Expertise

Protocol number: 48144126
Order No. / Reference: 26825906
Inspection date: 22 Sept 2026

Manufacturer: Audi	Model: A3 35 TDI Limousine S tronic
VIN: WAUZZZGY8RA110473	

Vehicle details

Manufacturer / Type / Model / Equipment	
Audi A3 35 TDI Limousine S tronic	
Vehicle Identification number	WAUZZZGY8RA110473
Mileage (Read)	121,531 km
First registration	11 Apr 2024
Number of holders	1
Fuel type	Diesel
Engine displacement / Cylinder	1,968 ccm / 4
Power	110 kW
Gearbox / Number of gears	Automatic / 7
Type of drive	Front drive
Type of vehicle	Saloon car
Colour / colour code	Mythosschwarz Metallic (Y9T)
Doors / Seats	4 / 5
Upholstery type	Cloth
Colour of upholstery	Black

Vehicle details

Maintenance booklet / proof	digital evidence / incomplete	**Next maintenance in**	-1,500 km
Key is / should be	2 / 2	**FZG documents**	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	HA941999
Previous damage / Accident	None detectable	**Repainting**	None detectable
Inspection conditions	sufficient	**Lifting equipment / pit**	yes
Test drive	Not performed	**Engine function test**	Performed
Manufacturer key number/ type code number	0588 / BZO 02082		
Emission standard	EURO6	**fine dust sticker**	
Permitted total weight	1,960 kg	**Empty weight**	

Tyres

Mounted tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	225/40 R18 92W	Winter tyres on Light alloy	Vredestein	4mm / 4mm
2)	225/40 R18 92W	Winter tyres on Light alloy	Vredestein	7mm / 7mm

Additional tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	225/40 R18 92Y	Summer tyres (Without wheel rim)	Bridgestone	4mm / 4mm
2)	225/40 R18 92Y	Summer tyres (Without wheel rim)	Bridgestone	1mm / 1mm

Replacement

Typ	Tyre size	Type of tyre	Manufacturer	Tread depth
	Tirefit	Expiration date 01/2028		

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- Distraction and fatigue detection
- Airbag: Front side airbags with head airbag system and front interaction airbag
- Audi connect emergency call & service m.connect remote & control
- Audi pre sense front
- Evasive steering assist and turning assist
- Exterior mirror housings in body color
- Headliner in steel grey fabric
- Decorative inlays in silk-effect lacquer, platinum grey
- Diesel particulate filter (DPF)
- Digital instrument cluster - fully digital instrument cluster in 10.25 inches
- Electromechanical parking brake
- Electronic Stability Control (ESC)
- Electric windows front and rear
- Window channel strips in black (rubber)
- Velour floor mats
- Adjustable speed limiter
- Cruise control system with preparation for adaptive cruise control
- Seat belts: Seat belt fastening indicator with rear seat occupancy detection
- Rear window, rear door and side windows in clear glass
- Interior mirror dimming
- Camera-based traffic sign recognition
- i-Size child seat attachment and top tether for the outer rear seats
- Comfort key without Safelock
- Rear headrests (3)
- Paint finish: Solid
- Steering wheel: Leather steering wheel in 3-spoke design with multifunction
- electric auxiliary air heater
- Multifunctional camera
- Package: Ambient Lighting Package
- Wheel: On-board tools (excluding jack)
- Wheel: Tire pressure monitoring system
- Radio accessories: Preparation for Functions on Demand
- Tire repair kit
- Electromechanical power steering
- Seat covers in fabric
- Seats: Standard front seats
- Lane Departure Warning
- Start-stop system
- 12V socket
- Phone: Audi Phone Box light
- First aid kit with warning triangle
- Glazing: Green tinted thermal insulation glazing
- Electronic immobilizer
- Airbag for driver and front passenger
- Anti-lock braking system (ABS)
- Traction control ASR
- Audi connect emergency call & service with Audi connect Remote & Control
- Audi virtual cockpit
- Electrically adjustable and heated exterior mirrors
- third brake light
- Decorative inlays, fine lacquer, volcanic grey
- Decorative strips in black glass look
- Additive-free diesel particulate filter (DPF)
- Tachometer
- Electric auxiliary air heater
- Electronic Differential Lock (EDS)
- Chassis: Standard chassis
- Electric front windows
- Remote key (without Safe-Lock)
- front and rear floor mats
- Speed limiter
- Legal emergency number
- Transmission: S tronic (7-speed)
- Tail lights
- Heated rear window
- Interior lighting
- Interior with standard seats in black fabric
- Electrically operated child safety lock
- Manual air conditioning
- Single-zone automatic climate control with preparation for additional climate functions
- Front headrests
- Steering wheel: Leather steering wheel in 3-spoke design with multifunction plus and shift paddles
- Light and rain sensor
- front center armrest
- Non-smoking version
- Parking assistant with parking aid plus
- Wheel: Alloy wheels - 16 inch - 5-double arm
- Radio: MMI Radio plus
- Tire pressure monitoring system
- Headlight
- 3-point automatic seat belts
- Front seats (standard seats)
- Seats: Rear seat backrest foldable
- Lane departure warning including emergency assist
- 12-volt power outlet in the rear
- Power outlet: USB ports with charging function in the rear
- Phone: Preparation for smartphone interface
- Glazing: Heat-insulating glazing, windshield
- Four lashing eyes in the luggage compartment
- Central locking with remote control

Extra equipment

- 2-zone automatic climate control
- Trailer hitch pre-installation
- Trailer hitch preparation (Includes pre-wiring and enhanced engine cooling. The trailer hitch is available through Audi Genuine Accessories)
- Electrically adjustable, heated and folding exterior mirrors, automatically dimming on both sides (with integrated LED turn signal and curb view function for the passenger-side exterior mirror - mirror glass left aspherical, right convex - including heated windshield washer nozzles)
- Decorative inlays aluminium spectrum dark (for application in instrument panel, framed in accent area fine lacquer volcanic grey)
- Deletion of model designation and performance/technology lettering
- Chassis: Adaptive chassis with Audi drive select (Audi drive select (modes auto, comfort or dynamic) - chassis with damper control (With the adaptive chassis, the damper control allows electronic adjustment of the shock absorbers to different driving situations) - lowered by 10 mm)
- Hold assist
- Hold assist (holds the vehicle after stopping on inclines and declines typical in road traffic for an unlimited time).
- Interior mirror automatically dimming
- Interior mirror, automatically dimming, frameless
- Camera-based traffic sign recognition (Supports the driver by displaying traffic signs detected within the system's limits, such as speed limits, no-overtaking zones, and temporary speed restrictions, which are within the detection range of the front camera. The traffic sign recognition is displayed automatically in the digital instrument cluster or in the optional Audi virtual cockpit.)
- 2-zone automatic climate control (electronically regulates air temperature, volume and distribution - separate temperature distribution for driver and front passenger side - with sun position-dependent control - automatic recirculation control - dust and odor separating allergen filter - air vents in the rear center console - separate defroster button for faster defrosting of the front and side windows)
- Comfort key with sensor-controlled luggage compartment unlocking (The vehicle can be unlocked wirelessly at all doors and the luggage compartment lid. The comfort key simply needs to be carried and does not need to be actively used. The vehicle can be locked again using the sensors on the door handles. The engine is started and stopped using the engine start/stop button. The tailgate can be conveniently unlocked and closed with a foot gesture (kick movement) at the rear.)
- Steering wheel: Leather steering wheel in 3-spoke design with multifunction plus
- Steering wheel: Sport contour leather steering wheel in 3-S.-D., flattened at the bottom with multifunction plus and shift paddles.
- Front center armrest (adjustable in tilt, movable in length)
- Adaptive cruise control (assists with acceleration, braking, and maintaining speed and distance. The adjustable speed limiter helps, for example, to prevent exceeding a preset maximum speed within built-up areas from approximately 30 km/h. Audi pre sense front uses a front radar to detect the area in front of the vehicle within the system's limits and warns of potential hazards with visual and audible signals.)
- Black fabric headliner (including black attachments)
- Decorative inlay aluminium spectrum dark (for inlays in dashboard; accent surfaces in instrument panel and center console in satin-effect lacquer platinum grey)
- Rear parking aid (supports reversing and maneuvering within the system limits by acoustically indicating the distance to a detected object behind the vehicle. The measurement is carried out by ultrasonic sensors discreetly integrated into the bumper, which are activated when reverse gear is engaged.)
- Chassis: Adaptive chassis with Audi drive select (The following modes can be set via Audi drive select: auto, comfort, dynamic, efficiency, individual - Lowering by 10 mm compared to the standard chassis - McPherson strut front axle with lower wishbones, adaptive shock absorbers, coil springs, subframe and stabilizer bar - 4-link rear axle with separate spring and damper arrangement, adaptive shock absorbers, coil springs, subframe and stabilizer bar - Audi drive select)
- ISOFIX child seat attachment in the front, Top Tether and i-Size for the outer rear seats
- ISOFIX child seat attachment at the front, Top Tether and i-Size for the outer rear seats (holding device for the practical attachment of i-Size and ISOFIX child seats on the front passenger seat and on the outer seats of the rear bench seat.)
- Comfort key in conjunction with anti-theft alarm system (The comfort key allows the vehicle to be opened without actively using the key. This is possible for all doors and the tailgate. To lock the vehicle from the outside, simply touch one of the sensor buttons on the door handles. The comfort key only needs to be carried with you. Access to the tailgate is possible via the comfort key's tailgate button. The engine is started and stopped using the engine start/stop button in the center console.)
- Paint finish: Metallic
- Paint finish: Mythos Black Metallic
- LED matrix headlights, LED taillights and headlight cleaning system
- Matrix LED headlights, LED taillights and headlight cleaning system (The matrix LED headlights include: dynamic turn signals, daytime running lights, low beam, high beam, position lights, cornering lights, all-weather lights (to reduce glare in poor visibility conditions), maneuvering lights (illuminating the maneuvering area in front and to the sides when reversing), motorway lights, automatic dynamic headlight range control, static cornering lights (supplementing lateral illumination in tight curves), dynamic light sequence for the coming home/leaving home function.)

- Storage and luggage compartment package (lockable glove compartment - storage compartment on driver's side - storage net on the back of the front seatbacks - comfort cupholder - 12-volt socket in the trunk - luggage compartment net - second luggage compartment light on the left in LED (only for A3 Sportback))
- Business package (USB ports with charging function in the rear - Audi connect Navigation & Infotainment plus - Audi phone box - Audi virtual cockpit plus - Smartphone interface (Android Auto and Apple CarPlay) - MMI Navigation plus with MMI touch - Cruise control)
- Package: Ambient Lighting Package Plus (front and rear roof module, including reading lights, illuminated vanity mirrors, front and rear ambient door lighting, entry lights on the underside of the front doors, illuminated storage compartment in the center console, and front footwell lighting. Color adjustments are possible for: instrument panel contour lighting, front and rear ambient door lighting, front and rear door contour lighting, and center console storage compartment. Additionally in white: entry lights on the underside of the rear doors and front and rear footwell lighting.)
- Package: Connectivity infotainment package
- Package: Comfort Package Plus (4-way lumbar support for the front seats, electrically adjustable horizontally and vertically in four directions - electrically adjustable, heated and folding exterior mirrors, automatically dimming with integrated LED turn signals and curb view assist - automatically dimming, frameless interior mirror)
- Radio accessories: Bang & Olufsen Premium Sound System with 3D sound (surround sound playback via 15 high-performance speakers including subwoofer; 16-channel amplifier with a total output of 680 watts. The new, virtual 3D sound effect creates an immersive sound experience. This is generated by 4 speakers in the instrument panel, 2 speakers in the C-pillar, and Fraunhofer Symphoria technology. The 3D sound can be generated with a variety of sources.)
- Reversing camera (captures the area behind the vehicle within the system limits. The display is adjusted according to the steering angle using dynamic display elements in the MMI touch display. The user can choose between perpendicular parking and trailer modes. Depending on the selected mode, the calculated driving lane or a guide line for coupling a trailer is displayed, also dependent on the steering angle. The reversing camera is activated by engaging reverse gear or via a button in the center console.)
- Glazing: Sun protection glazing, tinted
- Ambient Lighting Package Plus (Glove box lighting (incandescent bulb), LED trunk lighting (right side), front/rear roof module including reading lights (LED), illuminated vanity mirrors (LED), entry lights on the underside of front doors (LED), front footwell lighting (LED), entry lights on the underside of rear doors (white), dashboard contour lighting (multicolor), ambient door lighting (front/rear, multicolor), door contour lighting (front/rear, multicolor), center console storage compartment (multicolor))
- Package: Driving and Parking Assistance Package Pro and Protection and Warning Systems Assistance Package Plus
- Package: Business (Audi phone box: Bluetooth, hands-free system, coupling antenna, reduced radiation in the vehicle interior, LTE support, charging option via USB or wireless charging - Comfort package: electrically adjustable driver's seat (height, fore/aft position, tilt), manually adjustable front passenger seat, 4-way lumbar support for front seats - Infotainment package Connectivity: MMI Nav. plus with touch, Virtual cockpit plus, Connect Nav. and Infotainment plus, Application Store and smartphone interface, sound system)
- Wheel: Audi new car tire warranty
- Wheel: Alloy wheels - 18 inch - 5-Y-spokes, graphite grey, polished
- Wheel: Alloy wheels - 18 inch - 5-Y-spokes, graphite grey, polished (8.0 J × 18, tires 225/40 R 18)
- Radio accessories: SONOS Premium sound system with 3D sound (15 high-performance speakers including subwoofer - 16-channel amplifier with a total output of 680 watts - speaker covers with aluminum accents. The virtual 3D sound effect creates an immersive sound experience. This is generated by four speakers in the instrument panel, two speakers in the C-pillar, and Fraunhofer Symphoria technology. The 3D sound can be generated with a variety of sources.)
- Front seat heating (heats seat and backrest center section (standard seats in fabric), otherwise seat and backrest center section as well as seat side bolsters - individually adjustable in 3 stages for driver and front passenger via direct selection button on the climate control unit)
- Phone: Audi Phone Box
- Phone: LTE support for Audi phone box
- Telephone: Smartphone interface in conjunction with MMI Navigation plus with MMI touch
- Glazing: Sun protection glazing, tinted (rear window, rear door and side windows tinted)

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. Lifting equipment and/or a pit were available for examining the vehicle.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.

Value reducing factors

No.	Component group	Description
1	Misc.	Main inspection - No evidence - No deduction
2	Body	Body - Glued / labelled - De-glue / neutralise
3	Electronic systems	Parking assistance - Specify findings - Perform diagnosis
4	2nd wheel set	2 tyres (Kante abgefahren) - Worn - Replace
5	Misc.	Inspection / maintenance - Due - Perform

Wear and tear

No.	Component group	Description
1	Vehicle glazing	Windscreen with lane departure assistant - Stone chips - No deduction
2	Rear bumper	Rear bumper - Scratch(es) - No deduction
3	Wheel / tyres	Tyres - complete set - Differs from the original configuration - Un- / install
4	Documents	Service book - No evidence - No deduction

The vehicle shows signs of wear and tear commensurate with its age and use.

Paint coat thickness measurement

Roof	117 µm	Roof rail - left side	125 µm
Roof rail - right side	118 µm	Boot lid / rear door	114 µm
Mudguard - left side	118 µm	Mudguard - right side	117 µm
Bonnet	104 µm	Side panel - rear left side	115 µm
Side panel - rear right side	101 µm	Door - rear left side	110 µm
Door - rear right side	113 µm	Door - front left side	112 µm
Door - front right side	116 µm		

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
  (Delivery by third-party service providers)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
  (Functional testing of driver assistance systems is not included in the scope of services!)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

No apparent prior damage that had been repaired could be found on the vehicle.
