

Expertise

Protocol number: 46515012
Order No. / Reference: 26605445
Inspection date: 1 Jul 2026

Manufacturer: Audi
VIN: WAUZZZFZ8PP034533

Model: Q4 e-tron 40

Vehicle details	
Manufacturer / Type / Model / Equipment	
Audi Q4 e-tron 40	
Vehicle Identification number	WAUZZZFZ8PP034533
Mileage (Read)	36,938 km
First registration	3 Mar 2023
Number of holders	1
Power / Engine displacement	70 kw / 0 ccm
Fuel type / Cylinder	Electric / 0
Gearbox / Number of gears	Direct drive / 1
Type of drive	Rear drive
Type of vehicle	Station wagon
Colour / colour code	Geysirblau
Doors / Seats	5 / 5
Upholstery type	Leather
Colour of upholstery	Black

Vehicle details

Maintenance booklet / proof	digital proof / complete	Next maintenance in	11 Monat(e)
Last service on / at	12/2025 at 28,879 km		
Key is / should be	2 / 2	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	GS420642
Previous damage / Accident	None detectable	Repainting	None detectable
Inspection conditions	sufficient	Lifting equipment / pit	No
Test drive	Not performed	Engine function test	Performed
Manufacturer key number/ type code number	0588 / BZK 00068		
Emission standard	2017/1151;WLTP;reine Elektrofz	fine dust sticker	
Permitted total weight	2,640 kg	Empty weight	

Tyres

Mounted tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	235/55 R19 101T	Summer tyres on Light alloy	Hankook	5mm / 5mm
2)	255/50 R19 103T	Summer tyres on Light alloy	Hankook	5mm / 5mm

Additional tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	235/55 R19 105V	Winter tyres on Light alloy	Dunlop	7mm / 7mm
2)	255/50 R19 107V	Winter tyres on Light alloy	Dunlop	6mm / 6mm

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- Airbag for driver and front passenger (with front passenger airbag deactivation)
- Acoustic vehicle warning system (generating a warning tone to increase traffic safety for pedestrians and cyclists)
- Anti-lock braking system (ABS)
- Audi connect Emergency Call and Service (In the event of a serious accident, an automatic emergency call is triggered to the Audi emergency call center. Using the automatically transmitted vehicle information, help can be organized as quickly as possible. Even in the event of a breakdown or minor accident, immediate assistance is available via the online breakdown call and the Audi damage service. Includes the following services: - legal emergency call - Audi connect emergency call - online breakdown call - Audi damage service)
- Audi pre sense front (within system limits, uses a front radar to detect the area in front of the vehicle and warns the driver with visual and acoustic signals to indicate a potential hazard from vehicles ahead, whether moving or stationary – pedestrian and cyclist detection registers, within system limits, when a pedestrian or cyclist is moving on or crossing the road. The system then warns the driver with an acoustic and visual signal)
- On-board tools (in the luggage compartment)
- Third brake light (in LED technology)
- Fabric headliner
- Aluminum roof rails
- Tachometer
- Rear parking aid (supports reversing by acoustically indicating the distance to a detected object behind the vehicle; measured by discreetly integrated ultrasonic sensors in the bumper, active when reverse gear is engaged)
- Front and rear floor mats (made of velour in black)
- Transmission: 1-speed direct drive
- Interior lighting (LED roof module front/rear - trunk light left - illuminated glove compartment - storage compartment center console front)
- Automatic climate control (1-zone automatic climate control - electronically regulates air temperature, quantity and distribution - sun position-dependent control - automatic recirculation control - dust and odor separating allergen filter - separate defroster button for faster defrosting of the front and side windows)
- Combo 2 (EU) charging socket (charging access to the high-voltage battery via Combined Charging System Type 2 (CCS 2), i.e., a combined AC and DC charging access. The DC charging access enables high-power charging. - Charging access via AC (Mode 2 and Mode 3) - Charging access via DC charging stations (Mode 4))
- LED headlights (daytime running lights - low beam - high beam - position lights - turn signals - tourist lights (adjustable light pattern for right- or left-hand traffic) - headlight range control (automatic compensation for vehicle load))
- Airbag: Front side airbags, with head airbag and interaction airbag in the front (front side airbags integrated into the seatbacks. With head airbag system: deploys in front of the side window area and can thus protect front and outer rear passengers in the event of a side impact.)
- Audi connect Remote & Control for MMI plus and pro (The services of Audi connect Remote & Control connect the vehicle to the smartphone. With the myAudi app, the vehicle can be accessed remotely, and its last parking location and current vehicle status can be viewed. This includes, among other things, the current electric range, the current charge level, and the current mileage. Audi connect Remote & Control for MMI basic includes the following services: - Parking location - Vehicle status - Remote charging control - Remote climate control)
- Evasive Steering Assist and Turning Assist (The Evasive Steering Assist can help the driver steer the vehicle around an obstacle in an evasive situation deemed critical. If the driver actively avoids the obstacle after the acute warning, the Evasive Steering Assist supports them by selectively braking the wheels and applying a small steering torque to correct the steering angle.)
- Electrically adjustable/heated exterior mirrors (left aspherical, right convex - housing painted in body color - with integrated LED side indicators - including heated windscreen washer nozzles)
- Decorative insert in black haptic lacquer (for inserts in the instrument panel; accent surfaces in the instrument panel and trim in the center console in silver effect lacquer; haptic lacquer consists of approx. 50 % aus renewable raw materials.)
- Electronic Stability Control (ESC)
- Chassis: Comfort chassis (with balanced tuning, for very good ride comfort combined with good driving dynamics)
- rear window wiper
- Interior mirror dimming
- i-Size child seat attachment on the front passenger side, i-Size and Top Tether on the outer rear seats (standard mounting for the practical attachment of i-Size and ISOFIX child seats; including additional attachment points (Top Tether)).)
- Comfort center armrest in the front (adjustable in tilt and longitudinally movable)
- Headrests (5) (height adjustable front and rear)
- Mode 3 charging cable for public charging (charging cable for charging at public AC charging stations (Type 2). The cable connects the charging station to the vehicle's AC charging port. A current of up to 32 A can be transmitted per phase.)
- LED taillights (The light signature is a visible identifying feature to the rear. The LED taillights impress with faster activation of the taillights and brake lights, thus enabling earlier detection by following traffic. The LED taillights include: - Turn signals - Brake lights - Taillights - License plate lights - Reversing lights in white)
- Light and rain sensor
- Model name and performance/technology lettering

- Steering wheel: Double-spoke leather steering wheel with multifunction (For convenient operation of the extensive standard and optional infotainment features, the steering wheel is equipped with multifunction buttons with touch control. Height and reach of the steering wheel are manually adjustable.)
- Package: Gloss package (horizontal window trim strips in anodized aluminum)
- Upholstery: Fabric Index
- Wheel: Tire pressure monitoring system (visual and audible warning in case of pressure loss in one or more wheels - display in the driver information system)
- Radio: MMI Radio (high-resolution 10.1-inch color display including MMI touch operation - 10.25-inch digital instrument cluster - Audi music interface with 2 USB-C ports - Bluetooth interface (hands-free calling and audio streaming) - 4 passive speakers - AM/FM phase diversity - 1 x USB Type-A interface for charging external devices - DAB+ - speed-dependent volume adjustment - voice control system with natural language for controlling infotainment and vehicle functions - WLAN hardware)
- Lane Departure Warning (within system limits, helps prevent unintentional lane departures. If the system is activated and ready, and the driver has not used the turn signal, the Lane Departure Warning helps prevent crossing detected lane markings by making corrective steering interventions. Additional steering wheel vibration can be set at the driver's request. Operating range from approximately 60 to a maximum of 250 km/h)
- 12-volt socket (12-volt on-board power socket and 2 x USB-C ports for charging devices)
- First aid kit with warning triangle (warning triangle - first aid kit - 2 high-visibility vests)
- Camera-based traffic sign recognition (Camera-based traffic sign recognition assists with driving by displaying traffic signs detected within the system's boundaries, such as speed limits, no-overtaking zones, and temporary speed restrictions, which are within the detection range of the front camera. Within the system's boundaries, the system recognizes the beginning and end of highways, expressways, towns, and traffic-calmed areas.)
- On-board charger up to 11 kW (AC) (The Audi e-tron can be charged with a maximum alternating current (AC) charging capacity of up to 11 kW as standard. The on-board charger integrated into the vehicle sets the AC charging capacity, which is limited to 11 kW. The AC/DC converter converts alternating current (AC) to direct current (DC) during the charging process to charge the high-voltage battery.)
- Wheel: Steel wheels 8.0 J x 19" (with tires 235/55 / 255/50 R 19 - incl. wheel cover)
- Power steering
- Seats: Standard front seats (with manual adjustment of seat height, seat longitudinal position, backrest angle, headrest height and seat belt height)
- Seats: Rear seat backrest foldable (split, in a 40:60 ratio or fully foldable)
- Seats: Front seats manually adjustable
- Speed limiter without cruise control and without adaptive cruise control (allows individual limiting of the maximum speed from 30 km/h, e.g., within built-up areas. When the set limit is reached, the vehicle's speed is gently reduced. Operation is via a separate steering column stalk. The set maximum speed is displayed in the driver information system. The limit can be overridden at any time by kick-down.)
- Stationary climate control (With the standard stationary climate control, it is possible to cool the interior in summer before starting the journey or to preheat it in winter. The stationary climate control can be specifically scheduled and started by entering a departure time immediately before the start of the journey. The functions can be programmed and activated via the MMI in the vehicle and can be conveniently switched on with the myAudi app.)
- Electronic immobilizer
- Green heat-insulating glazing (green tinted - for rear window, door and side windows - rear window heated, with timer)
- Central locking

Extra equipment

- Audi connect Navigation & Infotainment plus (e-tron route planner - Online points of interest - On-street parking - Online traffic information - Hazard information - Online traffic sign information - Weather information - Wi-Fi hotspot - Online news - User profiles - Navigation with Google Satellite Map - Online search for navigation destinations - Online voice input - Online traffic information plus - Highly detailed 3D city display - Online radio - Hybrid radio - Amazon Alexa integration)
- Front seat heating (heats seat and backrest center section (standard seats in fabric), otherwise seat and backrest center section as well as seat side bolsters - individually adjustable in 3 stages for driver and front passenger via direct selection button on the climate control unit)
- Navigation: MMI Navigation plus (11.6-inch MMI Navigation plus with MMI touch including Audi connect Navigation & Infotainment - camera-based traffic sign recognition - 10.25-inch Audi virtual cockpit with two display options "Classic" and "Sport" - voice control)
- Package: Comfort package (electrically adjustable, heated and folding exterior mirrors, automatically dimming on both sides, with integrated LED turn signals and curb view function for the passenger-side exterior mirror, aspherical mirror glass on the left, convex on the right, including heated windshield washer nozzles - automatically dimming, frameless interior mirror - 4-way lumbar support for the front seats - projection lights in the exterior mirrors)
- Package: S line interior with sport seats in black leather/leatherette combination (sport seats front - leather/leatherette mono.pur 550-Kom.S embossing in black leather - dual leather multifunction steering wheel, chrome-look applications, S emblem - ambient lighting package in white light - illuminated door sills with aluminum inlays, S lettering - aluminum decorative inlays - glossy black accent surfaces - aluminum look in the interior - stainless steel pedals - front/rear door armrests - black fabric headliner - rear seat backrest split 40:20:40 or fully foldable, with center armrest.)
- Panoramic glass roof (The two-part panoramic glass roof has extra-large, tinted glass surfaces. They lend the interior of the Audi Q4 e-tron an exclusive atmosphere and underscore the progressive design of the interior with a pleasant lighting mood. When open, the panoramic glass roof also ensures a refreshing interior climate. An integrated wind deflector reduces wind noise when the roof is open.)
- Deletion of model designation and performance/technology lettering
- Package: Ambient Lighting Package
- Package: Assistance package plus
- Package: Climate Control Package (The 3-zone automatic climate control electronically regulates the air temperature, volume, and distribution. An additional function is the sun-position-dependent control. The temperature settings for the driver and front passenger sides can be adjusted separately. Separate temperature control and air vents are available in the rear. The 3-zone automatic climate control features automatic recirculation in combination with a dust- and odor-removing cabin air filter. The comfort stationary climate control cools or heats the interior.)
- Package: Function package (storage and luggage compartment package, consisting of: - storage nets on the back of the front seat backrests - comfort cupholders in the front with clamping elements - lockable glove compartment - luggage compartment net (spider) - 12-volt socket in the luggage compartment - variable loading floor (folding 40:60) including luggage compartment cover that can be stowed under the loading floor - removable luggage compartment partition net for attachment to the body or fixing to the folding rear seat backrest)
- Package: Smartphone package in conjunction with MMI Navigation plus (Audi phone box (Bluetooth, inductive charging function) - Smartphone interface - 12-volt on-board power socket and 2 USB-C ports for charging devices)
- Paint finish: Metallic
- Radio accessories: SONOS Premium Sound System
- Reversing camera (image display of the area behind the vehicle on the MMI display).
- Steering wheel heating
- Steering wheel: Double-spoke leather sports steering wheel, flattened at the top and bottom, with multifunction controls and paddle shifters (The double-spoke leather sports steering wheel, flattened at the top and bottom, impresses with its sporty look and feels good in the hand. The height and reach of the steering wheel are manually adjustable.)
- Wheels: Light alloy wheels (4 pieces) in 5-arm (size front: 8.0 J x 19 with tires 235/55 R 19, size rear: 8.0 J x 19 with tires 255/50 R 19)

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. No lifting equipment or pit was available for inspecting the vehicle. Therefore, inspection of the vehicle's underside was only possible to a limited extent.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.

Value reducing factors

No.	Component group	Description
1	Front bumper	Grille - Scratch(es) - Smart repair
2	Front bumper	Front bumper - Scratch(es) - Smart repair
3	Rear bumper	Rear bumper - Scratch(es) - Smart repair
4	Vehicle glazing	Windscreen - Broken / torn - Replace

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
(*Delivery by third-party service providers*)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
(*Functional testing of driver assistance systems is not included in the scope of services!*)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

No apparent prior damage that had been repaired could be found on the vehicle.

Comments

- Der beiliegende Winterradsatz ist kein Bestandteil des
Auslieferungsumfangs.
