ALPHABET

Vehicle details	
Manufacturer / Type / Model / Equipment	
Audi e-tron 55 quattro S line	
Vehicle Identification number	WAUZZZGE5PB021652
Mileage (Read)	60,542 km
First registration	23 Dec 2022
Number of holders	1
Next periodical technical inspection	12/2027
(Report on hand)	
Power / Engine displacement	158 kw /
Fuel type / Cylinder	Electric / 0
Gearbox / Number of gears	Direct drive / 1
Type of drive	All-wheel drive
Type of vehicle	SUV
Colour / colour code	daytonagrau perleffekt (Z7S)
Doors / Seats	5 / 5
Upholstery type	Cloth / leather combination
Colour of upholstery	Black-Grey

Vehicle details

Maintenance booklet / proof	digital proof / complete	Next maintenance in	29,500 km
Last service on / at	05/2026 at 58,659 km		
Key is / should be	2 / 2	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	GP920550
Previous damage / Accident	None detectable	Repainting	None detectable
Inspection conditions	sufficient	Lifting equipment / pit	yes
Test drive	Not performed	Engine function test	Performed
Manufacturer key number/ type code number	0588 / BSL 00190		
Emission standard	2017/1151;WLTP;reine Elektrofz	fine dust sticker	
Permitted total weight	3,130 kg	Empty weight	

Tyres

Mounted tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	265/45 R21 108H	Summer tyres on Light alloy	Continental	6mm / 6mm
2)	265/45 R21 108H	Summer tyres on Light alloy	Continental	6mm / 6mm

Additional tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	255/50 R20 109V	Winter tyres on Light alloy	Continental	7mm / 7mm
2)	255/50 R20 109V	Winter tyres on Light alloy	Continental	7mm / 7mm

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- Airbag for driver and front passenger
- Acoustic vehicle warning system
- Anti-lock braking system (ABS)
- Audi connect emergency call & service with Audi connect Remote & Control
- Audi virtual cockpit with 12.3" color display
- Exterior mirror housings painted in body color
- third brake light
- Parking aid plus with surround view
- Electronic Stability Control (ESC)
- key fob
- Removable luggage compartment cover
- Cruise control system including speed limiter
- Heated rear window
- Interior lighting
- ISOFIX child seat anchors for front passenger seat
- 2-zone automatic climate control
- Headrests (2) height adjustable
- Charging cable with household plug
- Mode 3 charging cable
- Standard charging cable length
- LED headlights with preparation for additional lighting functions and LED taillights
- front center armrest
- Package: Gloss
- Progressive steering
- Radio: MMI Navigation plus with MMI touch
- Radio: MMI Radio plus with MMI touch response
- Radio accessories: Audi sound system
- Wheel bolts with anti-theft protection and wheel loosening detection
- Rear seat backrest foldable
- Seat belts
- Front seats (standard seats)
- Front sun visor
- Stationary air conditioning
- Separation net
- Glazing: Front window in acoustic glazing
- Electronic immobilizer
- Central locking
- Airbag: Front side airbags and head airbag system
- All-wheel drive: Quattro
- Audi connect navigation & infotainment
- Audi pre sense basic
- Audi pre sense front
- Electrically adjustable and heated exterior mirrors
- Vehicle tool kit
- Decorative inlays: Fine lacquer graphite grey
- Door sills with aluminum inlay, front and rear, illuminated
- Chassis: adaptive air suspension sport
- front and rear floor mats
- Electrically opening and closing tailgate
- Transmission: 1-speed direct drive
- rear window wiper
- Interior mirror with automatic dimming, frameless
- ISOFIX child seat attachment and Top Tether for the rear seat
- CCS Type 2 charging socket
- Charging cable with industrial plug CEE 16A / 400V / 6 h / long + straight
- e-tron compact charging system
- Steering wheel: Double-spoke leather steering wheel with multifunction and paddle shifters
- On-board charger up to 11 kW (AC)
- Plug and Charge
- Wheel: Light alloy wheels, 20" 5-arm dynamic, graphite grey, polished
- Radio accessories: Audi music interface
- Radio accessories: Digital radio reception (DAB)
- Tire pressure monitoring system
- Tire repair kit
- Headlight cleaning system
- Fabric seat covers with effect
- Seats: Front seats manually adjustable
- Lane Departure Warning
- 12-volt sockets
- First aid kit with warning triangle
- Glazing: Side and rear panes are made of heat-insulating glass.

Extra equipment

- Towbar (removable and lockable; ball rod and head made of forged steel, the 13-pin socket can be swivelled invisibly behind the bumper apron, the removed towbar fits in the spare wheel well; trailer stabilization via ESC)
- Electrically adjustable, heated and folding exterior mirrors, automatically dimming on both sides with memory function (including curb view function for passenger-side exterior mirror with integrated LED indicator, convex, flat or aspherical mirror glass, including heated windshield washer nozzles; the curb view function tilts the passenger-side mirror downwards when reverse gear is engaged, providing the driver with an improved view of the curb).
- Comfort center armrest in the front (adjustable in tilt and longitudinally movable)
- Paint finish: Pearl effect
- LED matrix headlights, LED taillights (with the following functionalities: - Daytime running lights - Low beam - High beam - Position lights - Dynamic turn signals - Cornering lights - All-weather lights - Maneuvering lights - Highway lights - Automatic dynamic headlight range control)
- Package: Storage and luggage compartment (2 cup holders in the rear center armrest - storage compartment in the spare wheel well - side nets in the trunk - luggage net for transporting items (luggage spider))
- Package: Ambient Lighting Package Plus (Six predefined color profiles are available for customization. An interactive and an individual color profile can also be activated. The interactive color profile is controlled by the respective Audi drive select modes. The individual color profile allows you to select from 30 colors. The contour and ambient lighting are adjusted separately.)
- Panoramic glass roof (The two-part glass roof features extra-large, tinted glass panels. These lend the interior an exclusive atmosphere and underscore the progressive design with a pleasant lighting effect. When open, the panoramic glass roof also ensures a refreshing interior climate. Furthermore, the glossy black roof surface emphasizes the progressive exterior design. The glass element can be opened and closed electrically. The light-blocking sunshades are operated with the same ease.)
- Radio accessories: USB ports with charging function in the rear (two USB-C ports with charging function in the rear in addition to two interfaces in the first row of seats)
- Tire pressure monitoring system (sensors monitor the set tire pressure during driving, even with factory-fitted winter tires. Visual and audible warning in case of pressure loss in one or more tires, display in the driver information system and MMI.)
- Dashboard top and interior elements at the bottom in synthetic leather (dashboard top in black synthetic leather with tone-on-tone stitching - armrest in the doors and center console at the bottom in synthetic leather color-matched to the respective interior color - in conjunction with S line interior or for S models with contrast stitching)
- Audi virtual cockpit plus (with Classic, e-tron and Sport design display options; innovative, fully integrated 12.3" instrument cluster for flexible and needs-based display of the respective information according to the driver's requirements: speed/power demand, map display, Audi connect services, radio/media information, etc. Operation via the multifunction steering wheel. Navigation map displayed as a 3D terrain model; permanent display of navigation information in the speedometer area when route guidance is active; including break recommendation)
- Aluminum roof rails
- Decorative inlays: Dark brushed matt aluminum
- Head-up display (projects speed and other driver-relevant information from optional equipment such as assistance systems and warnings into the driver's direct field of vision - height adjustable - enables high-contrast, multi-colored display with reduced eye strain from the road)
- Steering wheel: Sport leather steering wheel with multifunction and paddle shifters (paddle shifters allow manual changing of the driving modes.)
- Tour Assistance Package (Adaptive Driving Assistance supports the driver with acceleration, braking, maintaining speed and distance, and lane keeping. Adaptive Cruise Control including speed limiter. Efficiency Assist supports the driver in anticipatory and therefore fuel-efficient driving. Evasive Steering Assist helps the driver steer the vehicle around an obstacle in a critical situation. Turn Assist. Emergency Assist. Camera-based speed limit display/traffic sign recognition.)
- Package: Interior S line (front sport seats in Dinamica microfiber/ leather combination with contrast stitching and S embossing in the backrests of the front seats - 3-spoke leather steering wheel with multifunction and shift paddles including steering wheel grips in perforated leather, S line emblem and chrome application - dark brushed matt aluminum inlays - illuminated door sill trims with aluminum inlay front and rear, front with S lettering - black fabric headliner - front and rear floor mats with contrast stitching)
- Wheel: Alloy wheels, 21" 15-spoke, graphite grey, polished (9.5J x 21, 265/45 R21 tires)
- Radio accessories: Bang & Olufsen Premium Sound System with 3D sound (sound reproduction via 16 speakers including 3D sound speakers, center speaker and subwoofer, 15-channel amplifier with a total output of 705 watts; spatial sound reproduction thanks to the 3D sound feature for the front seats. This is created by additional speakers in the A-pillars, the midrange speakers and Fraunhofer Symphoria technology. The 3D sound can be played back with all sources.)

- Seats: Front sports seats (with manual adjustment of seat height, seat longitudinal position, seat tilt, backrest tilt, headrest height and distance and belt height with pronounced seat side bolsters for better lateral support in curves, extendable thigh support and electric 4-way lumbar support)
- Front seat heating (heats seat and backrest center section, also seat side bolsters with leather upholstery and sports seats, individually adjustable in multiple stages for driver and passenger side)
- Telephone: Audi Phone Box (Up to two smartphones can be paired with the vehicle simultaneously via Bluetooth, allowing you to play music through the vehicle or make phone calls from either smartphone. The universal smartphone holder connects to the vehicle's antenna, improving both reception and call quality. The smartphone can also be charged wirelessly using the Qi standard or via USB.)
- Surround view cameras (4 wide-angle surround view cameras cover the entire area immediately around the vehicle and enable a variety of different views for even more convenient maneuvering: continuously adjustable external view of the virtual vehicle and its surroundings via the upper touchscreen, bird's-eye view, view of the front or rear wheels, view of the front camera, panoramic view front and rear)
- Glazing: Acoustic glazing for door and side windows (improved external noise insulation through double glazing)
- Glazing: Sun protection glazing, tinted (rear window, rear door and side windows tinted)
- Seat covers in Dinamica Frequency microfiber/leather combination with S embossing (Dinamica Frequency microfiber/leather combination with S embossing for front sport seats (only for S line interior and S models): - Seat center section of the front seats and the two outer rear seats in Dinamica Frequency microfiber in black or rotor grey - Seat side bolsters, headrests, middle rear seat and center armrest in leather in black or rotor grey with contrast stitching - S embossing in the backrests of the front seats)
- Seats: Electrically adjustable front seats with memory function for driver's seat (with electric adjustment of seat height, seat longitudinal position, seat tilt, backrest tilt - electric 4-way lumbar support - 2 memory locations for the electrically adjustable driver's seat and the exterior mirrors)
- Stationary climate control comfort (cools or heats the interior to a desired temperature before driving, ensuring climate comfort from the moment you enter the vehicle. Additionally, seat heating and ventilation, steering wheel heating, and glass surface heating can also be activated before driving if these optional features have been selected. Programmable or activatable via MMI or smartphone app, regardless of whether the vehicle is charging at the time.)
- Telephone: Smartphone interface (The smartphone interface (Android Auto and Apple CarPlay) connects your smartphone to your Audi and seamlessly displays your smartphone content directly on the MMI display. Navigation, telephony, music, and selected third-party apps can be conveniently controlled via the MMI touchscreen and voice control. The connection can be established either using a suitable USB cable or wirelessly.)
- Variable folding luggage compartment mat (foldable and collapsible in several segments; usable in full length to cover the luggage compartment floor even with the rear seat backrest folded down and for variable division of the load space; protective length sufficient also for the loading edge and the bumper)

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. Lifting equipment and/or a pit were available for examining the vehicle.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.

Value reducing factors

No.	Component group	Description
1	Body	Underbody panelling - Scratched - Replace
2	Vehicle glazing	Door glass - rear right side - Scratch(es) - Loss in value
3	Door - rear right side	Brightware - upper - Scratch(es) - Smart repair
4	Trim / covers	Trim / covers - Scratch(es) - Smart repair
5	Front bumper	Spoiler - Scratched - Smart repair

Wear and tear

No.	Component group	Description
-----	-----------------	-------------

1	Vehicle glazing	Windscreen - Stone chips - No deduction
---	-----------------	---

The vehicle shows signs of wear and tear commensurate with its age and use.

Missing parts

Description

Equipment - Tirefit complete

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
(*Delivery by third-party service providers*)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
(*Functional testing of driver assistance systems is not included in the scope of services!*)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

No apparent prior damage that had been repaired could be found on the vehicle.

Comments

- Winterradsatz ist kein Bestandteil des Auslieferumfangs.
