Expertise

Protocol number: 48503037
Order No. / Reference: 27205671
Inspection date: 2 Nov 2026

Manufacturer: Audi	Model: A6 Avant 50 TFSI e quattro S tronic sport
VIN: WAUZZZF22PN036194	

Vehicle details

Manufacturer / Type / Model / Equipment	
Audi A6 Avant 50 TFSI e quattro S tronic sport	
Vehicle Identification number	WAUZZZF22PN036194
Mileage (Read)	49,249 km
First registration	27 Mar 2023
Number of holders	1
Fuel type	Hybr.B/E ext.aufl
Engine displacement / Cylinder	1,984 ccm / 4
Power	195 kW
Gearbox / Number of gears	Automatic / 7
Type of drive	All-wheel drive
Type of vehicle	Station wagon
Colour / colour code	Mythosschwarz Metallic
Doors / Seats	5 / 5
Upholstery type	Alcantara / Leather
Colour of upholstery	Anthracite-Black

Vehicle details

Maintenance booklet / proof	digital proof / complete	**Next maintenance in**	8,800 km
Last service on / at	07/2026 at 44,767 km		
Key is / should be	2 / 2	**FZG documents**	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	GS440625
Previous damage / Accident	Detectable	**Repainting**	None detectable
Inspection conditions	sufficient	**Lifting equipment / pit**	No
Test drive	Not performed	**Engine function test**	Performed
Manufacturer key number/ type code number	0588 / BZE 00816		
Emission standard	EURO6	**fine dust sticker**	
Permitted total weight	2,675 kg	**Empty weight**	

Tyres

Mounted tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	225/55 R18 102V	Winter tyres on Light alloy	Pirelli	5mm / 5mm
2)	225/55 R18 102V	Winter tyres on Light alloy	Pirelli	6mm / 6mm

Additional tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	255/40 R20 101Y	Summer tyres on Light alloy	Bridgestone	6mm / 6mm
2)	255/40 R20 104Y	Summer tyres on Light alloy	Goodyear	5mm / 5mm

Replacement

Typ	Tyre size	Type of tyre	Manufacturer	Tread depth
	Tirefit	Expiration date 01/2028		

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- Airbag for driver and front passenger (full-size airbag, with front passenger airbag deactivation)
- Acoustic vehicle warning system (generating a warning tone to increase traffic safety for pedestrians and cyclists)
- "quattro" all-wheel drive with ultra technology (permanently available all-wheel drive with actively controlled torque distribution, ultra technology and wheel-selective torque control. The system includes an electronically controlled all-wheel drive coupling, a friction clutch integrated into the rear axle differential and an electronic differential lock (EDS) for all driven wheels. The ultra technology allows for a reduction in drag losses in the all-wheel drive system by opening both couplings.)
- Audi drive select (adjustment of vehicle characteristics in the available modes auto, comfort, dynamic, efficiency, allroad, offroad, individual by adjusting steering assistance, engine characteristics or shift characteristics, dynamic all-wheel steering, damper control, adaptive air suspension, sport differential, ultra technology, adaptive speed assistant, Matrix LED headlights and setting of other optional equipment.)
- Audi virtual cockpit (Classic display option - operation via the multifunction steering wheel - configuration of on-board computer values in the tachometer - display of the navigation map as a 3D terrain model on the high-resolution 12.3-inch full HD color display - permanent display of navigation information in the speedometer area when route guidance is active - break recommendation)
- Exterior mirror housings in body color
- Fabric headliner
- Tachometer
- Door sill trims with aluminum inlay front and rear (unlit)
- Electronic Stability Control (ESC)
- Driver information system with color display (7-inch color display; display content: speed (digital speedometer), time, mileage, outside temperature, fuel warning with remaining range, gear shift recommendation, current radio station or music track, radio and media lists, telephone menu, navigation information and driver assistance system alerts (if available), on-board computer; the integrated efficiency program supports the driver with consumption data overviews and fuel-saving tips for more economical driving, break recommendation)
- Electrically opening and closing tailgate (The tailgate can be opened electrically by pressing the button on the vehicle key, in the driver's door, or the soft-touch button on the tailgate handle. To close the tailgate: simply press the button on the inside of the tailgate, the button in the driver's door, or the button on the vehicle key. A6 Avant: Opening the tailgate in low-ceiling areas is made easier by a programmable opening angle.)
- Transmission: S tronic 7-speed
- Airbag: Front side airbags and head airbag system (front side airbags integrated into the seatbacks - with additional head airbag system: deploys in front of the side window area and thus protects the front and outer rear passengers in the event of a side impact)
- Anti-lock braking system (ABS)
- Audi connect Navigation & Infotainment (Online Points of Interest, Online Traffic Information, Hazard Information, Weather Information, Access to Calendar, myAudi Navigation, WLAN Hotspot, Online News, On-Street Parking, User Profiles)
- Audi connect Emergency Call & Service m.connect Remote & Control (TFSI e) (The Audi connect Emergency Call & Service services ensure a safe feeling on every journey. - Emergency call - Online breakdown call - Audi damage service - Audi service appointment online Audi connect Remote & Control: - Vehicle status and vehicle data - Remote locking/unlocking - Parking position - Remote charging - Remote climate control - Push notification anti-theft alarm system)
- Audi pre sense front (Within system limits, it can warn of impending collisions depending on the situation and speed and initiate appropriate braking. The system is active from approximately 5 km/h. Pedestrians and cyclists can be detected at speeds up to approximately 85 km/h and vehicles at speeds up to 250 km/h: If an impending frontal collision is detected, the system warns the driver visually, audibly, and haptically in a multi-stage process.)
- third brake light
- black roof rails
- e-tron compact charging system (designed for charging at wall sockets, a so-called Mode 2 charging system. It consists of a control unit including a vehicle connection cable and two different mains connection cables (with household and industrial plugs). - Manual switching between 100% and 50% charging power - LEDs indicate the status of the charging system and the charging process. - Charging power at your vehicle up to 7.4 kW.)
- Remote key (locks and unlocks the doors, luggage compartment and fuel filler flap. Driving authorization is granted without actively using the key (keyless go). The driver must be in the vehicle and have the key with them. The engine is started and stopped via the engine start/stop button in the center console.)
- Cruise control including speed limiter (The cruise control maintains the desired speed from 20 to 250 km/h by adjusting engine power or by actively applying the brakes, provided engine and braking performance allow. It is operated via a separate steering column stalk, including a display of the set speed in the driver information system. The speed limiter helps to prevent exceeding a preset maximum speed.)
- Interior mirror dimming
- ISOFIX and Top Tether child seat attachment for the outer rear seats (holding device for the practical attachment of ISOFIX child seats with an additional upper attachment point (Top Tether) on the outer rear seats)

- Interior lighting (front and rear roof module, including reading lights (capacitively switched), illuminated vanity mirrors for driver and front passenger, entry lights on the underside of the front doors, front/rear door controls, front storage compartment, glove compartment, front/rear footwell lighting, right/left trunk lighting)
- Headrests (4) (front ones manually height adjustable)
- AC Type 2 charging socket (charging access to the high-voltage battery via AC)
- Mode 3 charging cable (charging cable for charging at public AC charging stations (Type 2). The cable connects the charging station to the vehicle's AC charging port and enables a charging power of up to 7.4 kW at your vehicle.)
- Steering wheel: Leather steering wheel, 3-spoke, with multifunction and paddle shifters (paddle shifters allow manual changing of the driving modes.)
- Steering column, manually adjustable in height and axis
- MMI Navigation with MMI touch response (10.1-inch color display (1,540 × 720) additional display of the navigation map or arrow display in the driver information system map update 3D map display efficiency assistant online traffic information MMI search MMI touch response for quick, intuitive operation easy operation of the infotainment system via natural language interaction detailed route information input of up to 10 waypoints selected portfolio Audi connect Navigation & Infotainment)
- Wheel: Tire pressure monitoring system (visual and audible warning in case of pressure loss in one or more wheels - display in the driver information system)
- Wheel: Tire repair kit
- Radio: MMI Radio plus with MMI touch response (10.1-inch color display - driver information system with 7" TFT color display - Audi music interface; 2 USB-C ports with data and charging function - Bluetooth interface (hands-free calling and audio streaming) - separate MMI touch control unit with 8.6" color display including MMI touch response with haptic feedback; for controlling the climate control function and input field for handwriting recognition - AM/FM phase diversity - speed-dependent volume adjustment - DAB+)
- Seats: Front sports seats (with manual adjustment of seat height, seat longitudinal position, seat tilt, backrest tilt, headrest height and distance and belt height with pronounced seat side bolsters for better lateral support in curves, extendable thigh support and electric 4-way lumbar support)
- Sun visor on driver and passenger side
- Stationary climate control (The standard stationary climate control cools or heats the interior as needed before starting the journey, ensuring a very high level of climate comfort right from the moment you enter the vehicle. The stationary climate control can be programmed or activated in the MMI and can also be conveniently switched on via the smartphone app, regardless of whether the vehicle is charging at the time or not. A "short climate control" cycle can be started when unlocking the vehicle with the remote key.)
- 4-zone automatic climate control (separate temperature control for front passenger/front passenger, rear compartment climate control via air outlets in the rear center console, defroster vents for windshield/side windows, combined pollutant/fine dust filter, temperature setting and air distribution in the rear left/right, controlled air outlets in the B-pillar, rear climate control unit with touchscreen, efficient climate zone control possible via occupant detection, automatic recirculation mode and sun-position-dependent control, dust and odor-removing allergen filter, residual heat utilization, personalization)
- Front center armrest (adjustable in tilt, movable in length)
- Otto particulate filter
- Gloss package (window channel strips in anodized aluminum - B-pillar trim exterior in high-gloss black - rear light trim in chrome)
- Non-smoking package (no ashtray in the front center console, one 12-volt socket each in the front and rear)
- Progressive steering (increases driving dynamics and driving comfort through more direct steering response (e.g. on winding country roads or when turning) and reduced steering effort (e.g. when parking and maneuvering); driving characteristics through a steering ratio dependent on the steering angle and speed-dependent steering assistance; various modes, adjustable via Audi drive select)
- Radio accessories: Audi sound system (10 speakers including center speaker and subwoofer - 6-channel amplifier - total output of 180 watts)
- Seats: 4-way lumbar support (electrically adjustable, horizontally and vertically)
- Seats: Split-folding rear seat backrest Avant (distinctive outer rear seats, visually adapted to the front seats, and an additional central seating option - 3 rear L-shaped headrests, manually height-adjustable - three 3-point seat belts - rear seat backrest split 40:20:40 or fully foldable - one-piece, foldable rear center armrest with storage compartment - with remote backrest release in the boot, removable partition net, to be attached to the body or to the folded-down rear seat backrest)
- Lane Departure Warning (within system limits, helps prevent unintentional lane departures. If the system is activated and ready, and the driver has not used the turn signal, the Lane Departure Warning helps prevent crossing detected lane markings by making corrective steering interventions. Additional steering wheel vibration can be set at the driver's request. Operating range from approximately 60 to a maximum of 250 km/h)
- Start-stop system (helps reduce fuel consumption and CO2 emissions by switching off the engine during stationary phases, e.g. at traffic lights. For restarting, the starting process is initiated as soon as the foot brake is released. Can be deactivated at any time via a button.)
- Glazing: Windscreen in heat-insulating glazing
- Glazing: Rear window, rear door and side windows in clear glass
- Electronic immobilizer

- Telephone: Audi smartphone interface (The Audi smartphone interface (Android Auto and Apple CarPlay) connects your smartphone to your Audi and seamlessly displays your smartphone content directly on the MMI display via USB. Navigation, telephony, music and selected third-party apps can be conveniently controlled via the MMI touchscreen as well as via voice control on your smartphone.)
- Central locking
- Heat-insulating glazing on the sides and rear (green tinted, heated rear window with timer)

Extra equipment

- Black Optics Package Plus (Black optics package with Audi rings front/rear and model designation in black)
- Child safety package
- Comfort key with sensor-controlled luggage compartment unlocking (The vehicle can be opened by operating the door handle without actively using the key. To lock the vehicle from the outside, simply touch one of the sensor buttons on the door handles. The drive authorization is also activated without actively using the comfort key. The driver must be inside the vehicle and have the comfort key with them. The engine is started and stopped using the engine start/stop button in the center console.)
- Control buttons in glossy black with haptic feedback and aluminum-look interior (control button strip in the center console and light buttons in glossy black, control button and light button strip with haptic feedback - light button strip including proximity sensor - control buttons for driver assistance systems, buttons for parking brake, auto-hold function, central locking front and rear, rear locking, frame around the interior door handles and window regulators in aluminum look)
- Deletion of model designation and performance/technology lettering
- Electrically adjustable, heated and folding exterior mirrors (including curb view function for the passenger-side exterior mirror with integrated LED turn signal, including heated windshield washer nozzles, aspherical mirror glass. The curb view function tilts the passenger-side exterior mirror downwards when reverse gear is engaged, providing the driver with a better view of the curb.)
- Instrument panel and door trim, two-piece, single/multi-color
- LED matrix headlights and LED taillights and headlight cleaning system (matrix LED technology combines LED light sources with precise optics for highly adaptive light distribution; when vehicles are detected by the camera system, the system selectively dims only the area of the detected vehicle, while the high beam remains active in the remaining segments. The headlights have the following functions: daytime running lights, low beam, high beam, position lights, turn signal lights, cornering lights, all-weather lights, maneuvering lights, highway lights, and automatic dynamic headlight range control).
- Package: Storage package (2 cup holders in the rear center armrest, luggage compartment net for fixing to the lashing eyes on the luggage compartment floor)
- Paint finish: Metallic
- Panoramic glass roof (2-piece) (extra-large, tinted glass surface for a progressive design; electric operation for tilting and opening, including an electrically operated, lightproof sunshade; convenient opening and closing from the outside via the remote key ensures a pleasant, light-flooded interior; improved interior climate through efficient ventilation; integrated wind deflector reduces wind noise when the roof is open)
- Ambient lighting package (in addition to the standard interior lighting: - Ambient fabric lighting in the front/rear doors - Pre-view lighting from the front/rear door handles - Ambient lighting of the instrument panel)
- Audi connect key (The smartphone takes over the functions of the vehicle key: opening and closing the vehicle and starting the engine. Up to 5 digital vehicle keys can be given to other people via the myAudi app on the smartphone. In addition, temporary access and/or driving authorization can be granted via the Audi connect key card, thus it is not necessary to give the vehicle key or the smartphone to third parties (e.g., valet parking services).)
- Business Package (Assistance Package Tour: Adaptive Driving Assistant supports the driver with acceleration, braking, maintaining speed and distance, and lane keeping. Adaptive Cruise Control, Speed Limiter. Efficiency Assistant supports the driver with predictive driving. Parking Aid Plus, 4-zone automatic climate control, heated front seats, Audi phone box, automatically dimming interior mirror, automatically dimming exterior mirrors, adaptive windscreen wipers with integrated washer nozzles, high-beam assistant)
- City Assistance Package (Intersection Assist can warn the driver of approaching cross traffic in complex intersection situations; Lane Change Warning helps the driver monitor the blind spot and traffic behind the vehicle; Exit Warning warns of a potential collision with traffic approaching from behind when the door is opened while the vehicle is stationary; Rear Cross Traffic Assist; Audi pre sense 360° offers preventive 360-degree all-round protection (Audi pre sense - front, - rear, - side))
- Comfort stationary climate control (cools or heats the interior as needed before driving for a high level of climate comfort right from the moment you get in. Stationary climate control can be programmed or activated via the MMI or smartphone app, regardless of whether the vehicle is charging at the time. A "short climate control" cycle can be started when unlocking the vehicle with the remote key. Additional seat heating and ventilation, steering wheel and glass surface heating can be activated if these optional equipment has been selected.)
- Decorative inlay in dark matt brushed aluminum (for dashboard, door panels and center console; including aluminum-look trim)
- Front seat heating (heats seat and backrest center panels; with leather upholstery, sport seats and sport seats plus also seat side bolsters - individually adjustable in multiple stages for driver and front passenger side via the climate control unit)
- Interior elements in synthetic leather (top and bottom) (instrument panel and door sills in synthetic leather black or granite grey; armrest in the doors; center console trim in synthetic leather black, okapi brown, pearl beige; in conjunction with S line sport package: black with contrast stitching in rock grey or rotor grey with contrast stitching in anthracite; in conjunction with Audi design selection: black with contrast stitching in rock grey or pearl beige with contrast stitching in agate grey or sardine brown with contrast stitching in steel grey)

- Radio accessories: USB ports with charging function in the rear (2 USB-C ports with charging function in the rear in addition to two further ports in the first row of seats. Easy connection using a USB cable, 15 watts output)
- Seat covers in Dinamica Frequency microfiber/leather combination with S embossing (center section of the front seats and the two outer rear seats in Dinamica Frequency microfiber - side bolsters, headrest center sections and center armrest in black or rotor grey leather with contrasting stitching - with S embossing in the backrests of the front seats)
- Sun protection glazing, darkened
- Tour Assistance Package (Adaptive Driving Assistant - Adaptive Cruise Control, Speed Limiter - Efficiency Assistant supports the driver in anticipatory and therefore fuel-saving driving - Evasive Steering Assist helps the driver to steer the vehicle around an obstacle in a critical situation - Turning Assist - Emergency Assist - High Beam Assist - Camera-based Traffic Sign Recognition)
- Trailer hitch
- Wheel: Alloy wheels 5-V-spoke design, graphite grey, polished (8.5 J x 20 with tires 255/40 R 20)
- Parking aid plus with surround view (acoustic and visual parking aid front, side and rear to assist with parking and maneuvering by measuring with 12 ultrasonic sensors. A selective visual display shows the distance to detected objects in the upper display, depending on the current steering angle and the direction of travel. Optionally, activation occurs automatically as soon as the vehicle approaches a detected obstacle at a speed of less than 10 km/h).
- Reversing camera (The reversing camera displays the area behind the vehicle on the upper display. Dynamic display elements such as a steering angle-dependent lane calculation assist with parking or maneuvering.)
- Wheel: Wheel bolts with anti-theft protection and wheel loosening detection (wheel bolts can only be loosened with the supplied adapter; wheel loosening detection recognizes loosening of the wheel bolts and issues a warning in the driver information system or Audi virtual cockpit)

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. No lifting equipment or pit was available for inspecting the vehicle. Therefore, inspection of the vehicle's underside was only possible to a limited extent.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.

Value reducing factors

No.	Component group	Description
1	Side panel - rear right side	Side panel - dent(s) - Smooth repair work
2	Seat - front	Backrest cover - right side - Soiled - Clean
3	2nd wheel set	1 alloy rim - Scratch(es) - Loss in value
4	2nd wheel set	1 alloy rim - Scratch(es) - Loss in value

Wear and tear

No.	Component group	Description
1	Vehicle glazing	Windscreen - Stone chips - No deduction
2	Rear bumper	Rear bumper (Ladekante) - Scratch(es) - No deduction
3	Misc.	Main inspection - No evidence - No deduction

The vehicle shows signs of wear and tear commensurate with its age and use.

Previous damages

No.	Previous damage	Extent of damage (Net)
1	Rear, Provided by user / customer, from 15 Jul 2023	1.176,26 €

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
  (Delivery by third-party service providers)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
  (Functional testing of driver assistance systems is not included in the scope of services!)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

According to available information previous damages were repaired at the vehicle. Traces of repairs, which allow conclusions about the area of repair, were not recognizable during the inspection.

Comments

Der montierte Winterradsatz ist nicht Bestandteil der Ausstattung.
