

Expertise

Protocol number: 46528676
Order No. / Reference: 26570738
Inspection date: 8 Jul 2026

Manufacturer: Audi
VIN: WAUZZZFY5N2051792

Model: Q5 35 TDI S tronic

Vehicle details	
Manufacturer / Type / Model / Equipment	
Audi Q5 35 TDI S tronic	
Vehicle Identification number	WAUZZZFY5N2051792
Mileage (Read)	67,957 km
First registration	22 Feb 2022
Number of holders	1
Next periodical technical inspection	03/2027
(Report on hand)	
Power / Engine displacement	120 kw / 1,968 ccm
Fuel type / Cylinder	Hybrid Diesel / E / 4
Gearbox / Number of gears	Automatic / 7
Type of drive	Front drive
Type of vehicle	SUV
Colour / colour code	Manhattangrau Metallic
Doors / Seats	5 / 5
Upholstery type	Leather
Colour of upholstery	Brown
Re-import	no
readiness to drive	Roadworthy

Vehicle details

Maintenance booklet / proof	digital proof / complete	Next maintenance in	6,100 km
Last service on / at	01/2026 at 55,068 km		
Key is / should be	2 / 2	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	GF502123
Previous damage / Accident	None detectable	Repainting	None detectable
Inspection conditions	sufficient	Lifting equipment / pit	No
Test drive	Not performed	Engine function test	Performed
readiness to drive	Roadworthy		
Manufacturer key number/ type code number	0588 / BQC 00153		
Emission standard	EURO6;WLTP;AP;PI/CI; M, N1 I	fine dust sticker	
Permitted total weight	2,420 kg	Empty weight	

Tyres

Mounted tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	235/60 R18 103W	Summer tyres on Light alloy	Pirelli	7mm / 7mm
2)	235/60 R18 103W	Summer tyres on Light alloy	Pirelli	7mm / 7mm

Additional tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	235/65 R17 108H	Winter tyres on Light alloy	Goodyear	5mm / 5mm
2)	235/65 R17 108H	Winter tyres on Light alloy	Goodyear	7mm / 7mm

Replacement

Typ	Tyre size	Type of tyre	Manufacturer	Tread depth
	Tirefit	Expiration date 10/2026		

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- | | |
|---|---|
| <ul style="list-style-type: none"> • AdBlue tank (12 liters) • Airbag: Front side airbags and head airbag system • Anti-lock braking system (ABS) • Audi connect emergency call & service with Audi connect Remote & Control • Electrically adjustable and heated exterior mirrors • Hill descent control • Roof edge spoiler • Decorative inlays Micrometallic silver • Tachometer • Door sill trims with aluminum inlay at the front • Electronic Differential Lock (EDS) • Driver Information System • Electric windows front and rear • Luggage compartment lid, electrically opening and closing • Transmission: S tronic 7-speed • rear window wiper • Interior mirror dimming • ISOFIX child seat attachment and Top Tether for the outer rear seats • Front headrests • LED taillights • Mild hybrid • Model designation according to new performance labeling • Wheel: On-board tools (excluding jack) • Wheel: Tire repair kit • Electromechanical power steering • Seats: Standard front seats • Seats: Front seats manually adjustable • Start-stop system • Separation net • Glazing: Windscreen in heat-insulating and acoustic glazing • thermal insulation glazing | <ul style="list-style-type: none"> • Airbag for driver and front passenger • Accent areas matte black • Traction control (ASR) • Audi drive select • Audi pre sense city • Exterior mirror housings in body color • Fabric headliner • Black roof rails with roof rack recognition • Diesel particulate filter (DPF) • Rear parking sensors • Electromechanical parking brake • Electronic Stability Control (ESC) • Chassis: Standard chassis • front and rear floor mats • Cruise control system including speed limiter • Heated rear window • Interior lighting • Manual child lock • boot floor mat • Rear headrests (3) • Plastic loading sill protector • Light/rain sensor • front center armrest • Non-smoking version • Wheel: Tire pressure monitoring system • Radio accessories: Data module Europe • Seat belts • Seats: Split-folding rear seat backrest • Sun visor on driver and passenger side • Phone: Bluetooth interface • First aid kit with warning triangle • Glazing: Clear glass • Electronic immobilizer • black decorative trim |
|---|---|

Extra equipment

- Audi connect key (The Android smartphone takes over the functions of the vehicle key: opening and closing the vehicle and starting the engine. Up to 5 digital vehicle keys can be given to other people via the myAudi app on the smartphone. In addition, temporary access and/or driving authorization can be granted via the Audi connect key card, thus it is not necessary to give the vehicle key or the smartphone to third parties (e.g., valet parking services).)
- Aluminum satellite silver decorative inserts (for instrument panel, door panels and center console)
- Driver information system with color display (with high-resolution 7" color display - display content: speed, time, mileage, outside temperature, fuel warning with remaining range, shift indicator, current radio station or music track, radio and media lists, telephone menu, navigation information (if available), driver assistance system alerts, break recommendation, fuel consumption data, fuel-saving tips for economical driving - on-board computer with short- and long-term memory)
- Comfort key (without Safelock) (provides access and engine start authorization without actively using the vehicle key. With the electronic access and immobilizer system, you can open your vehicle at the doors and tailgate via wireless communication between the key and the vehicle, and lock it using the sensors on the door handles. The comfort key must be carried in the vehicle for this to work. The engine is started and stopped using the engine start/stop button.)
- Steering wheel: Leather steering wheel in 3-spoke design with multifunction plus (with 14 multifunction buttons for convenient operation of the available infotainment features such as audio skip, telephony, NAV button or the freely programmable button - adjustable in height and distance - with full-size airbag - shift paddles for manual changing of the driving modes)
- Navigation: MMI Navigation plus with MMI touch (Navigation system on the high-resolution 10.1-inch color display, 7-inch driver information system, map updates, 3D city display, highly detailed 3D city models, personal route assistance, online traffic information plus, MMI search, MMI touch, infotainment operation via natural language interaction, detailed route information. Includes Audi connect Nav & Infotainment, use of navigation data for predictive and efficient driving, country information. Input of up to 10 waypoints)
- Wheel: Alloy wheels, 18" 5-arm star (8.0 J x 18, tire 235/60 R 18)
- Radio accessories: Audi sound system (10 speakers including center speaker and subwoofer - 6-channel amplifier - total output of 180 watts)
- Electrically adjustable, heated, and folding exterior mirrors with automatic dimming on both sides (including curb view function for the passenger-side exterior mirror with integrated LED turn signal, including heated windshield washer nozzles, convex, flat, or aspherical mirror glass. The curb view function tilts the passenger-side exterior mirror downwards when reverse gear is engaged, providing the driver with a better view of the curb).
- Deletion of model designation and performance/technology lettering
- Hold assist (holds the vehicle indefinitely after stopping on inclines and declines typical in road traffic.)
- Interior mirror, automatically dimming, frameless
- 3-zone automatic climate control (climate control unit with large TFT display and capacitive rocker switches - electronically regulates the air temperature and distribution individually for driver and front passenger - additional climate control unit for setting the rear passenger compartment temperature in the rear center console - automatic recirculation control - dust and odor-removing cabin air filter - residual heat utilization - buttons for defrosting the front and rear windows - with key recognition and humidity sensor)
- Fuel tank 70 liters with additional 24-liter AdBlue tank (larger tank for AdBlue solution)
- Paint finish: Metallic
- LED headlights: Matrix LED headlights with dynamic light display and dynamic turn signals (multifunction camera - headlight cleaning system). Front and rear LED headlights with the following functionalities: - visually enhanced daytime running lights - low beam - high beam - position lights - turn signals - cornering lights - all-weather lights - maneuvering lights - motorway lights - automatic dynamic headlight range control - static cornering lights - dynamic light display for coming home/leaving home functions.
- Interior design selection package (standard front seats including seat covers in leather/artificial leather mono.pur 550 combination with contrast stitching - 3-spoke leather steering wheel with multifunction plus - aluminum satellite silver decorative inlays - illuminated front door sill trims with aluminum inlays - interior elements in artificial leather, color-coordinated with the respective interior color - ambient lighting package plus - front and rear velour floor mats in black)
- Parking assistant with parking aid plus (The parking assistant supports parking maneuvers by making suitable steering corrections. Ultrasonic sensors search for suitable parallel and perpendicular parking spaces. For perpendicular parking spaces (forwards and backwards), the ideal parking path is calculated; for parallel parking spaces, the ideal entry and exit paths are calculated. The system takes over the steering. The driver only needs to follow the instructions on the display to change gears, accelerate, brake, and monitor the parking process.)
- Headlight cleaning system (provides more light on the road, especially in adverse weather conditions. Cleaning with water and high pressure creates better luminosity and good visibility due to reduced scattering.)

- Reversing camera (Within the system's limits, the reversing camera captures the area behind the vehicle and displays it on the MMI screen using dynamic display elements. The system allows a choice between perpendicular parking mode and trailer mode (in conjunction with a factory-installed trailer hitch). Depending on the selected mode, the calculated driving lane or a guide line for coupling a trailer is displayed. The reversing camera is discreetly integrated into the tailgate handle.)
- Seat covers in fine nappa leather design selection (seat center panel, seat side bolsters, headrests and center armrest in fine nappa leather with contrasting stitching and piping in contrasting color - floor mats in granite grey)
- Seats: Front sports seats
- Front and rear seat heating (heats seat and backrest center section, with leather upholstery and sports seats; also seat side bolsters - individually adjustable in multiple stages for driver and front passenger - additionally for the outer rear seats, separately adjustable)
- Telephone: Audi Smartphone Interface in conjunction with Business Package or MMI Navigation (The Audi smartphone interface (Android Auto and Apple CarPlay) connects your smartphone to your Audi and seamlessly displays your smartphone content directly on the MMI display via USB. Navigation, telephony, music, and selected third-party apps can be conveniently controlled via the MMI touchscreen and voice control on your smartphone.)
- Rail system with fixing set (in the luggage compartment, with telescopic rod, fastening strap and 4 variable lashing eyes for individual division of the luggage compartment and for fixing objects)
- Seats: Rear bench seat plus (including longitudinal adjustment and backrest tilt - fold-out center armrest with 2 cup holders - rear seat backrest split 40:20:40 or fully foldable - including load-through facility - remote backrest release in the luggage compartment for the two outer backrest sections (no separate remote release for the smaller center section) - rear L-shaped headrests, manually adjustable)
- Variable folding luggage compartment mat (foldable and collapsible in several segments; usable in full length to cover the luggage compartment floor even with the rear seat backrest folded down and for variable division of the load space; protective length sufficient also for the loading edge and the bumper)

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. No lifting equipment or pit was available for inspecting the vehicle. Therefore, inspection of the vehicle's underside was only possible to a limited extent.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.
readiness to drive	The vehicle was roadworthy at the time of inspection.

Value reducing factors

No.	Component group	Description
1	Door - rear left side	Door edge - Scratch(es) - Smart repair
2	Door - front left side	Door edge - Scratch(es) - Smart repair
3	Front bumper	Spoiler - Scratch(es) - Replace
4	Seat - front	Seat cover - left side - Worn - Smart repair
5	Seat - front	Backrest - left side - Worn - Smart repair
6	Seat - rear	Backrest cover (Sitz Rechts, Klebestelle beschädigt, Mehrkosten möglich) - Damaged - Diagnosed and repair if necessary
7	Rear bumper	Reflector - left side - Scratch(es) - Replace
8	Rear bumper	Rear bumper - Scratch(es) - Paint
9	Front bumper	Front bumper - Scratch(es) - Paint
10	Door - rear right side	Door - Dent / paintcoat damage - Repair and paint
11	Mudguard - right side	Mudguard - right side - Deformed - Replace

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
(*Delivery by third-party service providers*)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
(*Functional testing of driver assistance systems is not included in the scope of services!*)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

No apparent prior damage that had been repaired could be found on the vehicle.

Comments

- Die Unterbodenbesichtigung war nur ebenerdig & eingeschränkt möglich. Mehrkosten möglich.
- Winterradsatz ist kein Bestandteil des Auslieferungsumfangs.
