

Expertise

Protocol number: 45807842
Order No. / Reference: 26407492
Inspection date: 29 May 2026

Manufacturer: Audi
VIN: WAUZZZF25PN049375

Model: A6 Avant 40 TDI S tronic sport

Vehicle details	
Manufacturer / Type / Model / Equipment	
Audi A6 Avant 40 TDI S tronic sport	
Vehicle Identification number	WAUZZZF25PN049375
Mileage (Read)	137,752 km
First registration	24 Mar 2023
Number of holders	1
Power / Engine displacement	150 kw / 1,968 ccm
Fuel type / Cylinder	Hybrid Diesel / E / 4
Gearbox / Number of gears	Automatic / 7
Type of drive	Front drive
Type of vehicle	Station wagon
Colour / colour code	Daytonagrau Perleffekt
Doors / Seats	5 / 5
Upholstery type	Cloth
Colour of upholstery	Black

Vehicle details

Maintenance booklet / proof	digital proof / complete	Next maintenance in	17,600 km
Key is / should be	2 / 2	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	GS426465
Previous damage / Accident	None detectable	Repainting	None detectable
Inspection conditions	sufficient	Lifting equipment / pit	No
Test drive	Not performed	Engine function test	Performed
Manufacturer key number/ type code number	0588 / BSZ 02463		
Emission standard	EURO6;WLTP;AP;PI/CI; M, N1 I	fine dust sticker	
Permitted total weight	2,330 kg	Empty weight	

Tyres

Mounted tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	225/55 R18 102Y	Summer tyres on Light alloy	Michelin	4mm / 4mm
2)	225/55 R18 102Y	Summer tyres on Light alloy	Michelin	4mm / 4mm

Replacement

Typ	Tyre size	Type of tyre	Manufacturer	Tread depth
	Tirefit	Expiration date 02/2028		

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- AdBlue tank (12 liters)
- Airbag for driver and front passenger
- Airbag for driver and front passenger (full-size airbag, with front passenger airbag deactivation)
- Airbag: Front side airbags and head airbag system (front side airbags integrated into the seatbacks - with additional head airbag system: deploys in front of the side window area and thus protects the front and outer rear passengers in the event of a side impact)
- Audi connect emergency call & service m.connect remote & control
- Audi connect Emergency Call & Service with m.connect Remote & Control (The Audi connect Emergency Call & Service services ensure a safe feeling on every journey. - Emergency call - Online breakdown call - Audi damage service - Audi service appointment online Audi connect Remote & Control: - Vehicle status - Remote locking/unlocking - Parking position - Remote control of auxiliary heating - Push notification of anti-theft alarm system)
- Audi pre sense front
- Audi pre sense front (Within system limits, it can warn of impending collisions depending on the situation and speed and initiate appropriate braking. The system is active from approximately 5 km/h. Pedestrians and cyclists can be detected at speeds up to approximately 85 km/h and vehicles at speeds up to 250 km/h: If an impending frontal collision is detected, the system warns the driver visually, audibly, and haptically in a multi-stage process.)
- Exterior mirror housings in body color
- Control buttons, matte black
- Fabric headliner
- Decorative inlays aluminum fragment (for dashboard, door panels and center console; including aluminum-look trim)
- Tachometer
- Parking aid plus with surround view
- Door sill trims with aluminum inlay front and rear (unlit)
- Driver information system with color display (7-inch color display; display content: speed (digital speedometer), time, mileage, outside temperature, fuel warning with remaining range, gear shift recommendation, current radio station or music track, radio and media lists, telephone menu, navigation information and driver assistance system alerts (if available), on-board computer; the integrated efficiency program supports the driver with consumption data overviews and fuel-saving tips for more economical driving, break recommendation)
- Cruise control including speed limiter (The cruise control maintains the desired speed from 20 to 250 km/h by adjusting engine power or by actively applying the brakes, provided engine and braking performance allow. It is operated via a separate steering column stalk, including a display of the set speed in the driver information system. The speed limiter helps to prevent exceeding a preset maximum speed.)
- Transmission: S tronic 7-speed
- AdBlue tank (12 liters) (tank for AdBlue solution for reducing nitrogen oxides in the exhaust gas using an SCR system)
- Airbag: Front side airbags and head airbag system
- Anti-lock braking system (ABS)
- Audi connect navigation & infotainment
- Audi connect Navigation & Infotainment (Navigation with Google Satellite Map - Online search for navigation destinations - Online voice input - Online traffic information/Traffic Info Plus - Online points of interest - On-street parking - Hazard information - Online traffic sign information - myAudi Navigation - Highly detailed 3D city display - Amazon Alexa integration - Online media streaming (e.g., Amazon Music integration) - Online radio - Hybrid radio - Weather information - Online news - Wi-Fi hotspot - User profiles)
- Audi drive select
- Audi drive select (adjustment of vehicle characteristics in the available modes auto, comfort, dynamic, efficiency, allroad, offroad, individual by adjusting steering assistance, engine characteristics or shift characteristics, dynamic all-wheel steering, damper control, adaptive air suspension, sport differential, ultra technology, adaptive speed assistant, Matrix LED headlights and setting of other optional equipment.)
- Audi virtual cockpit plus
- Electrically adjustable and heated exterior mirrors
- Electrically adjustable and heated exterior mirrors (with integrated LED indicator lights, including heated windshield washer nozzles, aspherical mirror glass)
- third brake light
- Aluminum roof rails
- Decorative inlays, fine lacquer, graphite grey
- Diesel particulate filter (DPF) with nitrogen oxide catalyst and AdBlue tank
- Door sills with aluminum inlay front and rear
- Electronic Stability Control (ESC)
- Window trim strips, aluminum look
- key fob
- Remote key (locks and unlocks the doors, luggage compartment and fuel filler flap. Driving authorization is granted without actively using the key (keyless go). The driver must be in the vehicle and have the key with them. The engine is started and stopped via the engine start/stop button in the center console.)
- Luggage compartment lid, electrically opening and closing
- Electrically opening and closing tailgate (The tailgate can be opened electrically by pressing the button on the vehicle key, in the driver's door, or the soft-touch button on the tailgate handle. To close the tailgate: simply press the button on the inside of the tailgate, the button in the driver's door, or the button on the vehicle key. A6 Avant: Opening the tailgate in low-ceiling areas is made easier by a programmable opening angle.)
- Cruise control system with speed limiter
- Interior lighting

- Interior lighting (front and rear roof module, including reading lights (capacitively switched), illuminated vanity mirrors for driver and front passenger, entry lights on the underside of the front doors, front/rear door controls, front storage compartment, glove compartment, front/rear footwell lighting, right/left trunk lighting)
- 2-zone automatic climate control (separate temperature distribution for driver and front passenger side, rear compartment air conditioning via air vents in the rear center console, defroster nozzles for windshield and side windows, combined pollutant and fine dust filter)
- LED headlights
- Steering wheel: Leather steering wheel, 3-spoke, with multifunction and paddle shifters (paddle shifters allow manual changing of the driving modes.)
- Steering wheel: Leather steering wheel with multifunction controls
- Manual steering wheel adjustment
- Steering column, manually adjustable in height and axis
- MMI navigation with MMI touch response
- Non-smoking version
- Gloss package (window channel strips in anodized aluminum - B-pillar trim exterior in high-gloss black - rear light trim in chrome)
- Non-smoking package (no ashtray in the front center console, one 12-volt socket each in the front and rear)
- Progressive steering
- Progressive steering (increases driving dynamics and driving comfort through more direct steering response (e.g. on winding country roads or when turning) and reduced steering effort (e.g. when parking and maneuvering); driving characteristics through a steering ratio dependent on the steering angle and speed-dependent steering assistance; various modes, adjustable via Audi drive select)
- Radio: MMI Radio plus with MMI touch response
- Radio accessories: 8 speakers (passive) front and rear
- Rail system with fixing set
- Rail system with fixing set (loading floor in the luggage compartment with one rail each on the left and right - with four variable lashing eyes which can be variably positioned in the rail system - with tension strap on the right for fixing objects and a net on the left - with two hooks on the right and left)
- Seat covers in fabric
- Seats: 4-way lumbar support (electrically adjustable, horizontally and vertically)
- Seats: Split-folding rear seat backrest Avant (distinctive outer rear seats, visually adapted to the front seats, and an additional central seating option - 3 rear L-shaped headrests, manually height-adjustable - three 3-point seat belts - rear seat backrest split 40:20:40 or fully foldable - one-piece, foldable rear center armrest with storage compartment - with remote backrest release in the boot, removable partition net, to be attached to the body or to the folded-down rear seat backrest)
- Start-stop system

- Interior mirror dimming
- ISOFIX child seat attachment and Top Tether for the outer rear seats
- ISOFIX and Top Tether child seat attachment for the outer rear seats (holding device for the practical attachment of ISOFIX child seats with an additional upper attachment point (Top Tether) on the outer rear seats)
- Comfort center armrest in front
- Headrests (4)
- Headrests (4) (front ones manually height adjustable)
- Paint finish: Solid
- LED headlights (The headlights have the following functions: - Daytime running lights - Low beam - High beam - Position lights - Turn signals (incandescent bulb technology) - All-weather lights (to reduce glare in poor visibility conditions) LED taillights - Turn signals, brake lights, tail lights, reversing lights and rear license plate lights (LED technology)
- Front center armrest (adjustable in tilt, movable in length)
- MMI Navigation with MMI touch response (10.1-inch color display (1,540 × 720) additional display of the navigation map or arrow display in the driver information system map update 3D map display efficiency assistant online traffic information MMI search MMI touch response for quick, intuitive operation easy operation of the infotainment system via natural language interaction detailed route information input of up to 10 waypoints selected portfolio Audi connect Navigation & Infotainment)
- Wheel: Alloy wheels 5-arm design (8 J x 18 with tires 225/55 R 18)
- Wheel: Tire pressure monitoring system
- Wheel: Tire pressure monitoring system (visual and audible warning in case of pressure loss in one or more wheels - display in the driver information system)
- Wheel: Tire repair kit
- Radio: MMI Radio plus with MMI touch response (10.1-inch color display - driver information system with 7" TFT color display - Audi music interface; 2 USB-C ports with data and charging function - Bluetooth interface (hands-free calling and audio streaming) - separate MMI touch control unit with 8.6" color display including MMI touch response with haptic feedback; for controlling the climate control function and input field for handwriting recognition - AM/FM phase diversity - speed-dependent volume adjustment - DAB+)
- Fabric seat covers with effect
- Seats: Standard front seats
- Seats: Split-folding rear seat backrest Avant
- Seats: Front sports seats (with manual adjustment of seat height, seat longitudinal position, seat tilt, backrest tilt, headrest height and distance and belt height with pronounced seat side bolsters for better lateral support in curves, extendable thigh support and electric 4-way lumbar support)
- Sun visor on driver and passenger side
- Lane Departure Warning

- Start-stop system (helps reduce fuel consumption and CO₂ emissions by switching off the engine during stationary phases, e.g. at traffic lights. For restarting, the starting process is initiated as soon as the foot brake is released. Can be deactivated at any time via a button.)
- First aid kit including warning triangle and high-visibility vests
- Glazing: Rear window, rear door and side windows in clear glass
- Thermal insulation glazing on the sides and rear
- Central locking

Extra equipment

- AdBlue tank with increased filling volume (AdBlue tank with 22 liter filling volume - for diesel vehicles with SCR technology, to reduce nitrogen oxides in the exhaust gas)
- Electrically adjustable, heated and folding exterior mirrors, automatically dimming on both sides (including curb view function for the passenger-side exterior mirror with integrated LED turn signal, including heated windshield washer nozzles, aspherical mirror glass. The curb view function tilts the passenger-side exterior mirror downwards when reverse gear is engaged, providing the driver with a better view of the curb.)
- Fuel tank (73 liters) (fuel tank for 73 liters of gasoline/diesel fuel)
- Paint finish: Daytona Gray Pearl Effect
- Assistance Package Tour (Adaptive Driving Assistant, Adaptive Speed Assistant provides support within system limits for acceleration, braking, and maintaining speed and distance with Lane Keeping Assist - Efficiency Assistant - Turning Assistant, monitors the oncoming lane using data from the radar sensor and front camera as soon as the turn signal is activated - Evasive Steering Assist, helps the driver steer the vehicle around an obstacle in a critical situation - Emergency Assist)
- Black Optics Package Plus (Black optics package with Audi rings front/rear and model designation in black)
- S line exterior package (S-specific front and rear bumpers with S line-specific inserts (honeycomb structure), S line-specific side air intake grilles in matte titanium black with platinum grey inlays, radiator grille in matte titanium black with louvers in matte aluminum silver, S-specific side sill/door trim strips painted in body color, illuminated door sill trims with aluminum inlay front and rear, with S lettering at the front, S line emblem on the front fenders, S line-specific diffuser insert, tailpipe look in matte aluminum silver)
- Wheel: Alloy wheels 5-double-arm design (8 J x 18 with tires 225/55 R 18)
- Glazing: Sun protection glazing, tinted (rear window, rear door and side windows tinted)

- Lane Departure Warning (within system limits, helps prevent unintentional lane departures. If the system is activated and ready, and the driver has not used the turn signal, the Lane Departure Warning helps prevent crossing detected lane markings by making corrective steering interventions. Additional steering wheel vibration can be set at the driver's request. Operating range from approximately 60 to a maximum of 250 km/h)
- Glazing: Windscreen in heat-insulating glazing
- Camera-based traffic sign recognition
- Electronic immobilizer
- Heat-insulating glazing on the sides and rear (green tinted, heated rear window with timer)
- Swiveling towbar with electric release (with swiveling ball head, trailer stabilization via electronic stability control (ESC), release via button in the luggage compartment, the integrated swiveling system socket allows continuous operation of electrical devices in the trailer or caravan while driving)
- Black fabric headliner
- Decorative inlays aluminum fragment
- Deletion of model designation and performance/technology lettering
- High beam assist (within the system's limits, it automatically detects oncoming headlights, taillights of other road users, and built-up areas. Depending on the traffic situation, the high beam is automatically switched on or off.)
- Business Package (Assistance Package Tour (adaptive speed assist, efficiency assist, turn assist, evasive steering assist, emergency assist) - 4-zone automatic climate control - heated front seats - Audi phone box - automatically dimming interior mirror - automatically dimming exterior mirrors - adaptive windscreen wipers with integrated washer nozzles - high-beam assist)
- Business Package (Assistance Package Tour: Adaptive Driving Assistant supports the driver with acceleration, braking, maintaining speed and distance, and lane keeping. Adaptive Cruise Control, Speed Limiter. Efficiency Assistant supports the driver with predictive driving. Parking Aid Plus, 4-zone automatic climate control, heated front seats, Audi phone box, automatically dimming interior mirror, automatically dimming exterior mirrors, adaptive windscreen wipers with integrated washer nozzles, high-beam assistant)
- Package: S line exterior package
- Wheel: Audi new car tire warranty (36-month term from vehicle handover to the first customer)
- Seat covers in fabric Rhythm
- Front seat heating (heats seat and backrest center panels; with leather upholstery, sport seats and sport seats plus also seat side bolsters - individually adjustable in multiple stages for driver and front passenger side via the climate control unit)

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. No lifting equipment or pit was available for inspecting the vehicle. Therefore, inspection of the vehicle's underside was only possible to a limited extent.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.

Value reducing factors

No.	Component group	Description
1	Side panel - rear right side	Side panel - Scratch(es) - Smart repair

Wear and tear

No.	Component group	Description
1	Front bumper	Front bumper - Stone chips - No deduction
2	Bonnet	Bonnet - Stone chips - No deduction
3	Vehicle glazing	Windscreen - Stone chips - No deduction
4	Interior	Interior - Soiled - No deduction
5	Rear bumper	Rear bumper - Scratch(es) - No deduction

The vehicle shows signs of wear and tear commensurate with its age and use.

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
(*Delivery by third-party service providers*)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
(*Functional testing of driver assistance systems is not included in the scope of services!*)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

No apparent prior damage that had been repaired could be found on the vehicle.
