

Expertise

Protocol number: 46473394
Order No. / Reference: 26656866
Inspection date: 13 Jul 2026

Manufacturer: Mercedes-Benz
VIN: W1N9N0BB1PJ072751

Model: EQA 250 Progressive

Vehicle details	
Manufacturer / Type / Model / Equipment	
Mercedes-Benz EQA 250 Progressive	
Vehicle Identification number	W1N9N0BB1PJ072751
Mileage (Read)	51,551 km
First registration	10 May 2023
Number of holders	1
Next periodical technical inspection	05/2028
(Report on hand)	
Power / Engine displacement	140 kw /
Fuel type / Cylinder	Electric / 0
Gearbox / Number of gears	Direct drive / 1
Type of drive	Front drive
Type of vehicle	SUV
Colour / colour code	Kosmoschwarz Metallic
Doors / Seats	5 / 5
Upholstery type	Cloth / leather combination
Colour of upholstery	Black-Grey
Vehicle with smoke odor	no

Vehicle details

Maintenance booklet / proof	digital proof / complete	Next maintenance in	24 Tag(e)
Last service on / at	07/2025 at 38,038 km		
Key is / should be	2 / 2	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	GS710417
Previous damage / Accident	None detectable	Repainting	None detectable
Inspection conditions	sufficient	Lifting equipment / pit	yes
Test drive	Not performed	Engine function test	Performed
Manufacturer key number/ type code number	2222 / BJW 00008		
Emission standard	2017/1151;WLTP;reine Elektrofz	fine dust sticker	
Permitted total weight	2,470 kg	Empty weight	

Tyres

Mounted tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	235/55 R18 100V	Summer tyres on Light alloy	Continental	6mm / 6mm
2)	235/55 R18 100V	Summer tyres on Light alloy	Bridgestone	7mm / 7mm

Additional tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	235/55 R18 104H	Winter tyres on Light alloy	Pirelli	7mm / 7mm
2)	235/55 R18 104H	Winter tyres on Light alloy	Pirelli	7mm / 7mm

Replacement

Typ	Tyre size	Type of tyre	Manufacturer	Tread depth
	Tirefit	Expiration date 02/2028		

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- Storage compartment in center console with roller blind (The roller blind for the storage compartment in the center console offers you an elegant privacy screen made of high-quality material. This looks good, the interior appears even tidier, and everything important is within easy reach. Typical everyday items such as a smartphone, wallet, or various keys fit into the practical storage compartment.)
- Active Lane Keeping Assist
- Acoustic environmental protection (To ensure that your vehicle does not become a danger to pedestrians and cyclists even when driving purely electrically and almost silently, the acoustic environmental protection generates a Mercedes-Benz specific sound outside the vehicle up to a speed of 30 km/h.)
- Anti-lock braking system (ABS)
- Rear armrest
- ATTENTION ASSIST
- Electrically adjustable exterior mirrors
- outdoor thermometer
- Roof rails in polished aluminum
- Third brake light in LED technology
- EASY-Pack tailgate with electric operation for opening and closing
- Velour floor mats in black
- Speed Limit Assist (The Speed Limit Assist makes it easy for you to comply with the regulations and avoid unnecessary speeding tickets. The system shows what is permitted: It can detect the current speed limit via the camera and display it in the instrument cluster. Additional restrictive signs for special weather conditions such as wet conditions are also detected.)
- Communication module (LTE) for the use of Mercedes me connect services (communication module with permanently installed SIM card of the mobile communications standard LTE - two mobile communications antennas)
- Chrome-look loading sill protector
- Charging system: Direct current charging system (DC charging) (For your optimal charging speed with a maximum of 100 kW)
- LED High Performance headlights (with high beam and low beam in LED technology, multifunctional light guide with daytime running lights, position lights and direction indicators, "Coming Home" function with blue welcome light and rear lights in LED technology with reduced glare)
- Navigation accessories: Extended MBUX functions (personalization (profiles) and prediction functions - LINGUATRONIC with natural language understanding - activation via "Hey Mercedes" - Wi-Fi hotspot - internet radio - pre-installation for office function in the vehicle (service can be used free of charge for 3 months from activation))
- Navigation accessories: Pre-installation for Live Traffic Information (With Live Traffic Information, your navigation system receives real-time traffic data and optimizes dynamic route guidance. Thanks to precise and up-to-date information on traffic jams, stop-and-go traffic, and more, you are supported in reducing travel times.)
- Adaptive Highbeam Assist
- Airbag for driver and front passenger
- Airbag: Kneebag for driver
- Airbag: Sidebag for driver and front passenger (combined thorax/pelvisbag)
- Airbag: Windowbags
- Active Brake Assist (Active Brake Assist can help avoid rear-end collisions with vehicles ahead, whether moving or stationary, as well as collisions with moving pedestrians and cyclists. In addition to distance and collision warnings, it primarily offers brake boosting – up to and including autonomous emergency braking.)
- Ambient lighting (Design the interior according to your personal preference or current mood. With a total of 64 colors, the ambient lighting offers almost unlimited possibilities for lighting design and has the right color for every situation. Illuminated door sills on the driver and passenger sides.)
- Color glass
- Double cup holder
- DYNAMIC SELECT
- Chassis: Comfort chassis with lowered suspension
- Electric windows, front and rear
- Luggage net on driver and passenger seatbacks
- Transmission: Direct drive
- rear window wiper
- Black fabric headliner
- Climate: THERMATIC automatic climate control (The THERMATIC automatic climate control regulates the temperature you set. Regardless of the season and outside temperature, you will always feel comfortable in the vehicle. This way you can remain focused even in the height of summer.)
- Headrests (5)
- Charging cable for wallbox and public charging stations, 5m, smooth (This charging cable, also called Mode 3 cable, allows you to charge the vehicle battery at the wallbox or at public charging stations with up to 11 kW (Type 2, 3-phase, 16 A).)
- Charging system: Alternating current charging system (AC charging) up to 11 kW (3-phase)
- Steering wheel: Multifunction sports steering wheel in 3-spoke design in black leather (with black decorative stitching and two-piece front trim in silver chrome)
- Mercedes-Benz Emergency Call System (The Mercedes-Benz Emergency Call System can provide a crucial time advantage in an emergency. A communication module with its own SIM card automatically triggers an emergency call upon detection of an accident, which can shorten the time until emergency services arrive. The emergency call can also be triggered manually to organize assistance.)

- Navigation: Hard drive navigation (Mercedes-Benz look and feel of the navigation system, all map data stored on the hard drive - fast hard drive navigation - destination input via touch function or voice control - route calculation including waypoints - numerous route options and avoidance options - 3D image of the upcoming driving maneuver and lane recommendation - easy switching between 2D and 3D views - compass - route recording function (prerequisite: a USB device is connected to the multimedia system))
- Package: Light and Sight Package (Overhead control unit with 4 light elements (including glasses compartment) - Interior light/reading light rear in mounting plate (rear/left/right) - Touchpad lighting (front) - Reading lights (front/left/right), console ambient light - Make-up lights (front/left/right) - Signal and ambient light - Exit signal light (front/left/right) - Footwell lighting (front/left/right) - Cupholder/storage compartment lighting)
- Radio accessories: Digital radio
- Radio accessories: Touchpad (integrated into the center console, including a hand rest - single and multi-finger gestures, swiping movements and zoom gestures by spreading and pinching the fingers - recognizes handwritten characters: letters, special characters and numbers - clear haptic feedback)
- Tire pressure monitoring (TPMS with individual wheel display in the instrument cluster - sensors installed in the wheels - send radio signals with information about pressure and temperature while driving)
- Wheels: 45.7 cm (18") alloy wheels, 4-spoke design (aerodynamically optimized, painted black and polished with 235/55 R 18 tires on 7.5 J x 18 ET 53.5)
- Reversing camera (with dynamic guidelines on the display)
- Windscreen wipers with rain sensor
- Seats: 4-way lumbar support for driver and front passenger
- Seats: Comfort seats (The comfort seat offers excellent long-distance comfort and comprehensive adjustments in length and height. You can also adjust the seat cushion angle and even extend it. The selection of upholstery and optional comfort features such as seat climate control or multi-contour seats is also impressive.)
- TIREFIT with tire inflation compressor
- High-visibility vest for drivers
- Immobiliser
- Central locking
- Navigation accessories: Pre-installation for remote and navigation services (Remote & navigation services bundle the basic services for EQ vehicles in one package: - Navigation optimized for Mercedes-Benz EQ - Range on Map (range display) - Display of charging stations (information about availability) - Programming of charging settings and pre-conditioning including remote query of charging status and range)
- Package: Cargo area (Chrome-look loading sill protector) Transport everyday and leisure items even more practically and safely. The cargo area package combines additional storage and connection options such as the 12V socket. Your car gains versatility and becomes a mini charging station. For example, it can power your cooler bag for shopping or a trip to the beach.)
- Package: Seating comfort (height adjustment for passenger seat - seat cushion tilt adjustment for driver and passenger seats - seat cushion depth adjustment for improved seating comfort through a 60 mm wider thigh support area - specific seat design)
- Upholstery: ARTICO leatherette/fabric
- Radio: MBUX multimedia system (instrument display with 17.78 cm diagonal - media display with 17.78 cm diagonal and touch function - touch control buttons on the steering wheel - radio - USB interface in the center console under the armrest - Bluetooth telephony with contact transfer and audio streaming of music files - display of vehicle functions (driver assistance systems, driving programs and vehicle settings) - favorites storage - smartphone-related voice control - activated by long press on the voice button on the steering wheel)
- Remote and Charging Services Premium (Pre-installation for Mercedes me Charge, Pre-installation for IONITY: discounted fast charging, Mercedes me communication module, Services (remote vehicle status query, programming of auxiliary heating/ventilation, remote door locking and unlocking, sunroof/windows with remote locking and opening including ventilation function, personalization, vehicle location, vehicle tracking, geographic vehicle monitoring, parking service monitoring, finder function, notification in case of exceeding the driving speed))
- Seats: Rear seat backrests foldable (40/20/40 split)
- Power outlet: 12V socket in the luggage compartment
- Cruise control (Drive relaxed and fuel-efficiently, especially on longer journeys. Simply select your desired speed and your vehicle will regulate it. In addition to the cruising speed, the speed limiter helps you maintain a maximum speed. This increases road safety and protects you from expensive speeding tickets.)
- Decorative elements spiral look

Extra equipment

- Towbar with ESP trailer stabilization
- Paint finish: Metallic
- Package: Connectivity Package Navigation (Hard drive navigation - pre-installation for navigation services)
- Heated windshield washer system (washer hoses and spray nozzles heated by coolant waste heat - at temperatures below +5 degrees Celsius, the heating system operates in an energy-saving manner and only draws as much power as is necessary to defrost and keep the cleaning system clear - washer fluid reservoir with a capacity of 5 liters)
- Pre-installation for digital key handover (Share your vehicle with friends and family members more easily than ever before – no matter where you are. You retain full control and decide conveniently via app whether you consent to its use. You can also unlock your vehicle remotely via the mobile application. Only then will a stored key be activated. Service is free of charge for 3 years from activation.)
- Interior headliner fabric crystal grey
- Package: Business Package DB5
- Wheels: 45.7 cm (18") alloy wheels, 4-spoke design, in conjunction with Night Package (aerodynamically optimized, painted black and polished with 235/55 R 18 tires on 7.5 J x 18 ET 53.5 rims)
- Heated seats for driver and front passenger
- Smartphone integration (consisting of Apple CarPlay and Android Auto)
- Traffic Sign Assist (driver assistance system for recognizing speed limits, entry and overtaking prohibitions, and their cancellation; detection of traffic signs via multifunction camera and display in the instrument cluster in real time and comparison with navigation data; helps the driver to comply with traffic regulations, increases driving safety; wrong-way driving warning function: with corresponding signage, visual and acoustic warning signal when entering a road against the prescribed direction of travel)

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. Lifting equipment and/or a pit were available for examining the vehicle.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.

Value reducing factors

No.	Component group	Description
1	Boot lid / rear door	Boot lid - dent(s) - Smart repair

Wear and tear

No.	Component group	Description
1	Vehicle glazing	Windscreen - Stone chips - No deduction
2	Roof	Roof - dent(s) - No deduction

The vehicle shows signs of wear and tear commensurate with its age and use.

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
(Delivery by third-party service providers)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
(Functional testing of driver assistance systems is not included in the scope of services!)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

No apparent prior damage that had been repaired could be found on the vehicle.

Comments

- Winterradsatz ist kein Bestandteil des Auslieferungsumfangs.
