is a positive sign, it's still important to take a close look at the vehicle during your test-drive:

- Small details can sometimes hint at past repairs. Keep an eye out for paint inconsistencies or uneven panels.
- Don't hesitate to ask the seller for additional details or service documentation.

Mileage Check

✓ **No issues indicated:** The reported odometer readings have a logical progression. There are no indications of manipulation. Unfortunately, we cannot guarantee this, so we always recommend critically questioning the odometer readings, e.g. on signs of wear, the number of oil changes, or the average kilometers driven per year.
