

Expertise

Protocol number: 46304111
Order No. / Reference: 26672616
Inspection date: 3 Jul 2026

Manufacturer: Mercedes-Benz
VIN: W1K6G6KB3TA365574

Model: S 580e 4Matic L 9G-TRONIC

Vehicle details	
Manufacturer / Type / Model / Equipment	
Mercedes-Benz S 580e 4Matic L 9G-TRONIC	
Vehicle Identification number	W1K6G6KB3TA365574
Mileage (Read)	9,574 km
First registration	19 Nov 2025
Number of holders	1
Next periodical technical inspection	11/2028
(Report not on hand)	
Power / Engine displacement	270 kw / 2,998 ccm
Fuel type / Cylinder	Hybr.B/E ext.aufll / 6
Gearbox / Number of gears	Automatic / 9
Type of drive	All-wheel drive
Type of vehicle	Saloon car
Colour / colour code	OBSIDIANSCHWARZ - METALLICLACK
Doors / Seats	4 / 4
Upholstery type	Leather
Colour of upholstery	Brown-Black

Vehicle details

Maintenance booklet / proof	Non-existent	Next maintenance in	145 Tag(e)
Key is / should be	2 / 2	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	HQ445991
Previous damage / Accident	None detectable	Repainting	None detectable
Inspection conditions	sufficient	Lifting equipment / pit	yes
Test drive	Not performed	Engine function test	Performed
Manufacturer key number/ type code number	2222 / BEL 04677		
Emission standard	EURO6;WLTP;EB;PI/CI;M, N1, N2	fine dust sticker	
Permitted total weight	3,070 kg	Empty weight	

Tyres

Mounted tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	255/40 R20 101Y	Summer tyres on Light alloy	Bridgestone	6mm / 6mm
2)	285/35 R20 104Y	Summer tyres on Light alloy	Bridgestone	6mm / 6mm

Additional tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	255/45 R19 104V	Winter tyres on Light alloy	Hankook	6mm / 6mm
2)	255/45 R19 104V	Winter tyres on Light alloy	Hankook	7mm / 7mm

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- Exhaust system
- Airbag for driver and front passenger
- Airbag: Automatic passenger airbag deactivation
- Airbag: Windowbag for driver and front passenger
- Ambient lighting
- Traction control (ASR)
- Electrically folding exterior mirrors
- Tachometer
- Third brake light in LED technology
- Stainless steel door sill trims at the front and rear with "Mercedes-Benz" lettering
- Suspension: AIRMATIC
- Electric parking brake with comfort function
- Velour floor mats in interior color
- Luggage nets in the trunk, left and right
- GUARD 360° burglar-resistant laminated safety glass with all-around heat and sound insulation
- LED taillights
- Interior and exterior mirrors on the driver's side automatically dimming
- Climate: 2-zone automatic climate control THERMOTRONIC
- Radiator shroud with chrome surround and three horizontal crossbars
- Charging system: AC charging system 11kW
- Steering wheel: Multifunction steering wheel in Nappa leather
- Steering: Direct steering
- Mercedes-Benz emergency call system
- MULTIBEAM LED
- Navigation: MBUX Navigation Premium
- Otto particulate filter
- Package: Cargo space
- Package: Parking package with reversing camera
- Radio: MBUX multimedia system
- Radio accessories: Burmester 3D surround sound system
- Radio accessories: Digital radio (DAB)
- Radio accessories: OLED central display
- Radio accessories: Sound personalization
- Remote Services Plus
- Remote and Charging Services Plus
- Windscreen wipers with rain sensor and two sensitivity levels
- S-Class seat belts
- Seats: Heated rear seats
- Seats: Front seats electrically adjustable
- 12V sockets in the center console, front and rear, and in the trunk
- Phone accessories: Smartphone integration
- Ambient lighting with projection of the brand logo
- High-visibility vest for drivers
- Heat-insulating glass for side and rear windows as well as windshield
- ADAPTIVE BRAKE with hill start assist, HOLD function, pre-filling and drying braking in wet conditions
- Airbag: Side airbag for driver and front passenger
- 4MATIC all-wheel drive
- Anti-lock braking system (ABS)
- ATTENTION ASSIST
- Left and right exterior mirrors are heated and electrically adjustable
- DYNAMIC SELECT for selecting the different driving programs
- Electronic Stability Program (ESP)
- Vehicle key in high-gloss black with matte chrome trim.
- Fingerprint scanner
- Luggage net in the passenger footwell
- Transmission: 9-speed automatic, 9G-TRONIC
- Lockable, air-conditioned and illuminated glove compartment
- Heated rear window with timer
- Black fabric headliner
- Map pockets on the driver's and passenger's seatbacks
- Remote trunk lid closing
- Rear headrests (3)
- Charging cable for household socket, 5m, smooth
- Charging cable for wallbox and public charging station, 5m, smooth, 11kW
- Electrically adjustable steering column with EASY-ENTRY system
- Reading lights
- Center console glass look black
- Navigation accessories: MBUX Augmented Reality for navigation
- Package: Driver Assistance Package
- Package: Memory
- PRE-SAFE Impulse Page
- Radio accessories: 2 USB-C ports in the front, 2 USB-C ports in the rear
- Radio accessories: Communication module (LTE) for using Mercedes me connect services
- Radio accessories: Pre-installation for MBUX Entertainment
- Wheels: Tire pressure monitoring system (TPMS)
- Crosswind Assist
- Servo closing
- Seats: i-Size child seat attachment
- Seats: Heated front seats
- 12V socket in the passenger footwell
- Phone accessories: Wireless charging system for mobile devices
- Cruise control with variable speed limiter SPEEDTRONIC
- Traffic Sign Assistant
- Electronic immobilizer
- Decorative elements, poplar wood, anthracite, open-pore

Extra equipment

- Adaptive rear lighting (You can adjust the interior light's brightness and color temperature entirely to your taste and preferences. LED spotlights can also be individually positioned as desired. Sparkling adaptive rear light strips complement the lighting functions and enhance the overall lighting quality.)
- Active ambient lighting (ambient lighting in 64 static colors, individually selectable - high-quality black panel light strip with a total of approx. 250 integrated and individually controllable LEDs - diverse color moods, also with static or multi-colored animated gradients - additionally, driver assistance systems are integrated and visually supported: Blind Spot Assist, Lane Keeping Assist, Brake Assist - variable brightness setting with automatic day/night switching)
- ENERGIZING AIR CONTROL (Air quality sensor and one fine dust sensor each for indoor and outdoor use - Fine dust filtration with 2 filters - Activated carbon-based indoor air filter with filter layers against fine dust (PM2.5) and nitrogen oxides (NOx) or sulfur dioxides (SO2) as well as pollen - Automatic recirculation or fresh air switching depending on the measured air quality, taking into account the overall climate comfort control system - Air quality menu in the MBUX multimedia system to illustrate the measured values)
- Interior headliner microfiber MICROCUT black
- KEYLESS-GO with flush-mounted door handles (KEYLESS-GO access and drive authorization system - electronic vehicle key: communicates with the vehicle in the immediate vicinity of the door, the system electrically extends the flush-mounted handles and unlocks the vehicle when a hand touches the door handle - automatic retraction of the door handles when driving off or when the doors lock)
- THERMOTRONIC automatic climate control in the rear
- Cooling compartment (The removable cooling compartment fits harmoniously into the rear armrest and has a capacity of 10 liters.)
- Steering: Rear-axle steering (At speeds below 60 km/h, the rear wheels steer in the opposite direction to the front wheels – when parking, by up to 4.5° against the front axle angle. Above speeds of 60 km/h, the rear wheels steer up to 3° in the same direction as the front wheels.)
- Center console glass look black dotted lines
- Package: AMG Line (AMG pedal assembly in brushed stainless steel with rubber studs, AMG velour floor mats, multifunction sports steering wheel in Nappa leather in 3-spoke design, AMG Styling 48, 19-inch AMG light-alloy wheels in 5-twin-spoke design, aerodynamically optimized, painted tantalum grey and polished: front axle 255/45 R 19 on 8.5 J x 19 ET 31.5, rear axle 285/40 R 19 on 10 J x 19 ET 48.1)
- Package: ENERGIZING Package Rear Seats (Comfort programs: Warmth, Joy, Coziness, Freshness, Vitality - Training: Video instructions - Tips: Short audio information - Rear Seat Comfort Package - Rear Seat Climate Control - AIR-BALANCE Package for fragrance, ionization and air purification)
- Airbag: Beltbag (including sidebags in the rear)
- Airbag: Rear airbag (integrated into the backrests of the front seats and deployed in the event of a severe frontal collision. They inflate gently and protect buckled outer passengers from contact with the seat structure. This significantly reduces strain on the head and neck.)
- Brake system with larger brake discs on the front axle
- Designer seat belt buckles front and rear (They are framed in silver chrome and also attract attention visually. The seat belt buckle light pulses when you buckle up and remains illuminated when stationary and at low speeds.)
- DIGITAL LIGHT with projection function (HD system with projection module and background module MULTIBEAM LED Assistance projection of symbols such as guide lines and warnings Adaptive Highbeam Assist Plus (glare-free continuous high beam) ULTRA RANGE high beam with 650 m range Topography compensation Cornering light with roundabout and intersection function Active curve light with predictive control Extended fog light, city light, country road light, motorway light, motorway high beam and bad weather light Adaptive full-LED rear lights)
- Heated windshield in conjunction with burglar-resistant laminated safety glass with heat and sound insulation
- Seatbelt presenter in the rear (As soon as you have taken a seat in one of the outer rear seats and closed the door, your Mercedes automatically extends the seatbelt to you. After buckling up, the seatbelt presenter returns to its starting position.)
- Folding tables in the rear, mechanical (With the 2 high-quality folding tables upholstered in leather matching the interior color, the business console of the First-Class Rear interior can be transformed into a desk in seconds. The storage surfaces offer space for a notebook or work documents.)
- Additional trunk lid lock
- Paint finish: Metallic
- Steering wheel: Multifunction sports steering wheel in black Nappa leather
- MBUX Augmented Reality Head-Up Display (projects colored images virtually ten meters in front of the vehicle in the driver's field of vision - large display in 1,750 x 873 mm format - supports navigation with directional arrows and lane change recommendations, displays street names, house numbers and points of interest - alternatively, visualization of driver assistance systems with distance information from the Active Distance Assist DISTRONIC - automatic position adjustment for different drivers using the cameras in the 3D driver display)

- Package: Exclusive package in conjunction with AMG Line (seats upholstered in exclusive Nappa leather in a diamond design with perforation and decorative stitching, also covered in Nappa leather; elements: instrument panel including glove compartment, front center console, front/rear door trim, rear center armrest and grab handles; headliner and sun visors in DINAMICA microfiber; trim elements package; illuminated door sills with Mercedes-Benz lettering (front/rear illuminated on long-wheelbase versions); stainless steel trunk loading sill; chrome grab handle in the trunk floor; AMG floor mats)
- Package: Rear Seat Comfort Package in conjunction with MBUX High-End Rear Seat Entertainment and MBUX Rear Tablet (Maximum seating comfort in the rear: The multi-contour seats not only offer an optimal seating position, but also provide activating or relaxing massage programs. The integrated neck and shoulder heating in the additional cushion is also a real treat. - Multi-contour seats in the rear - Rear comfort headrests (6-way), electrically adjustable in height and fore/aft direction, manual tilt adjustment, with additional cushion - Neck and shoulder heating in the rear)
- Package: USB Package Plus (in addition to the 4 standard USB-C ports: 2 USB-C ports under the front center armrest, fast charging capable and suitable for data transfer; for S-Class five-seater: 2 USB-C ports under the rear center armrest, fast charging capable; for S-Class four-seater: 2 USB-C ports in the rear center console, fast charging capable - fast charging function for existing standard USB ports)
- Radio accessories: MBUX rear-seat tablet (Wi-Fi enabled tablet with 7.4" display, 1280 x 800 pixels, headphone jack via Bluetooth or 3.5 mm jack, docking station with charging function in the center armrest - MBUX remote control of the central display - direct access to (optional): MBUX multimedia system with TV, radio and media, telephony, rear climate control, seat massage, ambient lighting, mirroring of the rear displays including navigation display)
- Wheels: 50.8 cm (20") AMG multi-spoke light-alloy wheels (painted in Himalayan grey and polished with front axle tires 255/40 R 20 on 9 J x 20 ET 34, rear axle tires 285/35 R 20 on 10 J x 20 ET 48, 1)
- Wheels: Wheel lock set (for alloy wheels with 4 wheel locks and 1 key)
- Wheels: Run-flat tires
- Wheels: Winter complete set of M+S tires, 4-piece set, 48.3 cm (19") alloy wheels in a 5-twin-spoke design (vanadium silver painted with 255/45 R 19 tires on 8.5 J x 19 ET 31.5)
- Seats: Electrically adjustable rear seats including memory function (three-seater rear with two electrically adjustable outer comfort seats, backrest recline up to 37° - memory package in the rear - comfort headrests electrically adjustable in height and longitudinal direction with additional cushions - PRE-SAFE positioning function - center armrest with double cup holder and decorative element)
- Package: Chauffeur Package (including chauffeur position for the passenger seat, EASY ADJUST comfort headrests for driver and front passenger, foldable and removable on the passenger side, and electrically extendable footrest on the passenger side (not available with short wheelbase). The front passenger seat can be moved electrically up to 77 mm further forward. This makes traveling considerably more relaxed for the rear passenger. The noticeably larger footwell allows for a more comfortable resting position.)
- Package: ENERGIZING Package (front) (Comfort programs: Warmth, Joy, Comfort, Freshness, Vitality - Training: Video instructions - Tips: Short audio information - ENERGIZING COACH with individual program recommendations based on the evaluation of driving and vehicle data, as well as driver data (vital parameters) if required, and networking with common Garmin wearables - Multi-contour and seat climate control for driver and front passenger - 4-way lumbar support - Heat comfort package - AIR-BALANCE package for fragrance, ionization, and air purification)
- Package: Parking package with 360° camera (The Active Parking Assist makes it easier to find and select parking spaces, as well as to park and exit in parallel and perpendicular parking spaces or garages. The 360° camera transmits a realistic image to the multimedia system display, thus assisting with parking and maneuvering.)
- Package: Sun protection package (electric sunshade for rear window - electric sunshades in the rear doors, left and right)
- Package: Sun protection package in conjunction with panoramic sunroof (electric sunshade for rear window - electric sunshades in the rear doors left and right)
- Panoramic sliding sunroof with comfort and automatic rain closing (electric sunshade, anti-pinch protection and PRE-SAFE closing function)
- Upholstery: Exclusive Nappa leather
- Radio accessories: 2 wireless headphones (The wireless headphones impress with outstanding, three-dimensional sound and high wearing comfort. The active noise cancellation effectively eliminates ambient noise. Ideal conditions for soothing peace and quiet and first-class listening pleasure.)
- Radio accessories: MBUX High-End Rear Seat Entertainment (MBUX High-End Rear Seat Entertainment with two permanently integrated, high-resolution 11.6-inch touchscreens including Full HD camera and microphone, multi-touch operation, connection options for mini-HDMI, headphone jack (3.5 mm), Bluetooth - direct access even while driving to: MBUX multimedia system: TV/Radio/Media/Mercedes-Benz Apps, telephony, driving information: display of navigation, Mercedes me connect - mirroring of the display content including remote control on optional MBUX rear seat tablet)
- Wheels: Complete summer wheel sets fitted at the factory
- Seats: Executive seat on the passenger side with leg rest

- Telephone accessories: Business telephony in the rear (discreet telephony in the rear - connection of the mobile phone to the external antenna (on the rear telephone tray) - Bluetooth handset visible and integrated into the rear armrest within optimal reach - call transfer from the handset to the front hands-free system and vice versa - charging option via micro-USB port and via the storage compartment in the center console - 3.5 mm jack socket on the handset for headsets)
- Heat-insulating dark tinted glass all around from the B-pillar back
- Seats: First-Class Rear (The continuous business console transforms the rear into a mobile office with 2 individual seats. Two 12V sockets and temperature-controlled cupholders, as well as optional features such as folding tables, contribute to comfortable travel and working.)
- Seats: Calf massage in the rear
- Sun visors: Double sun visor
- Technical protection
- Telephone accessories: Car telephony (telephone module with SIM card reader (permanently installed) - supports HD Voice with optimized noise cancellation for crystal-clear voice quality - wireless, direct connection of the mobile phone to the external antenna - LTE-enabled Wi-Fi hotspot - wireless Wi-Fi pairing via NFC (Near Field Communication) technology)
- Telephone accessories: Multifunctional telephony (wireless connection of a compatible mobile phone to the external antenna - wireless charging for compatible mobile phones - Bluetooth and WLAN pairing wirelessly via NFC (Near Field Communication) technology)
- Decorative elements MANUFACTORY piano black flowing lines

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. Lifting equipment and/or a pit were available for examining the vehicle.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.

Value reducing factors

No.	Component group	Description
1	Door - rear right side	Door - Scratch(es) - Smart repair
2	Rear bumper	Rear bumper (Oberflächliche) - Scratch(es) - Conditioning
3	Door - rear left side	Door (Oberflächliche) - Scratch(es) - Smart repair
4	Wheel / tyres	Alloy rim - front right side - Scratch(es) - Loss in value
5	Front bumper	Front bumper - Scratched - Repair and paint

Wear and tear

No.	Component group	Description
1	Misc.	Inspection / maintenance - No evidence - No deduction

The vehicle shows signs of wear and tear commensurate with its age and use.

Missing parts

Description

2nd wheel set - Wheel cover set - complete

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
(Delivery by third-party service providers)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
(Functional testing of driver assistance systems is not included in the scope of services!)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

No apparent prior damage that had been repaired could be found on the vehicle.
