

Expertise

Protocol number: 46494931
Order No. / Reference: 26609067
Inspection date: 13 Jul 2026

Manufacturer: Mercedes-Benz	Model: EQE 300 Electric Art
VIN: W1KEG1BB5PF020733	

Vehicle details	
Manufacturer / Type / Model / Equipment	
Mercedes-Benz EQE 300 Electric Art	
Vehicle Identification number	W1KEG1BB5PF020733
Mileage (Read)	146,180 km
First registration	20 Dec 2022
Number of holders	1
Next periodical technical inspection	01/2028
(Report on hand)	
Power / Engine displacement	180 kw /
Fuel type / Cylinder	Electric / 0
Gearbox / Number of gears	Direct drive / 1
Type of drive	Rear drive
Type of vehicle	Saloon car
Colour / colour code	SCHWARZ - UNILACK
Doors / Seats	4 / 5
Upholstery type	Leather
Colour of upholstery	Brown-Grey
Vehicle with smoke odor	no

Vehicle details

Maintenance booklet / proof	digital proof / complete	Next maintenance in	584 Tag(e)
Last service on / at	12/2025 at 128,398 km		
Key is / should be	2 / 2	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	GN011317
Previous damage / Accident	Detectable	Repainting	Detectable
Inspection conditions	sufficient	Lifting equipment / pit	yes
Test drive	Not performed	Engine function test	Performed
Manufacturer key number/ type code number	2222 / BIN 00549		
Emission standard	2017/1151;WLTP;reine Elektrofz	fine dust sticker	
Permitted total weight	2,880 kg	Empty weight	

Tyres

Mounted tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	255/45 R19 104Y	Summer tyres on Light alloy	Continental	4mm / 4mm
2)	255/45 R19 104Y	Summer tyres on Light alloy	Continental	6mm / 6mm

Additional tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	255/45 R19 104V	Winter tyres on Light alloy	Continental	6mm / 6mm
2)	255/45 R19 104V	Winter tyres on Light alloy	Continental	4mm / 4mm

Replacement

Typ	Tyre size	Type of tyre	Manufacturer	Tread depth
	Tirefit	Expiration date 01/2028		

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- ABS - Anti-lock Braking System
- Airbag: Automatic passenger airbag deactivation (The system automatically deactivates the passenger airbag as soon as it detects a rear-facing child seat or registers that the passenger seat is unoccupied. A transponder in the child seat is not necessary. If it detects that an adult is taking the seat, the airbag is automatically activated, reducing the risk of incorrect operation.)
- Ambient lighting (Stage the interior according to your personal preference or current mood. The 64 colors of the ambient lighting create fascinating color worlds that change dynamically or illuminate several areas in different colors.)
- DYNAMIC SELECT (With DYNAMIC SELECT, you can choose between the driving programs ECO, COMFORT, SPORT and INDIVIDUAL. The SPORT mode mobilizes the vehement power of the electric drive even more spiritedly. Regardless of the driving program, you can adjust the regenerative braking using the steering wheel shift paddles.)
- Door sills with "Mercedes-Benz" lettering
- Driver display with 25.4 cm (10.25") screen diagonal
- Flex-Bottleholder (With the Flex-Bottleholder, your drinks are always within easy reach and can be securely placed in the center console. The practical, large double cupholder holds two bottles or cups with a volume of up to 770 ml.)
- Transmission: Direct drive
- Black fabric headliner
- Instrument panel and door edges in ARTICO space grey imitation leather (with NEOTEX grain and double decorative stitching)
- THERMATIC automatic climate control with 2 climate zones (allows individually adjustable temperature for driver and front passenger side; sensor system for detecting, for example, interior/exterior temperature, solar radiation, humidity and dew point; automatic recirculation; fine dust activated carbon filter for filtering dust, soot and pollen as well as for reducing pollutants and odors; dew point sensor, continuous defrost nozzle under the windshield and central defrost outlet, 2 fixed defrost nozzles for the side windows)
- Charging cable for wallbox and public charging station, 5m, smooth 11kW (This charging cable, also called Mode 3 cable, allows you to charge the vehicle battery at the wallbox or at public charging stations with up to 11 kW (Type 2, 3-phase, 16 A).)
- Charging system: AC charging system 11kW (More flexibility: With the powerful AC charging system, you can charge your plug-in hybrid quickly and easily with up to 11 kW (3-phase) or 7.4 kW (1-phase). In addition to a wallbox at home, you can also connect your vehicle to a variety of public charging stations. These usually supply alternating current – just like conventional sockets.)
- LED taillights in 3D helix design (with light strip at the rear)
- Airbag for driver and front passenger
- Airbag: Kneebag for driver
- Airbag: Windowbag all around
- Acoustic Surrounding Protection (To ensure that your electric vehicle does not become a danger to pedestrians and cyclists during almost silent driving, the Acoustic Surrounding Protection generates Mercedes-Benz specific sounds outside the vehicle up to a speed of approximately 30 km/h. It distinguishes between forward and reverse driving.)
- Traction control (ASR)
- Brake Assist, active (radar-based driver assistance system with mono camera functions: -distance warning -collision warning -autonomous emergency braking, which is activated after the dynamic warning if a collision is imminent -situation-appropriate brake support as soon as the driver brakes -intervention time settings: early, medium and late; if the emergency braking exceeds certain acceleration values, functions of the PRE-SAFE system can also be activated)
- Electronic Stability Program (ESP)
- Chassis: Comfort chassis
- Rear seat belt status indicator in the instrument cluster
- Velour floor mats
- Speed Limit Assist (The system shows what is permitted: It can detect the current speed limit via the camera and display it in the instrument cluster. Additional restrictive signs for special weather conditions such as wet conditions are also detected.)
- Climate: Pre-conditioning (Enjoy your ideal climate right from the start. Simply set the time and temperature in advance – via Mercedes me or on the head unit. Heating or cooling the interior while charging also helps maintain battery power when starting the car.)
- Rear headrests (3)
- Front headrests are height-adjustable
- Paint finish: Solid
- Charging cable for household socket, 5m, smooth (This charging cable, also called Mode 2 cable, allows you to charge the vehicle battery at the household socket with up to 2.3 kW (230 V, 1-phase, 10 A) and fits sockets of type E/F CEE 7/7.)
- Charging system: Direct current charging system (DC charging) (For optimal charging speed with a maximum of 200 kW* and therefore high convenience. Fast charging stations such as IONITY supply the direct current required for your high-voltage battery. Thus, the DC charging system provides a long-distance-capable range in the shortest possible time.)
- LED High Performance headlights (low beam in LED reflection technology - high beam in LED reflection technology - signal light with trifunctional torch for daytime running light, position light and direction indicator in LED technology - adaptive full-LED taillights)

- Mercedes-Benz Emergency Call System (can provide a crucial time advantage in an emergency. A communication module with its own SIM card automatically triggers an emergency call upon detection of an accident, which can shorten the time until emergency services arrive. The emergency call can also be triggered manually to organize assistance.)
- Center console in high-gloss black
- Navigation accessories: Pre-installation for Live Traffic Information (Arrive at your destination stress-free, via the best route, and faster. Live Traffic Information receives more precise and up-to-date traffic data in real time than conventional systems and optimizes dynamic route guidance. Whether during rush hour or on a journey: You can react to many situations and easily bypass traffic jams and stop-and-go traffic.)
- Navigation: MBUX Navigation Premium (hard drive navigation - high-resolution navigation with satellite view - live traffic information and Car-to-X communication - fast online route calculation - map data updates: via Mercedes me connect with automatic over-the-air update via USB stick at a Mercedes-Benz dealer - navigation services: local search, online search, ads)
- Upholstery: ARTICO leatherette/fabric
- PRE-SAFE System (The PRE-SAFE System utilizes the time before an impending accident. A variety of measures can reduce the stresses that occur. The innovative PRE-SAFE Sound generates a noise from the speakers and can trigger a natural protective reflex. This protects the inner ear by dampening the noise of the accident.)
- Radio: MBUX multimedia system (instrument display with 17.78 cm (7") diagonal - media display with 17.78 cm (7") diagonal and touch function - touch control buttons on the steering wheel - radio (FM/AM) - USB interface in the center console under the armrest - Bluetooth telephony with contact transfer and audio streaming of music files - display of vehicle functions (driver assistance systems, driving programs and vehicle settings) - favorites storage - smartphone-related voice control)
- Radio accessory: Communication module (LTE Advanced) for using Mercedes me connect (The communication module transmits larger data volumes at high speed. The term Advanced refers to a particularly powerful mobile communications standard. You always benefit from this Turbo LTE, for example through even faster information flow in the many Mercedes me comfort services or Car-to-X communication.)
- Remote Services Premium (Communication module - Mercedes me services: remote vehicle status query, programming of auxiliary heating/ventilation, remote door locking and unlocking, sunroof/windows with remote locking and opening including ventilation remote control, personalization, vehicle location, vehicle tracking, geographic vehicle monitoring, parking service monitoring, finder function (Remote Vehicle Finder), notification when exceeding the driving speed, Send2Car-Fun.)
- Steering wheel: Multifunction sports steering wheel in ARTICO man-made leather (sporty steering wheel in 3-spoke design - finished in ARTICO man-made leather - spokes in silver chrome - steering wheel shift paddles (428) - control via touch control panels: - left: instrument display, cruise control and limiter or Active Distance Assist DISTRONIC - right: MBUX multimedia system (e.g. audio volume and track selection, telephony and navigation) - touch sensitivity adjustable via central display)
- Navigation accessories: Pre-installation for navigation services (Wherever you go, you're always well-informed. Your vehicle answers your questions about your journey. You can find out the number of currently available parking spaces or the current weather. This makes trip planning even easier. Helpful extra: The digital logbook automatically records your journeys upon request.)
- Navigation: Hard disk navigation (Save time with fast hard disk navigation and flexible input via touch or voice control. The 3D displays of landmarks are also a visual treat. The intelligent system reliably guides you to your destination, accessing both local and up-to-date online information.)
- Package: Interior lighting package
- Package: Parking package with reversing camera (Active Parking Assist with PARKTRONIC detects free parking spaces as you drive past. Once a parking space is selected, you can confidently park thanks to the reversing camera, ultrasonic sensors and practical visualizations - or let the system park you.)
- Radio: Extended MBUX functions (personalization (profiles) and prediction functions - MBUX voice assistant "LINGUATRONIC" with natural language understanding - activation via Hey Mercedes - learning function of the MBUX voice assistant through connection with a cloud-based online dictionary, Mercedes me connect service free of charge for 3 years from activation - Wi-Fi hotspot - internet radio)
- Radio accessories: Digital radio (Digital radio offers you even more information and entertainment through significantly more programs. Choose your personal favorite stations. At the same time, the clear, noise-free reception enhances the listening experience.)
- Tire pressure monitoring system (This system monitors your tire pressure and warns you if it drops. This allows you to react more quickly to dangerous situations. Low tire pressure can also increase braking distance. If the system alerts you, you should add air as soon as possible. Correct tire pressure also increases tire life.)
- Remote Services Plus (Communication module - Mercedes me services: remote vehicle status query, programming of auxiliary heating/ventilation, remote door locking and unlocking, sunroof/windows with remote locking and opening including ventilation remote control, personalization, vehicle location, vehicle tracking, geographic vehicle monitoring, parking service monitoring, finder function (Remote Vehicle Finder), notification when exceeding the driving speed, Send2Car function)

- Remote and Extended Charging Services Premium (The Remote and Extended Charging Services Premium connect you to your vehicle. You can locate it and control its functions remotely. With Mercedes me Charge, you can charge your vehicle at many public charging stations with maximum cost transparency and centralized billing. Also included: 1 year of free fast charging at IONITY stations.)
 - Heated windshield washer system (with heated windshield washer nozzles and heated washer hoses)
 - Seats: i-Size child seat attachment (in the rear - The system allows for quick and easy installation of i-Size child seats in the rear for the best possible protection of your child in the event of an accident. Top tether attachment points offer additional safety by anchoring the child seat behind the rear headrests.)
 - Seats: Heated seats for driver and front passenger (The intensity can be selected in three levels. Intelligent and comfortable: The seat heating switches off automatically.)
 - Door center panels and transition from the center console to the instrument panel in ARTICO man-made leather (black)
 - URBAN GUARD Vehicle Protection Plus (burglar and theft alarm system - tow-away protection with visual and audible warning in case of detected change in position - alarm siren - interior monitoring (triggers upon movement inside the vehicle) - assistance with vehicle theft (theft assistance), free of charge for 3 years from activation - emergency key deactivation, free of charge for 3 years from activation - theft and parking collision detection, free of charge for 3 years from activation - URBAN GUARD label on the front side windows)
 - High-visibility vest for drivers
 - Decorative elements with fine textured black finish
- Remote and Charging Services Premium (pre-installation for Mercedes me Charge, free for 3 years from activation; pre-installation for IONITY: discounted fast charging, free for 1 year from activation; Mercedes me Services communication module)
 - Wheels: 48.3 cm (19") light alloy wheels in 10-spoke design (high-gloss black painted with 255/45 R19 on 8.0J x 19H2 ET45)
 - Seats: Rear seat backrests foldable 40/20/40 split (If you only fold down the middle segment for longer items, the two outer seats remain fully usable.)
 - Seats: Comfort seats (Its name lives up to its promise – with the comfort seat including comfort headrest and elegant contour lighting, you travel in exceptional comfort. You can fully adjust the length, height, and tilt of the seat cushions. 4-way lumbar support)
 - Cruise control
 - TIREFIT (Your quick temporary solution for minor tire damage. Damage caused by embedded nails or shards of glass is sealed by sealant blown in via an air compressor. This allows you to continue driving to the nearest repair shop at speeds of up to 80 km/h.)
 - Pre-installation for digital key handover (With the pre-installation for digital key handover, you can share your vehicle with a group of people you define more easily than ever before. You retain full control and must explicitly agree to each use. Car sharing is implemented using a smartphone app and a temporarily activated second key.)
 - Pre-installation for remote and navigation services (The world of Mercedes me offers many services for your electric comfort experience. With navigation and active range monitoring, you receive corresponding range security, including necessary charging stops. The route calculation takes into account the current consumption, route profile, and checks whether the desired charging station is available.)

Extra equipment

- DIGITAL LIGHT with projection function in conjunction with Advanced/Advanced Plus package
- Package: Electric Art Line Exterior (Black panel radiator grille with central Mercedes star - Front apron in body color with chrome trim elements in the upper and lower sections - Side skirts painted in black with chrome door trim strips - Rear apron painted in body color with a grained black lower section and chrome trim element - Belt and window line trim strips in chrome - 48.3 cm (19") alloy wheels in 5-twin-spoke design (R39) painted in high-gloss black and polished with 255/45 R19 tires on 8.5J x 19 ET47.5)
- Seats: Multi-contour seats for driver and front passenger (Memory package with driver/front passenger seats fully electrically adjustable via the switches in the door control panel: seat cushion depth adjustment, seat cushion tilt adjustment, seat longitudinal adjustment, seat height adjustment, seat backrest tilt adjustment, headrest adjustment (horizontal and vertical), 4-way lumbar support, active cushion with 8 inflatable air chambers, seat cushion with 4 vibration elements per front seat, ENERGIZING massage function with different programs and 2 intensity levels)
- Steering wheel: Multifunction sports steering wheel in leather
- Wheels: Complete winter wheel sets fitted at the factory
- Charging cable for household socket, 8m, smooth (This charging cable, also called Mode 2 cable, allows you to charge the vehicle battery at the household socket with up to 2.3 kW (230 V, 1-phase, 10 A) and fits sockets of type E/F CEE 7/7)
- Package: Advanced Package
- Package: Premium Plus Package (Premium Package Contents (PYN) - Panoramic sunroof - Head-up display - USB Package Plus - DIGITAL LIGHT with projection function (already standard on EQE 43))
- Radio accessories: Burmester surround sound system
- Seats: Seat climate control for driver and front passenger (3-stage seat ventilation (blue lights) - does not switch off or revert after a defined period - 3-stage seat heating (red lights) - switches off automatically - both comfort features can be activated separately or in combination)
- Upholstery: Nappa leather balao brown/neva grey
- Wheels: 48.3 cm (19") light alloy wheels in a 5-twin-spoke design
- Wheels: Winter complete set of M+S wheels, 4-piece set, 48.3 cm (19") light alloy wheels in 5-twin-spoke design (black high-gloss painted and diamond-turned with 255/45 R19 tires on 8.5J x 19 ET47.5)

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. Lifting equipment and/or a pit were available for examining the vehicle.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.

Value reducing factors

No.	Component group	Description
1	Trim / covers	Roof lining - Damaged - Smart repair
2	Front bumper	Spoiler - Scratch(es) - Loss in value
3	2nd wheel set	1 alloy rim - Scratch(es) - Loss in value
4	2nd wheel set	2 tyres (4mm) - Does not meet the leasing specifications - Replace
5	Door - rear left side	Door - Scratch(es) - Paint
6	Rear bumper	Rear bumper - Scratch(es) - Paint
7	Bonnet	Bonnet - Stone chips - Paint

Wear and tear

No.	Component group	Description
1	Front bumper	Front bumper - Stone chips - No deduction

The vehicle shows signs of wear and tear commensurate with its age and use.

Previous damages

No.	Previous damage	Extent of damage (Net)
1	Front, Side right, Professionally repaired, Invoice of repair done Non-existent, from 22 Feb 2025	8.685,84 €

Repainting

No.	Repainting
1	Bonnet, Professionally carried out, Invoice of repair done Non-existent

Paint coat thickness measurement

Bonnet	220 µm

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
(Delivery by third-party service providers)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
(Functional testing of driver assistance systems is not included in the scope of services!)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

Professionally repaired previous damages were found at the vehicle.
