

Expertise

Protocol number: 46367394
Order No. / Reference: 26663750
Inspection date: 3 Jul 2026

Manufacturer: Mercedes-Benz

Model: E 300de 4Matic 9G-TRONIC AMG Line Advanced Plus

VIN: W1KLF0KB1RA034861

Vehicle details	
Manufacturer / Type / Model / Equipment	
Mercedes-Benz E 300de 4Matic 9G-TRONIC AMG Line Advanced Plus	
Vehicle Identification number	W1KLF0KB1RA034861
Mileage (Read)	129,158 km
First registration	12 Mar 2024
Number of holders	1
Next periodical technical inspection	03/2027
(Report not on hand)	
Power / Engine displacement	145 kw / 1,993 ccm
Fuel type / Cylinder	Hybr.D/E ext.aufl / 4
Gearbox / Number of gears	Automatic / 9
Type of drive	All-wheel drive
Type of vehicle	Saloon car
Colour / colour code	Obsidianschwarz metallic
Doors / Seats	4 / 5
Upholstery type	Alcantara / Leather
Colour of upholstery	Black
Re-import	no
readiness to drive	Not roadworthy / moveable

Vehicle details

Maintenance booklet / proof	digital proof / complete	Next maintenance in	19,785 km
Last service on / at	05/2026 at 123,940 km		
Key is / should be	2 / 2	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	HB188129
Previous damage / Accident	Detectable	Repainting	Detectable
Inspection conditions	sufficient	Lifting equipment / pit	No
Test drive	Not performed	Engine function test	Performed
readiness to drive	Not roadworthy / moveable		
Manufacturer key number/ type code number	2222 / BPX 00013		
Emission standard	EURO6;WLTP;EA;PI/CI;M, N1, N2	fine dust sticker	
Permitted total weight	2,810 kg	Empty weight	

Tyres

Mounted tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	245/40 R20 99Y	Summer tyres on Light alloy	Pirelli	3mm / 3mm
2)	275/35 R20 102Y	Summer tyres on Light alloy	Pirelli	3mm / 3mm

Additional tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	245/45 R19 102H	Winter tyres on Light alloy	Pirelli	5mm / 5mm
2)	245/45 R19 102H	Winter tyres on Light alloy	Pirelli	5mm / 5mm

Replacement

Typ	Tyre size	Type of tyre	Manufacturer	Tread depth
	Tirefit	Expiration date 04/2029		

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- ABS - Anti-lock braking system with EBV (Electronic Brakeforce Distribution)
- Airbag for driver and front passenger
- Airbag: Automatic passenger airbag deactivation
- Airbag: Kneebag for driver
- Airbag: Center airbag (Additional airbag for increased front occupant protection in the event of a side impact)
- Active Distance Assist DISTRONIC (You won't want to miss the comfort of Active Distance Assist DISTRONIC in flowing and stop-and-go traffic - The system relieves you by automatically adjusting the speed to slower vehicles ahead - The desired target distance can be set in several stages)
- 4MATIC all-wheel drive
- Ambient lighting plus
- ATTENTION ASSIST (can detect typical signs of fatigue through driver behavior and warn the driver of increasing fatigue or inattentiveness)
- Tachometer
- Electronic Stability Program (ESP)
- Chassis: AGILITY CONTROL chassis with selective damping system
- Electric windows (4-way)
- Pedestrian protection
- Transmission: 9-speed automatic, 9G-TRONIC
- Interior and exterior mirrors automatically dimming
- KEYLESS-GO with flush-mounted door handles (KEYLESS-GO access and drive authorization system - electronic vehicle key: communicates with the vehicle in the immediate vicinity of the door, the system electrically extends the flush-mounted handles and unlocks the vehicle when a hand touches the door handle - automatic retraction of the door handles when driving off or when the doors lock - lighting on the flush-mounted door handles)
- Paint finish: Metallic
- Charging cable for household socket, 5m, smooth (This charging cable, also called Mode 2 cable, allows you to charge the vehicle battery at the household socket with up to 1.8 kW (230 V, 1-phase, 8A) and fits sockets of type E/F CEE 7/7)
- Charging system: AC charging system 11kW (More flexibility: With the powerful AC charging system, you can charge your plug-in hybrid quickly and easily with up to 11 kW (3-phase) or 7.4 kW (1-phase). In addition to a wallbox at home, you can also connect your vehicle to a variety of public charging stations. These usually supply alternating current – just like conventional sockets.)
- Mercedes-Benz Emergency Call System (The Mercedes-Benz Emergency Call System can provide a crucial time advantage in an emergency. A communication module with its own SIM card automatically triggers an emergency call via crash sensors when an airbag or seatbelt pretensioner is deployed, thus reducing the time until emergency services arrive. The emergency call can also be triggered manually to organize assistance. In this case, the vehicle's position and direction of travel are also transmitted.)
- Adaptive Highbeam Assist (automatic switching of the high beams on and off - camera on the inside of the windshield - detects oncoming and preceding illuminated vehicles - activated by pressing the steering wheel control lever to the high beam position)
- Airbag: Side airbag for driver and front passenger
- Airbag: Windowbag for driver, front passenger and rear passengers
- Active Parking Assist with PARKTRONIC (Transform the stress of tight parking spaces into confident serenity. The Active Parking Assist with PARKTRONIC not only finds parking spaces – it also supports you when parking and exiting them. It assists you with steering and, in vehicles with automatic transmission, also with accelerating, braking, and gear changes.)
- Automatically dimming exterior and interior mirrors
- Electrically folding exterior mirrors
- Diesel particulate filter
- Third brake light
- Driver display (31.2 cm (12.3") large LCD color display with a resolution of 2,400 x 900 pixels - 7 different contexts with specific content - 3 different display styles)
- Rear seat belt status indicator in the instrument cluster
- Velour floor mats
- Heated rear window with timer
- Interior headliner in nevgrau fabric
- THERMATIC automatic climate control (2-zone automatic climate control: allows individually adjustable temperature for driver and front passenger - climate settings can be controlled via the multimedia system or the climate control unit in the center console - automatic recirculation (only in conjunction with navigation) - fine dust activated carbon filter for filtering dust, soot and pollen as well as reducing pollutants and odors - dew point sensor, continuous defrost nozzle under the windshield and central defrost outlet)
- Charging cable for wallbox and public charging station, 5m, smooth 11kW (This charging cable, also called Mode 3 cable, allows you to charge the vehicle battery at the wallbox or at public charging stations with up to 11 kW (Type 2, 3-phase, 16 A).)
- LED High Performance headlights (low beam with LED projection technology - high beam with LED reflection technology - daytime running lights, position lights and direction indicators in LED technology - adaptive full-LED taillights with automatic adjustment of light intensity to the surroundings)
- Center console wood ash black open pore
- Navigation: MBUX Navigation Premium (hard drive navigation - high-resolution navigation with satellite view - live traffic information and Car-to-X communication - fast online route calculation - trailer route planner - shared navigation - Send2Car function sends selected addresses via app - map data updates: - navigation services, local search, online search, display of detailed map view with weather information)

- Package: AVANTGARDE Exterior (radiator grille with central Mercedes star and surround, Mercedes-Benz pattern and trim element on the single louvre in chrome - bonnet with power domes - progressive, dynamic front and rear apron design, each with trim strips in chrome and suggested air intakes at the front - beltline and window line trim strip in chrome)
- Package: USB
- Upholstery: ARTICO man-made leather/Ljusdal fabric
- PRE-SAFE system (with reversible belt tensioners for driver and front passenger seats, closing function for side windows and automatic positioning for the front passenger seat)
- Radio accessories: Digital radio (DAB) (for the DAB, DMB and DAB+ standards)
- Radio accessories: Pre-installation for MBUX Entertainment (Stream videos and enjoy your favorite music: This package takes the entertainment in your Mercedes to the next level. In addition to music streaming services and internet radio, ZYNC video streaming is also available. You can conveniently purchase the required data package from a selected third-party provider.)
- Remote Services Premium (Communication module - Mercedes me services: remote vehicle status query, programming of auxiliary heating/ventilation, remote door locking and unlocking, sunroof/windows with remote locking and opening including ventilation remote control, personalization, vehicle location, vehicle tracking, geographic vehicle monitoring, parking service monitoring, finder function (Remote Vehicle Finder), notification when exceeding the driving speed, Send2Car-Fun.)
- Heated seats for driver and front passenger
- Phone accessories: Apple CarPlay
- Telephone accessories: Smartphone integration (wirelessly connects the mobile phone to the MBUX multimedia system - display of selected third-party apps - access to current software and data, e.g., for navigation, traffic information, contact data, messaging, telephony, media, IP radio - optimized user interface for driving - control of smartphone functions via voice control)
- Ambient lighting with brand logo projection (projects the brand logo in LED technology next to the open front doors)
- Traffic Sign Assist (Evaluates the currently driven route with regard to traffic signs using a camera behind the windshield and navigation data - Early detection of speed limits and display of prohibitions as well as their cancellation in the driver's or central display as well as in the optionally available head-up display - Can recognize no-entry signs, a visual and acoustic warning is given - Pedestrian warning function in the area of zebra crossings)
- High-visibility vest for drivers
- Electronic immobilizer
- Central display with 14.4" screen diagonal (touch display with LCD technology including haptic feedback - resolution of 2,504 x 1,416 pixels (width x height))
- Decorative elements, wood, ash, black, open-pore
- Package: AVANTGARDE Advanced (234 Blind Spot Assist - 34U Remote Services Premium - 382 Communication module (5G) for the use of Mercedes me connect services - 49U Pre-installation for MBUX Entertainment Plus - 513 Traffic Sign Assist - 70B Warning vest for driver - PBG MBUX Navigation Premium - PDA Advanced package)
- Package: AVANTGARDE Interior (Multifunction steering wheel in Nappa leather with spokes in high-gloss black and galvanized steering wheel shift paddles in silver chrome - Comfort seats, partially electric with seat comfort package, lumbar support - Trim elements in open-pore black ash wood - Center console in open-pore black ash wood - Headliner in nevagrey fabric - Velour floor mats)
- Radio: MBUX multimedia system Premium
- Radio accessory: Communication module (5G) for use with Mercedes me connect (The communication module transmits larger data volumes at high speed. The term "Advanced" refers to a particularly powerful mobile communications standard. You always benefit from this Turbo LTE, for example through even faster information flow in the many Mercedes me comfort services or Car-to-X communication.)
- Tire pressure monitoring system (TPMS)
- Remote and Charging Services Plus (The Remote and Charging Services Plus package connects you to the vehicle. You can locate it if desired and remotely control selected functions. With Mercedes me Charge, you can charge your vehicle at many public charging stations with maximum cost transparency. You only need to register once and receive a single, centralized bill.)
- Rear view camera
- Seats: Rear seat backrests foldable
- Phone accessory: Android Auto
- Phone accessories: Wireless charging system for mobile devices at the front
- TIREFIT (Your quick temporary solution for minor tire damage. Damage caused by embedded nails or shards of glass is sealed by sealant blown in via an air compressor. This allows you to continue driving to the nearest repair shop at speeds of up to 80 km/h.)
- Blind Spot Assist (This system can visually and audibly warn you of side collisions with other road users in your blind spot. Even after the journey, the system remains vigilant and warns you if you open the door at the wrong moment.)
- Pre-installation for digital key handover (Share your vehicle key even without personal handover - Decide to whom you open the vehicle and hand over the key - Use the functions conveniently in the Mercedes me app)
- Pre-installation for remote and navigation services (The world of Mercedes me offers many services for your electric comfort experience. With navigation and active range monitoring, you receive corresponding range security, including necessary charging stops. The route calculation takes into account the current consumption, route profile, and checks whether the desired charging station is available.)

Extra equipment

- Center console piano black finish
- Fire extinguisher
- Package: AMG Line Advanced Plus (AMG Line Advanced - Parking package with 360° camera - MBUX Augmented Reality for navigation - Memory package - Illuminated door sills with Mercedes-Benz lettering - DIGITAL LIGHT with Adaptive Highbeam Assist Plus)
- Package: Winter package (heated steering wheel - heated windshield washer system)
- Towbar with ESP trailer stabilization (fully electrically retractable towbar - operating button with LED light - ESP trailer stabilization - trailer mode in the MBUX multimedia system - guide pins for the FIX4BIKE system)
- Wheels: 50.8 cm (20") AMG multi-spoke light-alloy wheels (painted black and polished - with front axle 245/40 R20 on 8.5J x 20 ET35.5 and rear axle 275/35 R20 on 9.5J x 20 ET51)
- MBUX Superscreen (a 14.4-inch MBUX central display surrounding a 12.3-inch touchscreen in the passenger area. A continuous glass surface connects the two screens. It extends from the center console across almost the entire width of the dashboard. The LCD display gives the passenger access to numerous apps and vehicle functions. For example, they can watch a movie or access social networks while driving.)
- Package: Driving Assistance Package Plus (Active Speed Limit Assist, Extended Automatic Restart on Motorways, Route-Based Speed Adaptation with Traffic Jam Function, Active Steering Assist, Active Emergency Stop Assist with SOS Function, Emergency Lane Function, Active Brake Assist, Turning and Intersection Function, Traffic Jam Emergency Braking Function, Evasive Steering Assist, Active Lane Keeping Assist, Active Blind Spot Assist, Exit Warning Function, Pedestrian Warning Function in Zebra Crossing Areas)

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. No lifting equipment or pit was available for inspecting the vehicle. Therefore, inspection of the vehicle's underside was only possible to a limited extent.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.
readiness to drive	The vehicle was not capable of driving under its own power at the time of inspection, but can be moved on its own axle with the aid of assistance.

Value reducing factors

No.	Component group	Description
1	Trim / covers	Door trim - front left side - Scratch(es) - Smart repair
2	Mudguard - left side	Mudguard - left side - Scratch(es) - Smart repair
3	Rear bumper	Rear bumper - dent(s) - Smart repair
4	Side panel - rear left side	Side panel - Dent / paintcoat damage - Smart repair
5	Wheel / tyres	Tyre - front right side - Broken / torn - Replace
6	Boot lid / rear door	Boot lid (Anätzung) - Paint defect - Repair and paint
7	Roof	Roof (Anätzung) - Paint defect - Repair and paint
8	Bonnet	Bonnet - Paint defect - Repair and paint
9	Wheel / tyres	Alloy rim - front right side - Scratch(es) - Replace
10	Vehicle glazing	Windscreen - Broken / torn - Replace

Wear and tear

No.	Component group	Description
1	2nd wheel set	1 alloy rim - Scratch(es) - No deduction
2	Front bumper	Front bumper - Stone chips - No deduction
3	Misc.	Inspection / maintenance (4. Wartung überzogen) - does not meet manufacturer specifications - No deduction

The vehicle shows signs of wear and tear commensurate with its age and use.

Previous damages

No.	Previous damage	Extent of damage (Net)
1	Side right, Provided by user / customer, from 28 Feb 2026	3.893,97 €

Repainting

No.	Repainting
1	Door - rear right side, Professionally carried out, Invoice of repair done Non-existent

Paint coat thickness measurement

Door - rear right side	201 µm
------------------------	--------

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
(Delivery by third-party service providers)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
(Functional testing of driver assistance systems is not included in the scope of services!)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

According to available information previous damages were repaired at the vehicle. Traces of repairs, which allow conclusions about the area of repair, were not recognizable during the inspection.
