

Expertise

Protocol number: 46046583
Order No. / Reference: 26445601
Inspection date: 17 Jun 2026

Manufacturer: Audi
VIN: WAUZZZGEXRB010245

Model: Q8 e-tron 55 quattro S line

Vehicle details	
Manufacturer / Type / Model / Equipment	
Audi Q8 e-tron 55 quattro S line	
Vehicle Identification number	WAUZZZGEXRB010245
Mileage (Read)	136,214 km
First registration	20 Apr 2023
Number of holders	2
Next periodical technical inspection	05/2028
(Report on hand)	
Power / Engine displacement	158 kw /
Fuel type / Cylinder	Electric / 0
Gearbox / Number of gears	Direct drive / 1
Type of drive	All-wheel drive
Type of vehicle	SUV
Colour / colour code	Mythossschwarz Metallic (Y9T)
Doors / Seats	5 / 5
Upholstery type	Leather
Colour of upholstery	Black-Anthracite
Vehicle with smoke odor	no

Vehicle details			
Maintenance booklet / proof	digital proof / complete	Next maintenance in	3,800 km
Last service on / at	10/2025 at 110,876 km		
Key is / should be	2 / 2	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	GS537840
Previous damage / Accident	Detectable	Repainting	Detectable
Inspection conditions	sufficient	Lifting equipment / pit	yes
Test drive	Not performed	Engine function test	Performed
Manufacturer key number/ type code number	0588 / CAJ 00009		
Emission standard	2017/1151;WLTP;reine Elektrofz	fine dust sticker	
Permitted total weight	3,180 kg	Empty weight	

Tyres			
Mounted tyres			
#	Tyre size	Type of tyre	Tread depth
1)	265/45 R21 108V	Winter tyres on Light alloy	5mm / 5mm
2)	265/45 R21 108V	Winter tyres on Light alloy	5mm / 5mm

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- Airbag for driver and front passenger
- Acoustic vehicle warning system
- Anti-lock braking system (ABS)
- Audi connect emergency call & service with Audi connect Remote & Control
- Electrically adjustable and heated exterior mirrors
- Control buttons, matte black
- Headliner in fabric in a specific color
- Decorative inlays: Fine lacquer graphite grey
- Door sills with aluminum inlay, front and rear, illuminated
- Chassis: adaptive air suspension sport
- front and rear floor mats
- Electrically opening and closing tailgate
- Transmission: 1-speed direct drive
- Rear window, rear door and side windows in clear glass
- Interior lighting
- ISOFIX child seat anchors for front passenger seat
- boot floor mat
- 2-zone automatic climate control
- Rear headrests (3)
- CCS Type 2 charging socket
- LED headlights with preparation for additional lighting functions and LED taillights
- Steering column: Safety steering column
- Package: Gloss Package
- Progressive steering
- Wheel: Light alloy wheels, 20" 5-arm aero ring, graphite grey, polished
- Radio accessories: Audi music interface
- Tire pressure monitoring system
- Fabric seat covers with effect
- Seats: Front seats manually adjustable
- Lane departure warning including emergency assist
- 12-volt sockets
- Separation net
- Glazing: Front window in acoustic glazing
- Glazing: Side and rear panes are made of heat-insulating glass.
- Airbag: Front side airbags and head airbag system
- All-wheel drive "quattro"
- Audi connect navigation & infotainment
- Audi pre sense basic
- Audi pre sense front
- Exterior mirror housings in body color
- third brake light
- Roof edge spoiler
- Parking aid plus with surround view
- Electronic Stability Control (ESC)
- Remote key, without Safelock
- Removable luggage compartment cover
- Cruise control system including speed limiter
- Heated rear window
- rear window wiper
- Interior mirror, automatically dimming
- ISOFIX child seat attachment and Top Tether for the rear seat
- Headrests (2) height adjustable
- Paint finish: Solid
- Mode 3 charging cable for public charging 22 kW
- Steering wheel: Double-spoke leather steering wheel with multifunction and paddle shifters
- front center armrest
- Plug and Charge
- Wheel: On-board tools
- Wheel: Tire repair kit
- Radio: MMI Navigation plus with MMI touch
- Radio accessories: Audi sound system
- Seat belts
- Seats: Standard front seats
- Front sun visor
- Stationary air conditioning
- S-Line bumpers in full paint finish (body color)
- First aid kit including warning triangle and high-visibility vests
- Camera-based traffic sign recognition
- Electronic immobilizer

Extra equipment

- AC charging access (passenger side) (The optional AC charging access offers the shortest possible route from the charging station or socket to the vehicle's charging access point in any parking situation. It allows the same charging power as the AC charging access on the driver's side.)
- Audi connect key (Your Android smartphone takes over the functions of the vehicle key: opening and closing the vehicle and starting the engine. Up to 5 digital vehicle keys can be shared with other people via the myAudi app on your smartphone. In case you need to quickly hand over your Audi to someone else (e.g., a valet parking service), an NFC-enabled card is also provided, which, once activated, offers the same functions as the Audi connect key.)
- Automatically dimming, frameless interior mirror (Reduced glare can improve the perception of following traffic at night. - A reduced glare effect at night, among other factors, can help to recognize other vehicles in the interior mirror more quickly and clearly.)
- Charging cable with household plug (mains connection cable (length 1.6 m) with household plug type E/F)
- Comfort key including sensor-controlled luggage compartment unlocking (access and engine start authorization without having to actively use the vehicle key. The luggage compartment lid can also be conveniently locked and unlocked with a foot gesture by kicking the rear. For this, only the comfort key needs to be carried. The engine is started and stopped using the engine start/stop button.)
- e-tron compact charging system (The e-tron compact charging system is a so-called Mode 2 charging system and is designed for charging at wall sockets. It can also be used in mobile applications. LEDs on the control unit indicate the status of the charging system and the charging process. Depending on the household or industrial plug used and the market-specific power grid characteristics, a charging capacity of up to 3.6 kW is possible at the vehicle with a single-phase power grid. The charging capacity can be manually switched between 100% and 50%.)
- Package: Black Optics Package (The black optics package includes black accents in the area of the Audi Singleframe, the trim strips on the side windows and the front and rear bumpers.)
- Package: City Assistance Package (Intersection Assist can warn the driver of detected approaching cross traffic in complex intersection situations; Lane Change Warning helps the driver monitor the blind spot and traffic behind the vehicle; Exit Warning warns of a possible collision with traffic approaching from behind when the door is opened while the vehicle is stationary; Rear Cross Traffic Assist; Audi pre sense (Audi pre sense - rear, -side))
- Package: Storage and luggage compartment (2 cup holders in the rear center armrest - storage compartment in the spare wheel well - side nets in the trunk - luggage net for transporting items (luggage spider))
- Paint finish: Metallic
- 4-zone automatic climate control (in addition to the 2-zone automatic climate control: - Separate temperature setting and air distribution for front/rear left and right - Air outlet nozzles in the B-pillar - Rear climate control unit with touch operation - Efficient climate zone control possible through occupant detection - Automatic recirculation operation through air quality sensor and sun position-dependent control - Allergen filter - Residual heat utilization - Personalization)
- Audi virtual cockpit plus (In addition to the standard Audi virtual cockpit, the Audi virtual cockpit plus allows the display options "Dynamic", "Sport" and "Classic")
- Black roof rails
- Charging cable with industrial plug CEE 16A / 400V (mains connection cable (length 0.9 m) with industrial plug 3-phase, red, angled design)
- Chassis: adaptive air suspension (electronically controlled air suspension with continuously adaptive damping system at all 4 wheels automatically regulates vehicle level and damping including level control and manual lift function; setting of various modes via Audi drive select)
- Control buttons in glossy black with haptic feedback and aluminum-look interior (control button strip and light buttons in glossy black, control button and light button strip with haptic feedback - light button strip including proximity sensor - control buttons for driver assistance systems, power windows, trunk lock and trim for 12-volt socket in aluminum look)
- Decorative inlays: Dark brushed matt aluminum
- Electrically adjustable/folding/heated exterior mirrors, automatically dimming on both sides (with integrated LED turn signal - curb view function for passenger-side mirror - mirror glass convex, flat or aspherical)
- Front seat heating (heats the center section of the seat and backrest, and, in conjunction with leather upholstery and sport seats, the side bolsters of the front seats. The seat heating for the driver and front passenger seats can be individually adjusted in multiple stages via the lower MMI touch response display, the climate control unit.)
- Glazing: Sun protection glazing, tinted (rear window, rear door and side windows tinted)
- Headrests: variable headrests for front seats (with manual adjustment of headrest height and distance)
- LED matrix headlights, LED taillights (daytime running lights - low beam - high beam - position lights - dynamic turn signals front and rear - all-weather lights (to reduce glare in poor visibility conditions) - dynamic light sequence for the coming home/leaving home function front and rear - cornering lights - maneuvering lights - motorway lights - automatic dynamic headlight range control - static cornering lights)

- Parking assistant with parking aid plus (The parking assistant supports parking maneuvers by making suitable steering corrections. Ultrasonic sensors search for suitable parallel and perpendicular parking spaces. For perpendicular parking spaces (forwards and backwards), the ideal parking path is calculated; for parallel parking spaces, the ideal entry and exit paths are calculated. The system takes over the steering. The driver only needs to follow the instructions on the display to change gears, accelerate, brake, and monitor the parking process.)
- Seat covers in Valcona leather with S embossing (seat center panel, seat side bolsters, headrests and front center armrest in black Valcona leather with contrast stitching in rock grey or in rotor grey Valcona leather with contrast stitching in anthracite - S embossing in the backrests of the front seats)
- Seats: Front sports seats (with manual adjustment of seat height, seat longitudinal position, seat tilt, backrest tilt, headrest height and distance and belt height with pronounced seat side bolsters for better lateral support in curves, extendable thigh support and electric 4-way lumbar support)
- Stationary climate control comfort (cools or heats the interior to a desired temperature before driving, ensuring climate comfort from the moment you enter the vehicle. Additionally, seat heating and ventilation, steering wheel heating, and glass surface heating can also be activated before driving if these optional features have been selected. Programmable or activatable via MMI or smartphone app, regardless of whether the vehicle is charging at the time.)
- Steering wheel: Leather steering wheel, 3-spoke, with multifunction and paddle shifters (paddle shifters allow manual changing of the driving modes.)
- Telephone: Smartphone interface (The smartphone interface (Android Auto and Apple CarPlay) connects your smartphone to your Audi and seamlessly displays your smartphone content directly on the MMI display. Navigation, telephony, music, and selected third-party apps can be conveniently controlled via the MMI touchscreen and voice control. The connection can be established either using a suitable USB cable or wirelessly.)
- Package: Ambient Lighting Package Plus (Six predefined color profiles are available for customization. An interactive and an individual color profile can also be activated. The interactive color profile is controlled by the respective Audi drive select modes. The individual color profile allows you to select from 30 colors. The contour and ambient lighting are adjusted separately.)
- Package: Interior S line (Sport seats in front, microfiber Dinamica/ leather combination with contrast stitching and S embossing on the seatbacks - Sport leather steering wheel with multifunction and shift paddles, including perforated leather steering wheel grips, S line emblem and chrome trim - Comfort center armrest in front - Decorative inlays in matt brushed dark aluminum - Door sill trims with aluminum inlay front/rear, illuminated, with S lettering at the front - Headliner in black fabric - Floor mats front and rear with contrast stitching - Stainless steel pedals)
- Radio accessories: USB ports with charging function in the rear (two USB-C ports with charging function in the rear in addition to two interfaces in the first row of seats)
- Reversing camera (image of the area behind the vehicle displayed on the MMI screen. Dynamic display elements such as a steering angle-dependent lane guidance assist with parking and maneuvering. The reversing camera is discreetly integrated into the tailgate handle. Activation is achieved by engaging reverse gear, via a button in the center console, or a button on the upper screen, provided the distance indicator is displayed.)
- Telephone: Audi Phone Box (universal Bluetooth interface - convenient, integrated hands-free system - telephone storage in the front center armrest area with dimensions 170 x 87 mm - charging option via USB port or wireless charging (Qi standard) - forget-to-charge warning - charging status indicator in the MMI touch display - coupling antenna for connecting the mobile phone to the external antenna for improved reception quality - LTE support)
- Vehicle cable (The vehicle charging cable connects the control unit of the charging system to the vehicle and has a length of 4.5 m for the compact charging system and a length of 2.5 m for the connect charging system.)
- Wheel: Audi new car tire warranty
- Wheel: Light alloy wheels, 21" 5-arm aero structure, black metallic (9.5J x 21, 265/45 R21 tires. An offer from Audi Sport GmbH)

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. Lifting equipment and/or a pit were available for examining the vehicle.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.

Value reducing factors

No.	Component group	Description
1	Front bumper	Front bumper - Scratch(es) - Smart repair
2	Front axle	Axles / undercarriage (wegen der beschädigten Felgen) - Specify findings - Measure
3	Wheel / tyres	Alloy rim - front left side - Scratch(es) - Loss in value
4	Wheel / tyres	Alloy rim - front right side - Scratched - Loss in value
5	Bonnet	Bonnet - Scratch(es) - Paint
6	Wheel / tyres	Alloy rim - rear left side (+rechts-Materialabtrag) - Scratched - Loss in value
7	Vehicle glazing	Windscreen (kein Staubschutz) - Stone chips - repair according to calculation

Wear and tear

No.	Component group	Description
1	Body	Body - Scratch(es) - No deduction

The vehicle shows signs of wear and tear commensurate with its age and use.

Missing parts

Description

Equipment - Tirefit complete

Previous damages

No.	Previous damage	Extent of damage (Net)
1	Side - left, Provided by user / customer, from 16 Sept 2025	1.693,86 €

Repainting

No.	Repainting
1	Door - rear left side, Door - front left side, Professionally carried out

Paint coat thickness measurement

Door - rear left side	193 µm	Door - front left side	166 µm
-----------------------	--------	------------------------	--------

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
(Delivery by third-party service providers)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
(Functional testing of driver assistance systems is not included in the scope of services!)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

According to available information previous damages were repaired at the vehicle. Traces of repairs, which allow conclusions about the area of repair, were not recognizable during the inspection.
