

Expertise

Protocol number: 46405030
Order No. / Reference: 26445481
Inspection date: 8 Jul 2026

Manufacturer: Audi

Model: Q5 50 TDI quattro tiptronic S line

VIN: WAUZZZFYP2103226

Vehicle details

Manufacturer / Type / Model / Equipment

Audi Q5 50 TDI quattro tiptronic S line

Vehicle Identification number WAUZZZFYP2103226

Mileage (Read) 135,031 km

First registration 13 Apr 2023

Number of holders 1

Next periodical technical inspection 04/2026
(Report not on hand)

Power / Engine displacement 210 kw / 2,967 ccm

Fuel type / Cylinder Hybrid Diesel / E / 6

Gearbox / Number of gears Automatic / 8

Type of drive All-wheel drive

Type of vehicle SUV

Colour / colour code Chronosgrau Metallic

Doors / Seats 5 / 5

Upholstery type Leather

Colour of upholstery Black

Re-import no

readiness to drive Roadworthy

Vehicle details

Maintenance booklet / proof	digital proof / complete	Next maintenance in	21 Tag(e)
Last service on / at	11/2025 at 119,575 km		
Key is / should be	2 / 2	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	GS432587
Previous damage / Accident	Detectable	Repainting	Detectable
Inspection conditions	sufficient	Lifting equipment / pit	No
Test drive	Not performed	Engine function test	Performed
readiness to drive	Roadworthy		
Manufacturer key number/ type code number	0588 / BXH 00370		
Emission standard	EURO6;WLTP;AP;PI/CI; M, N1 I	fine dust sticker	
Permitted total weight	2,645 kg	Empty weight	

Tyres

Mounted tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	255/45 R20 101W	Summer tyres on Light alloy	Pirelli	6mm / 6mm
2)	255/45 R20 101W	Summer tyres on Light alloy	Pirelli	4mm / 4mm

Additional tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	235/65 R17 108H	Winter tyres on Light alloy	Goodyear	7mm / 7mm
2)	235/65 R17 108H	Winter tyres on Light alloy	Goodyear	7mm / 7mm

Replacement

Typ	Tyre size	Type of tyre	Manufacturer	Tread depth
N	195/70 R18 106P	Summer tyres on Steel	Vredestein	2 mm

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- AdBlue tank (12 liters)
- Airbag: Front side airbags and head airbag system
- All-wheel drive "quattro"
- Traction control (ASR)
- Audi drive select
- Audi pre sense city
- Exterior mirror housings in body color
- third brake light
- Roof edge spoiler
- Decorative inlays Micrometallic silver
- Tachometer
- Door sill trims with aluminum inlay at the front, illuminated, with S lettering
- Electronic Stability Control (ESC)
- Electric windows front and rear
- front and rear floor mats
- Cruise control system including speed limiter
- Heated rear window
- Interior lighting
- Manual child lock
- boot floor mat
- Rear headrests (3)
- Stainless steel loading sill protector
- Light/rain sensor
- front center armrest
- Non-smoking version
- Wheel: Tire pressure monitoring system
- Radio accessories: Data module Europe
- Seat belts
- Seats: Front seats manually adjustable
- Start-stop system
- Separation net
- Glazing: Windscreen in heat-insulating and acoustic glazing
- Electronic immobilizer
- thermal insulation glazing
- black decorative trim
- Airbag for driver and front passenger
- Accent areas matte black
- Anti-lock braking system (ABS)
- Audi connect emergency call & service with Audi connect Remote & Control
- Electrically adjustable and heated exterior mirrors
- Hill descent control
- Fabric headliner
- Black roof rails with roof rack recognition
- Diesel particulate filter (DPF)
- Rear parking sensors
- Electromechanical parking brake
- Electronic Differential Lock (EDS)
- Driver Information System
- Remote key (without Safe-Lock)
- Luggage compartment lid, electrically opening and closing
- Transmission: tiptronic (8-speed)
- rear window wiper
- Interior mirror dimming
- ISOFIX child seat attachment and Top Tether for the outer rear seats
- Front headrests
- LED taillights
- Mild hybrid
- Model designation according to new performance labeling
- Wheel: On-board tools (excluding jack)
- Wheel: Tire repair kit
- Electromechanical power steering
- Seats: Split-folding rear seat backrest
- Front sun visor
- Phone: Bluetooth interface
- First aid kit with warning triangle
- Glazing: Clear glass
- Glazing: Side and rear panes are made of heat-insulating glass.
- Central locking with remote control

Extra equipment

- Airbag: Front and rear side airbags and head airbag system (Front and rear side airbags and the head airbag system offer additional protection for the occupants)
- Towbar (ball head mechanically swiveling with electric release - ball rod and head made of forged steel - operation via push button in the luggage compartment - trailer stabilization via the electronic stability control (ESC) The integrated swiveling system socket allows continuous operation of electrical devices in the trailer or caravan while driving and can be swivelled invisibly behind the bumper apron when not in use)
- Control elements in black leather Audi exclusive (steering wheel rim, gear selector knob in black leather Audi exclusive - stitching colors can be selected from the range of main, accent and additional colors Audi exclusive)
- Deletion of performance/technology lettering
- Chassis: adaptive air suspension (electronically controlled air suspension with continuously adaptive damping system at all 4 wheels, automatically regulates vehicle level and damping, including level control and manual lift function - setting of various modes via Audi drive select - with 5-link lightweight front axle; controlled shock absorbers and air springs; stabilizer; front axle carrier rigidly bolted to the body - with 5-link lightweight rear axle with independent wheel suspension; controlled shock absorbers and air springs, rear axle carrier)
- Interior elements in synthetic leather (lower center console and armrest in the doors in synthetic leather)
- 3-zone automatic climate control (climate control unit with large TFT display and capacitive rocker switches - electronically regulates the air temperature and distribution individually for driver and front passenger - additional climate control unit for setting the rear passenger compartment temperature in the rear center console - automatic recirculation control - dust and odor-removing cabin air filter - residual heat utilization - buttons for defrosting the front and rear windows - with key recognition and humidity sensor)
- Headrests: variable headrests for front seats (with manual adjustment of headrest height and distance)
- Paint finish: Metallic
- LED taillights: OLED taillights with specific taillight signature 3 (3 ultra-thin light elements per taillight - individually switchable OLED segments with three-dimensional arrangement - one of 3 taillight signatures selectable when purchasing the vehicle - dynamic light staging of the coming home/leaving home function - automatic adjustment of the signature while driving)
- Audi exclusive leather interior, extended (For the armrest in the doors and the center console in fine nappa leather, selection from the Audi exclusive range of main and accent colors available)
- Glossy black accent surfaces (for air vents and center console insert)
- All-wheel drive "quattro" with sport differential (permanent all-wheel drive with self-locking center differential and sport differential on the rear axle. The classic rear axle differential has been extended by two superimposed units with electronically controlled multi-plate clutches. The intelligent quattro strategy continuously determines a distribution of drive torque designed for outstanding driving dynamics and actively and variably distributes it between the rear wheels.)
- Black fabric headliner
- Decorative inlays in matt brushed aluminum (for dashboard, door panels and center console)
- Parking aid plus (supports the driver with acoustic signals and a display message when parking and maneuvering. The parking aid is activated by engaging reverse gear or via a button in the center console, or automatically when the distance to a detected object is less than 90 cm. Automatic activation can be switched on and off.)
- Chassis: quattro with sport differential
- Climate-controlled cup holder (in the center console between the front seats, keeps drinks warm or cool; the second cup holder on the driver's side is not climate-controlled)
- Hold assist (holds the vehicle indefinitely after stopping on inclines and declines typical in road traffic.)
- Camera-based traffic sign recognition (Supports the driver by displaying traffic signs detected within the system's limits, such as speed limits, no-overtaking zones, and temporary speed restrictions, which are within the detection range of the front camera. The traffic sign recognition is displayed automatically in the digital instrument cluster or in the optional Audi virtual cockpit.)
- Comfort center armrest at the front (adjustable in tilt and longitudinally sliding or completely foldable)
- Comfort key (without Safelock) (provides access and engine start authorization without actively using the vehicle key. With the electronic access and immobilizer system, you can open your vehicle at the doors and tailgate via wireless communication between the key and the vehicle, and lock it using the sensors on the door handles. The comfort key must be carried in the vehicle for this to work. The engine is started and stopped using the engine start/stop button.)
- LED headlights: Matrix LED headlights, OLED taillights with specific taillight signature 1 (with dynamic light staging Coming/Leaving Home and dynamic turn signals - multifunction camera - headlight cleaning system - OLED taillights). LED headlights front and rear with the following functionalities: - visually enhanced daytime running lights - low beam - high beam - position lights - turn signals - cornering lights - all-weather lights - maneuvering lights - motorway lights - automatic dynamic headlight range control - static cornering lights)
- Electric steering wheel adjustment (adjustable in height and distance, with automatic entry and exit)

- Steering wheel: Leather steering wheel in 3-spoke design with multifunction plus (with 14 multifunction buttons for convenient operation of the available infotainment features such as audio skip, telephony, NAV button or the freely programmable button - adjustable in height and distance - with full-size airbag - shift paddles for manual changing of the driving modes)
- Ambient lighting package (in addition to the standard interior lighting (LED): - approach lighting in the exterior door handles - entry lights on the underside of the front doors - front footwell lighting - illuminated interior door handles front and rear - ambient lighting in the front and rear doors - illuminated storage compartment below the instrument panel - ambient lighting on the front center console)
- Tour Assistance Package (adaptive cruise control - traffic jam assist - Audi active lane assist - predictive efficiency assist - Audi pre sense front - evasive steering assist - left turn assist - high beam assist - camera-based traffic sign recognition)
- Function package tire package (on-board tools and jack in the luggage compartment - spare folding wheel, maximum permissible speed 80 km/h; with compressor)
- S line interior package (sports seats in front - black cloth/leather combination with S embossing on the seatbacks - 3-spoke leather steering wheel with multifunction plus in black (perforated leather steering wheel grips) with S emblem; with contrast stitching, color-coordinated with the respective interior color; with shift paddles - matte brushed aluminum trim - glossy black accents - illuminated front door sills with aluminum inserts - stainless steel pedals and footrest (not for plug-in hybrids) - front and rear floor mats - black cloth headliner)
- Panoramic glass roof (2-piece, electric operation for tilting and opening the front glass element, tinted glass insert; including an electrically operated sunshade for the front and rear passengers, comfort closing from the outside via the vehicle key, ensures a light-flooded interior ambience, improves the interior climate through efficient ventilation, including integrated wind deflector.)
- Radio accessories: Bang & Olufsen Premium Sound System with 3D sound (19 speakers (including center speaker/subwoofer and additional 3D sound tweeters and midrange drivers) - 16-channel amplifier with 755 watts - illuminated front speaker grilles - speed-dependent volume adjustment - spatial sound reproduction thanks to the new 3D sound feature. This is created by additional speakers in the A-pillar, by the midrange drivers and by Fraunhofer Symphoria technology.)
- Rail system with fixing set (in the luggage compartment, with telescopic rod, fastening strap and 4 variable lashing eyes for individual division of the luggage compartment and for fixing objects)
- Storage and luggage compartment package (flexible transport of items and comfort while traveling; consisting of: - storage net on the back of the front seatbacks - cup holder in the rear center armrest - storage compartment on the driver's side - lockable glove compartment in the luggage compartment: - luggage compartment net - net in the recess on the left - tension strap on the trunk side (not available for SQ5 Sportback))
- City Assistance Package (includes a selection of assistance systems specifically for city traffic - Parking aid plus - Reversing camera - Lane change warning - Audi Pre sense basic - Audi Pre sense rear - Exit warning and rear cross traffic assist)
- Business Package (Audi phone box - MMI Navigation plus (incl. driver information system with color display) - Audi virtual cockpit - 3-spoke leather steering wheel with multifunction plus - Heated front seats - Automatically dimming interior mirror - Electrically adjustable, heated and folding exterior mirrors, automatically dimming on both sides incl. curb view function for the passenger mirror - High-beam assistant - Manual sunshade for rear door windows)
- Black Optics Package Plus (Black Optics Package (black accents in the area of the Audi Singleframe grille, the trim strips on the side windows and the front and rear bumpers, exterior mirror housings in black (optionally available), roof rails in black), Audi rings front and rear and model designation on the rear in black. On the S model, the model designation in the radiator grille and the tailpipe design are also finished in black)
- Wheel: Light alloy wheels, 20" 5-V-spoke star, anthracite black, gloss turned (8.0 J x 20, tires 255/45 R 20. An offer from Audi Sport GmbH)
- Wheel: Wheel bolts are theft-resistant (can only be loosened using the supplied adapter)
- Wheel: Winter wheels with light alloy rims, 20" 5-segment spokes (8.0 J x 20, winter tires 255/45 R 20 not suitable for snow chains, maximum permissible speed 240 km/h)
- Radio accessories: USB Type-C charging cable for Type-C devices (USB adapter cable with Type-C connector for use with the Audi music interface, Audi smartphone interface, or USB charging function. The USB Type-C port in the vehicle supports 15 W. Power Delivery up to 60 watts is supported.)
- Radio accessories: USB charging ports for rear passengers (two USB-A charging ports for rear passengers in the rear center console)
- Seat covers in fine nappa leather with S embossing (seat center panel, seat side bolsters, headrest center panel and center armrest in fine nappa leather - diamond quilting - S embossing in the backrests of the front seats)
- Seats: Rear bench seat plus (including longitudinal adjustment and backrest tilt - fold-out center armrest with 2 cup holders - rear seat backrest split 40:20:40 or fully foldable - including load-through facility - remote backrest release in the luggage compartment for the two outer backrest sections (no separate remote release for the smaller center section) - rear L-shaped headrests, manually adjustable)

- Seats: Pneumatically adjustable lumbar support with massage function (The lumbar support provides support in the lumbar region through targeted inflation and deflation of three lordosis bladders and is adjustable via lumbar support buttons on the seat. The massage function, with three different programs (wave, stretch, kneading) and three intensity levels, can be switched on and off via the lumbar support buttons with integrated direct massage buttons. Programs and intensity levels can be adjusted via the MMI. Massage duration approximately 10 minutes.)
- Seats: Electrically adjustable front seats with memory function for the driver's seat and exterior mirrors (4-way lumbar support for the front seats - electrically adjustable, heated and folding exterior mirrors, automatically dimming on both sides, with memory function - electrically adjustable front seats with memory function for the driver's seat)
- Telephone: Audi Phone Box (features as Audi phone box light; additional functions: The Audi phone box includes: - Bluetooth interface - Hands-free system - Coupling antenna for connecting the mobile phone to the external antenna for improved reception quality and reduced mobile phone radiation in the vehicle interior - LTE support - Charging option via USB port or wireless charging (Qi standard) - Forgetfulness warning - Charging status display in the MMI touch display)
- Telephone: Smartphone Interface in conjunction with Business Package or MMI Navigation (The smartphone interface (Android Auto and Apple CarPlay) connects your smartphone to your Audi and seamlessly displays your smartphone content directly on the MMI display via USB. Navigation, telephony, music, and selected third-party apps can be conveniently controlled via the MMI touchscreen and your smartphone's voice control. The connection can be established either using a suitable USB cable or wirelessly.)
- Front and rear seat heating (heats seat and backrest center section, with leather upholstery and sports seats; also seat side bolsters - individually adjustable in multiple stages for driver and front passenger - additionally for the outer rear seats, separately adjustable)
- Front sun visor, sliding
- Auxiliary heating and ventilation (The auxiliary heater warms the interior and defrosts the windows without starting the engine. The auxiliary ventilation supplies fresh air and lowers the interior temperature. Both functions can be activated using a timer and a separate remote control. An intelligent control system with timer and departure time programming calculates the heating duration efficiently in terms of time and energy. Two heating modes are selectable: "defrost" (for the windows) and "warm" (for additional preheating of the interior).)
- Variable folding luggage compartment mat (foldable and collapsible in several segments; usable in full length to cover the luggage compartment floor even with the rear seat backrest folded down and for variable division of the load space; protective length sufficient also for the loading edge and the bumper)
- Glazing: Acoustic glazing for front door windows (Front door windows with acoustic glazing provide improved external noise insulation.)
- Glazing: Sun protection glazing, tinted (rear window, rear door and side windows tinted)

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. No lifting equipment or pit was available for inspecting the vehicle. Therefore, inspection of the vehicle's underside was only possible to a limited extent.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.
readiness to drive	The vehicle was roadworthy at the time of inspection.

Value reducing factors

No.	Component group	Description
1	Boot lid / rear door	Boot lid - Glued / labelled - De-glue / neutralise
2	Misc.	Main inspection - Due - Perform
3	Bonnet	Bonnet - Scratch(es) - Paint

Wear and tear

No.	Component group	Description
1	Vehicle glazing	Windscreen - Stone chips - No deduction
2	Interior	Interior - Scratch(es) - No deduction
3	Rear bumper	Rear bumper - Scratch(es) - No deduction

The vehicle shows signs of wear and tear commensurate with its age and use.

Previous damages

No.	Previous damage	Extent of damage (Net)
1	Rear, Side right, Provided by user / customer, from 10 Apr 2026	5.896,42 €

Accident damages

No. Accident

1	Front
---	-------

Repainting

No. Repainting

1	Side panel - rear right side
2	Door - front right side

Paint coat thickness measurement

Side panel - rear right side	372 µm	Door - front right side	184 µm

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
(Delivery by third-party service providers)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
(Functional testing of driver assistance systems is not included in the scope of services!)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

Non-repaired previous damages were found at the vehicle. The necessary repair costs are listed in the expert report or if necessary, are listed in detail in a separately enclosed repair cost calculation.

Comments

- Die Unterbodenbesichtigung war nur ebenerdig & eingeschränkt möglich - Mehrkosten möglich.
- Die beigefügte Reparaturkostenkalkulation wurde nach bestem Wissen und Gewissen unter eingeschränkten Besichtigungsbedingung im demontagefreien Zustand erstellt. Es können aufgrund verdeckter Beschädigung erhebliche Mehrkosten und somit Abweichung der für den Unfall ausgewiesenen Reparaturkosten nicht ausgeschlossen werden.
- Winterradsatz ist kein Bestandteil des Auslieferungsumfangs.
