Damage Overview

✓ **No issues reported**

Our data shows **no damage or accident records** for this vehicle.

Keep in mind

CARFAX only reflects information that's been reported to us.

While having no reported damage is a positive sign, it's still important to take a close look at the vehicle during your test-drive:

- Small details can sometimes hint at past repairs. Keep an eye out for paint inconsistencies or uneven panels.
- Don't hesitate to ask the seller for additional details or service documentation.

Mileage Check

Date | Mileage
2022-10-28 | 41,322 km

✓ **No issues indicated:** The reported odometer readings have a logical progression. There are no indications of manipulation. Unfortunately, we cannot guarantee this, so we always recommend critically questioning the odometer readings, e.g. on signs of wear, the number of oil changes, or the average kilometers driven per year.

Owners BETA

Owner 1 in Italy

Purchase year: **2018**

Length of use: **7 years 7 months**

There is no more information available about this owner.

CARFAX Glossary

CO2 Emissions

CO2 is an abbreviation for carbon dioxide, a gas that is emitted from a vehicle as a result of fuel combustion. The quantity of carbon dioxide released in the exhaust gases is a good measure of the amount of fuel a car is burning. That quantity is measured by the number of grams of CO2 released into the air for every kilometer that is driven.

Number of records

A CARFAX record refers to a specific incidence and date in the history of the vehicle. Please note that the history of younger vehicles tends to have fewer entries. CARFAX continuously works on getting more data sources and historical information in order to enrich the report

Quick Check

A snapshot of the information CARFAX has abstracted from our extensive database to determine whether a vehicle has been reported stolen, reported scrapped, publicly imported or ever used for non-personal purposes. This summary is based upon all the information supplied to CARFAX from various sources. Additional information about this vehicle, including these potential problems, may exist and may not have been reported to CARFAX.

Vehicle reference

User-provided value to identify the vehicle during the CARFAX Vehicle History Report retrieval process and to confirm vehicle identity on the report itself.

How to use this report

This history is based on data reported to us and available upon request. Gaps and errors cannot be excluded. Use CARFAX in combination with a test drive and inspection by experts. We process personal data only in accordance with applicable regulations. Conclusions on owners are not possible at any time. Read more in our [Terms and conditions](#).
