Damage Glossary

Damage

Damage refers to any harm or impairment to a vehicle's physical components, affecting its appearance, functionality, or safety. Damage can range from cosmetic issues like scratches and dents to severe structural problems. It can be caused by collisions, weather events, vandalism, or other incidents.

CARFAX tips

Keep in mind: while our data shows no further damage, additional events may have occurred. CARFAX only reflects information that's been reported to us.

It's still important to take a close look at the vehicle during your test-drive. Small details can sometimes hint at past repairs. Keep an eye out for paint inconsistencies or uneven panels.

Recommended maintenance

Default schedule
Provided by CARFAX Europe

Vehicle age
7 years, 9 months

Routine maintenance is essential for preserving a vehicle's reliability.

Maintenance due so far

These service tasks are expected based on the vehicle age. Verify if they were completed.

Before buying, ask the seller:
- Are service records available?
- Were the following services performed?

Engine oil and oil filter **due 7 times**
Change every year

Brake fluid **due 3 times**
Change every 2 years

Costly upcoming service tasks

Before buying, confirm whether:
- Any of the upcoming maintenance tasks are already completed.
- You've accounted for related costs in your future budget.

Brake discs and pads
Inspect yearly, replace as needed

Tires
Inspect yearly, replace as needed

CARFAX tips

Keeping up with scheduled servicing is a strong indicator that the vehicle has been well cared for and is in good overall condition.

CARFAX Glossary

Model year

This term is defined by the manufacturer but it is typically the year the vehicle is built. If the model year does not appear on the CARFAX report, it is because the manufacturer did not include this information in the VIN. Model year can normally be determined by the vehicle age.

Number of records

A CARFAX record refers to a specific incidence and date in the history of the vehicle. Please note that the history of younger vehicles tends to have fewer entries. CARFAX continuously works on getting more data sources and historical information in order to enrich the report

Quick check

A snapshot of the information CARFAX has abstracted from our extensive database to determine whether a vehicle has been reported stolen, reported scrapped, publicly imported or ever used for non-personal purposes. This summary is based upon all the information supplied to CARFAX from various sources. Additional information about this vehicle, including these potential problems, may exist and may not have been reported to CARFAX.

Severity scale - Minor

Generally, minor damage is cosmetic (including dents or scratches), may only require reconditioning, and typically does not compromise a vehicle's operation and/or safety.

Severity scale - Moderate

Moderate damage may affect multiple components of the vehicle and may impair the vehicle's operation and/or safety.

Severity scale - Severe

Severe damage usually affects multiple components of the vehicle and is likely to compromise the vehicle's operation and/or safety.

Vehicle reference

User-provided value to identify the vehicle during the CARFAX Vehicle History Report retrieval process and to confirm vehicle identity on the report itself.

How to use this report

This history is based on data reported to us and available upon request. Gaps and errors cannot be excluded. Use CARFAX in combination with a test drive and inspection by experts. We process personal data only in accordance with applicable regulations. Conclusions on owners are not possible at any time. Read more in our Terms and conditions.
