Information on the content and scope of the inspection report:

- The evaluation is based on the sales standards specified by the client.
- Acceptable wear and tear according to sales standards is not always documented in this condition report.
- The specified repair methods and/or resulting repair times were determined taking into account modern industrial repair methods.
- The reseller must assess individual repair costs.
- The inspection was carried out without dismantling. Macadam cannot be held responsible for any missing information. For further information, please contact the seller.
