Expertise

Protocol number: 48504000
Order No. / Reference: 27235492
Inspection date: 2 Nov 2026

Manufacturer: Audi	Model: Q4 e-tron 50 Sportback quattro
VIN: WAUZZZFZ6RP006880	

Vehicle details

Manufacturer / Type / Model / Equipment	
Audi Q4 e-tron 50 Sportback quattro	
Vehicle Identification number	WAUZZZFZ6RP006880
Mileage (Read)	107,062 km
First registration	4 Oct 2023
Number of holders	1
Fuel type	Electric
Power	77 kW
Gearbox / Number of gears	Direct drive / 1
Type of drive	All-wheel drive
Type of vehicle	SUV
Colour / colour code	Mythosschwarz Metallic (Y9T)
Doors / Seats	5 / 5
Upholstery type	Leather
Colour of upholstery	Black

Vehicle details

Maintenance booklet / proof	digital evidence / incomplete	**Next maintenance in**	10 Monat(e)
Last service on / at	09/2025 at 85,932 km		
Key is / should be	2 / 2	**FZG documents**	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	GY208039
Previous damage / Accident	Detectable	**Repainting**	Detectable
Inspection conditions	sufficient	**Lifting equipment / pit**	yes
Test drive	Not performed	**Engine function test**	Performed
Manufacturer key number/ type code number	0588 / BZU 00036		
Emission standard	2017/1151	**fine dust sticker**	
Permitted total weight	2,715 kg	**Empty weight**	

Tyres

Mounted tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	235/55 R19 101T	Winter tyres on Light alloy	Bridgestone	6mm / 6mm
2)	255/50 R19 103T	Winter tyres on Light alloy	Bridgestone	4mm / 4mm

Additional tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	235/55 R19 101T	Summer tyres on Light alloy	Pirelli	4mm / 5mm
2)	255/50 R19 103T	Summer tyres on Light alloy	Pirelli	3mm / 3mm

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- 12-volt socket (12-volt on-board power socket and 2 x USB-C ports for charging devices)
- Acoustic vehicle warning system (generating a warning tone to increase traffic safety for pedestrians and cyclists)
- Airbag for driver and front passenger (with front passenger airbag deactivation)
- Audi connect Emergency Call and Service (In the event of a serious accident, an automatic emergency call is triggered to the Audi emergency call center. Using the automatically transmitted vehicle information, help can be organized as quickly as possible. Even in the event of a breakdown or minor accident, immediate assistance is available via the online breakdown call and the Audi damage service. Includes the following services: - legal emergency call - Audi connect emergency call - online breakdown call - Audi damage service)
- Automatic climate control (1-zone automatic climate control - electronically regulates air temperature, quantity and distribution - sun position-dependent control - automatic recirculation control - dust and odor separating allergen filter - separate defroster button for faster defrosting of the front and side windows)
- Camera-based traffic sign recognition (Camera-based traffic sign recognition assists with driving by displaying traffic signs detected within the system's boundaries, such as speed limits, no-overtaking zones, and temporary speed restrictions, which are within the detection range of the front camera. Within the system's boundaries, the system recognizes the beginning and end of highways, expressways, towns, and traffic-calmed areas.)
- Electrically adjustable/heated exterior mirrors (left aspherical, right convex - housing painted in body color - with integrated LED side indicators - including heated windscreen washer nozzles)
- Evasive Steering Assist and Turning Assist (The Evasive Steering Assist can help the driver steer the vehicle around an obstacle in an evasive situation deemed critical. If the driver actively avoids the obstacle after the acute warning, the Evasive Steering Assist supports them by selectively braking the wheels and applying a small steering torque to correct the steering angle.)
- Interior lighting (LED roof module front/rear - luggage compartment light right - illuminated vanity mirrors for driver and passenger side - illuminated glove compartment - storage compartment center console front)
- Lane Departure Warning (within system limits, helps prevent unintentional lane departures. If the system is activated and ready, and the driver has not used the turn signal, the Lane Departure Warning helps prevent crossing detected lane markings by making corrective steering interventions. Additional steering wheel vibration can be set at the driver's request. Operating range from approximately 60 to a maximum of 250 km/h)
- Airbag: Front side airbags, with head airbag and interaction airbag in the front (front side airbags integrated into the seatbacks. With head airbag system: deploys in front of the side window area and can thus protect front and outer rear passengers in the event of a side impact.)
- Anti-lock braking system (ABS)
- Audi connect Remote & Control for MMI plus and pro (The services of Audi connect Remote & Control connect the vehicle to the smartphone. With the myAudi app, the vehicle can be accessed remotely, and its last parking location and current vehicle status can be viewed. This includes, among other things, the current electric range, the current charge level, and the current mileage. Audi connect Remote & Control for MMI basic includes the following services: - Parking location - Vehicle status - Remote charging control - Remote climate control)
- Audi drive select
- Audi pre sense front (within system limits, uses a front radar to detect the area in front of the vehicle and warns the driver with visual and acoustic signals to indicate a potential hazard from vehicles ahead, whether moving or stationary – pedestrian and cyclist detection registers, within system limits, when a pedestrian or cyclist is moving on or crossing the road. The system then warns the driver with an acoustic and visual signal)
- Central locking
- Combo 2 (EU) charging socket (charging access to the high-voltage battery via Combined Charging System Type 2 (CCS 2), i.e., a combined AC and DC charging access. The DC charging access enables high-power charging. - Charging access via AC (Mode 2 and Mode 3) - Charging access via DC charging stations (Mode 4))
- Comfort center armrest in the front (adjustable in tilt and longitudinally movable)
- Electrically opening and closing tailgate without sensor-controlled tailgate release (The tailgate can be opened electrically by pressing the button on the vehicle key, in the driver's door, or the soft-touch button on the tailgate handle. Closing the tailgate is just as easy and convenient: simply press the button on the inside of the tailgate, the button in the driver's door, or the button on the optional comfort key. A soft-close mechanism facilitates manual closing when necessary.)
- Electronic immobilizer
- Electronic Stability Control (ESC)
- Fabric headliner
- First aid kit with warning triangle (warning triangle - first aid kit - 2 high-visibility vests)
- Front and rear floor mats (made of velour in black)
- Headrests (5) (height adjustable front and rear)
- i-Size child seat attachment on the front passenger side, i-Size and Top Tether on the outer rear seats (standard mounting for the practical attachment of i-Size and ISOFIX child seats; including additional attachment points (Top Tether)).)
- Interior mirror dimming

- LED taillights (The light signature is a visible identifying feature to the rear. The LED taillights impress with faster activation of the taillights and brake lights, thus enabling earlier detection by following traffic. The LED taillights include: - Turn signals - Brake lights - Taillights - License plate lights - Reversing lights in white)
- Light and rain sensor
- Mode 3 charging cable for public charging (charging cable for charging at public AC charging stations (Type 2). The cable connects the charging station to the vehicle's AC charging port. A current of up to 32 A can be transmitted per phase.)
- On-board charger up to 11 kW (AC) (The Audi e-tron can be charged with a maximum alternating current (AC) charging capacity of up to 11 kW as standard. The on-board charger integrated into the vehicle sets the AC charging capacity, which is limited to 11 kW. The AC/DC converter converts alternating current (AC) to direct current (DC) during the charging process to charge the high-voltage battery.)
- Radio: MMI Radio (high-resolution 10.1-inch color display including MMI touch operation - 10.25-inch digital instrument cluster - Audi music interface with 2 USB-C ports - Bluetooth interface (hands-free calling and audio streaming) - 4 passive speakers - AM/FM phase diversity - 1 x USB Type-A interface for charging external devices - DAB+ - speed-dependent volume adjustment - voice control system with natural language for controlling infotainment and vehicle functions - WLAN hardware)
- Rear parking aid (supports reversing by acoustically indicating the distance to a detected object behind the vehicle; measured by discreetly integrated ultrasonic sensors in the bumper, active when reverse gear is engaged)
- Speed limiter with preparation for adaptive cruise control (allows individual limiting of the maximum speed from 30 km/h, e.g., within built-up areas. When the set limit is reached, the vehicle's speed is smoothly reduced. Operation is via a separate steering column stalk. The set maximum speed and the system status are displayed in the digital instrument cluster. The limit can be overridden at any time by kick-down.)
- Wheel: Tire pressure monitoring system (visual and audible warning in case of pressure loss in one or more wheels - display in the driver information system)
- Model name and performance/technology lettering
- On-board tools (in the luggage compartment)
- Package: Advanced (Advanced bumper with bottom line all around in contrasting paint finish Manhattan Grey Metallic - Wheels, 5-W-spoke Aero, graphite grey, gloss turned, 8.0 J x 19, tires 235/55 / 255/50 R 19)
- Package: Gloss package (horizontal window trim strips in anodized aluminum)
- Progressive steering (steering with variable steering ratio dependent on steering angle, as well as speed-dependent steering assistance - increasing driving dynamics and driving comfort through more direct steering behavior (e.g. on winding country roads or when turning) and through reduced steering effort (e.g. when parking and maneuvering))
- rear window wiper
- Seats: Front seats manually adjustable
- Seats: Rear seat backrest foldable (split, in a 40:60 ratio or fully foldable)
- Seats: Standard front seats (with manual adjustment of seat height, seat longitudinal position, backrest angle, headrest height and seat belt height)
- Stationary climate control (With the standard stationary climate control, it is possible to cool the interior in summer before starting the journey or to preheat it in winter. The stationary climate control can be specifically scheduled and started by entering a departure time immediately before the start of the journey. The functions can be programmed and activated via the MMI in the vehicle and can be conveniently switched on with the myAudi app.)
- Steering wheel: Double-spoke leather steering wheel with multifunction (For convenient operation of the extensive standard and optional infotainment features, the steering wheel is equipped with multifunction buttons with touch control. Height and reach of the steering wheel are manually adjustable.)
- Tachometer
- Third brake light (in LED technology)
- Transmission: 1-speed direct drive
- Upholstery: Fabric Index

Extra equipment

- Towing device (The mechanically swiveling towing device can be conveniently locked and unlocked via a release mechanism - ball head mechanically swiveling, with electric release - ball rod and head made of forged steel - trailer stabilization via the electronic stability control (ESC) - the integrated swiveling system socket allows continuous operation of electrical devices in the trailer or caravan while driving)
- e-tron compact charging system (The e-tron compact charging system is designed for charging at wall sockets, a so-called Mode 2 charging system. It is portable. It consists of a control unit including a vehicle connection cable and two different mains connection cables (with household and industrial plugs). Manual switching between 100% and 50% charging power. LEDs indicate the status of the charging system and the charging process. Charging power at your vehicle up to 11 kW (three-phase) or 7.4 kW (single-phase).)
- Garage door opener (The control and transmitter unit, which is permanently integrated into the operating concept, is freely programmable. Touchscreen fields for operation can be individually named. A total of up to eight different systems can be saved. The radio technology used ensures reliability and security. External access to the control system via the internet is not possible. A corresponding notification appears when approaching the saved location.)
- Comfort key without Safelock (The vehicle can be unlocked at all doors and the tailgate via wireless communication. The comfort key simply needs to be carried and does not need to be actively used. The vehicle can be locked again using the sensors on the door handles. The engine is started and stopped using the engine start/stop button.)
- Navigation: MMI Navigation pro (11.6-inch MMI Navigation plus with MMI touch including Audi connect Navigation & Infotainment plus - camera-based traffic sign recognition - 10.25-inch Audi virtual cockpit plus with three display options "Classic", "Sport" and "e-tron" - Audi connect Navigation & Infotainment plus - voice control - smartphone interface connects the smartphone to the vehicle's operating system - augmented reality head-up display)
- Package: Assistance Package Plus (Adaptive Cruise Control, the system uses a radar sensor to detect vehicles ahead within the system's limits and maintains the set speed and distance as constant as possible within the control range. - Speed limiter - Parking Assist Plus, supports the driver when parking and maneuvering forwards and backwards with acoustic signals and visual display with virtual lane guidance. - Rearview camera)
- Audi connect Navigation & Infotainment plus (Navigation with Google satellite map - Online search for navigation destinations - Online voice input - Online traffic information plus - Lane-accurate motorway navigation - Highly detailed 3D city display - Online radio - Hybrid radio)
- Decorative inlay in anthracite technical fabric (instrument panel and trim in the center console in slate grey chrome lacquer. Technical fabric is an innovative, technical-looking polyester fabric, partly made from recycled PET bottles (approx. 63%) with a tactile structure and novel appearance.)
- Deletion of model designation and performance/technology lettering
- Chassis: Sport chassis (The sport chassis, with a 15 mm lower ride height compared to the standard chassis and more dynamic spring and damper tuning, uses a McPherson strut axle with lower wishbones, shock absorbers, coil springs, subframe and stabilizer bar at the front. At the rear, a 4-link axle with separate spring and damper arrangement, shock absorbers, coil springs, subframe and stabilizer bar is used.)
- Electrically opening and closing tailgate with sensor-controlled tailgate release (The tailgate opens electrically after unlocking and can be closed again at the touch of a button. Closing the tailgate is just as easy and convenient as opening it, using the button on the inside of the tailgate, the vehicle key button, or the button in the driver's door. The soft-close function makes manual closing easier when necessary. The opening angle of the tailgate can be limited in areas with low ceilings.)
- Paint finish: Metallic
- LED headlights: Matrix LED headlights (The Matrix LED headlights with digital light signatures, dynamic light styling and dynamic turn signals. Front and rear LED headlights with the following functionalities: - digital daytime running light signature (4 light signatures selectable when stationary) - low beam - high beam - position light - dynamic turn signal - cornering light - all-weather light - maneuvering light - motorway light - automatic dynamic headlight range control. LED taillights)
- Package: Ambient Lighting Package Plus (LED roof module front/rear (white) - luggage compartment light right (white) - ambient lighting of the doors front/rear (multicolor) - entry lights on the underside of the front doors (white) - ambient lighting center console (multicolor) - storage compartment in the center console front (white) - contour lighting of the dashboard (multicolor) - illuminated glove compartment - footwell lighting front/rear)

- Package: Climate Control Package (The 3-zone automatic climate control electronically regulates the air temperature, volume, and distribution. An additional function is the sun-position-dependent control. The temperature settings for the driver and front passenger sides can be adjusted separately. Separate temperature control and air vents are available in the rear. The 3-zone automatic climate control features automatic recirculation in combination with a dust- and odor-removing cabin air filter. The comfort stationary climate control cools or heats the interior.)
- Package: Comfort package (electrically adjustable, heated and folding exterior mirrors, automatically dimming on both sides, with integrated LED turn signals and curb view function for the passenger-side exterior mirror, aspherical mirror glass on the left, convex on the right, including heated windshield washer nozzles - automatically dimming, frameless interior mirror - 4-way lumbar support for the front seats - projection lights in the exterior mirrors)
- Headlight cleaning system (Provides more light on the road, especially in adverse weather conditions. Cleaning with water and high pressure creates better luminosity and good visibility due to reduced scattering.)
- Package: S line interior with sport seats in black leather/leatherette combination (sport seats front - leather/leatherette mono.pur 550-Kom.S embossing in black leather - steering wheel with chrome-look applications, S emblem - ambient lighting package in white light - illuminated door sills with aluminum inlays, S lettering - aluminum decorative inlays - glossy black accent surfaces - aluminum-look interior applications - stainless steel pedals - front/rear door handles - black fabric headliner - rear seat backrest split 40:20:40 or fully foldable, with center armrest.)
- Package: Smartphone package in conjunction with MMI Navigation pro (Audi phone box (Bluetooth, inductive charging function) - Smartphone interface - 12-volt on-board power socket and 2 USB-C ports for charging devices)
- Wheel: Audi new car tire warranty (36-month term from vehicle handover to the first customer)
- Wheel: Winter alloy wheels, 5-spoke (front size: 8.0 J x 19 with 235/55 R 19 tires, rear size: 8.0 J x 19 with 255/50 R 19 tires - suitable for snow chains, maximum permissible speed 190 km/h)
- Glazing: Sun protection glazing, tinted (rear window, door and rear side windows tinted)

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. Lifting equipment and/or a pit were available for examining the vehicle.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.

Value reducing factors

No.	Component group	Description
1	Mudguard - left side	Mudguard - left side (Anätzung) - Paint defect - Conditioning
2	Roof	Roof - dent(s) - Smooth repair work
3	2nd wheel set	1 tyre - Damaged - Replace
4	Bonnet	Bonnet - Scratch(es) - Paint

Wear and tear

No.	Component group	Description
1	Front bumper	Front bumper - Scratch(es) - No deduction
2	Door - front left side	Door - dent(s) - No deduction
3	Vehicle glazing	Windscreen - Stone chips - No deduction
4	Documents	Service book - Incomplete - No deduction
5	Misc.	Main inspection - No evidence - No deduction

The vehicle shows signs of wear and tear commensurate with its age and use.

Previous damages

No.	Previous damage	Extent of damage (Net)
1	Side - left, Provided by user / customer, from 24 Oct 2025	2.575,69 €

Repainting

No.	Repainting
1	Mudguard - left side, Professionally carried out
2	Door - rear left side, Professionally carried out

Paint coat thickness measurement

Mudguard - left side	164 µm	Door - rear left side	166 µm

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
  (Delivery by third-party service providers)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
  (Functional testing of driver assistance systems is not included in the scope of services!)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

According to available information previous damages were repaired at the vehicle. Traces of repairs, which allow conclusions about the area of repair, were not recognizable during the inspection.
