A screenshot of the Car-Pass web interface. At the top, there is a header bar with a checkmark icon on the left and the text "Système d'assistance de conduite: commutateur de sensation de conduite" in the center, and another checkmark icon on the right with the text "éclairage". Below the header, there is a "Show more +" button. The main content area is divided into two sections. The first section is titled "OTHER NOTES" and contains the text "Oil OK // Cooling fluid OK // Brake fluid OK // <https://public.car-pass.be/vhr/74f8a334-17e4811-a250-17eb19be8a0c>". The second section is titled "CAR DAMAGES (4)" and includes an information icon and the text "Some damages have more than one photo to identify the imperfection". Below this text are four buttons labeled "Front body", "Left body", "Rear body", and "Right body", each with a small car icon below it.
