

Expertise

Protocol number: 46568040
Order No. / Reference: 26739113
Inspection date: 15 Jul 2026

Manufacturer: Audi

Model: A3 40 TFSIe Sportback S tronic S line

VIN: WAUZZZGY1PA115043

Vehicle details	
Manufacturer / Type / Model / Equipment	
Audi A3 40 TFSIe Sportback S tronic S line	
Vehicle Identification number	WAUZZZGY1PA115043
Mileage (Read)	76,134 km
First registration	11 May 2023
Number of holders	1
Power / Engine displacement	110 kw / 1,395 ccm
Fuel type / Cylinder	Hybr.B/E ext.aufl / 4
Gearbox / Number of gears	Automatic / 6
Type of drive	Front drive
Type of vehicle	Saloon car
Colour / colour code	Mythossschwarz Metallic
Doors / Seats	5 / 5
Upholstery type	Cloth
Colour of upholstery	Black-Red
Vehicle with smoke odor	no
readiness to drive	Not roadworthy / moveable

Vehicle details			
Maintenance booklet / proof	digital proof / complete	Next maintenance in	13,700 km
Last service on / at	11/2025 at 59,736 km		
Key is / should be	2 / 2	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	GS577725
Previous damage / Accident	Detectable	Repainting	None detectable
Inspection conditions	sufficient	Lifting equipment / pit	yes
Test drive	short drive on the company premises	Engine function test	Performed
readiness to drive	Not roadworthy / moveable		
Manufacturer key number/ type code number	0588 / BWY 00152		
Emission standard	EURO6;WLTP;AP;PI/CI; M, N1 I	fine dust sticker	
Permitted total weight	2,065 kg	Empty weight	

Tyres				
Mounted tyres				
#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	225/40 R18 92Y	Summer tyres on Light alloy	Nexen	3mm / 3mm
2)	225/40 R18 92Y	Summer tyres on Light alloy	Nexen	2mm / 2mm
Additional tyres				
#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	205/50 R17 97V	Winter tyres on Light alloy	Goodyear	3mm / 2mm
2)	205/50 R17 97V	Winter tyres on Light alloy	Goodyear	6mm / 6mm
Replacement				
Typ	Tyre size	Type of tyre	Manufacturer	Tread depth
	Tirefit	Expiration date 02/2027		

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- Airbag for driver and front passenger (with front passenger airbag deactivation)
- Acoustic vehicle warning system (Acoustic system for generating a warning tone in the exterior area at low speeds with the aim of increasing road safety, e.g. for pedestrians and cyclists.)
- Traction control ASR (prevents wheel spin by reducing engine power, thus providing more stability and improved traction on the road)
- Audi drive select (allows the desired vehicle characteristics to be set in various available modes via a separate control element in the switch panel of the center console and via the MMI operating system. This includes adjustments to the steering assistance, engine characteristics or shift points (in vehicles with S tronic), driving dynamics control, and other standard systems. If ordered, optional equipment is also adapted to the selected mode.)
- Evasive Steering Assist and Turning Assist (The Evasive Steering Assist can help the driver steer the vehicle around an obstacle in an evasive situation deemed critical. If the driver actively avoids the obstacle after the acute warning, the Evasive Steering Assist supports them by selectively braking the wheels and applying a small steering torque to correct the steering angle.)
- Exterior mirror housings in body color
- third brake light
- Headliner in steel grey fabric
- Roof edge spoiler S
- Decorative trim strips in black glass look (accent area in the instrument panel around the MMI touch color display in black glass look)
- Tachometer
- Rear parking aid (supports reversing and maneuvering within the system limits by acoustically indicating the distance to a detected object behind the vehicle. The measurement is carried out by ultrasonic sensors discreetly integrated into the bumper, which are activated when reverse gear is engaged.)
- Door sill trims with aluminum inlay at the front, illuminated, with S lettering
- Electromechanical parking brake (includes parking brake function when stationary, starting aid by automatic release when starting off and emergency braking function while driving via all four wheels)
- Chassis: Standard chassis (Standard comfort chassis with balanced tuning, for very good ride comfort with good driving dynamics.)
- Remote key (without Safe-Lock) (locks and unlocks doors, luggage compartment and fuel filler flap - including comfort closing/opening of windows)
- Cruise control with preparation for adaptive cruise control (maintains the individually set speed between 20 and 250 km/h, provided the engine power allows. Operation is via a separate steering column stalk. The set speed is displayed in the digital instrument cluster. The system does not react to vehicles ahead with distance control. Includes adjustable speed limiter.)
- Airbag: Front side airbags with head airbag system and front interaction airbag (In addition to the front side airbags and the head airbags, an interaction airbag is installed at the front, which deploys within the system boundaries between the driver and front passenger seats if required)
- Anti-lock braking system (ABS) (with electronic brake force distribution (EBD), hydraulic brake assist)
- Audi connect Emergency Call & Service m.connect Remote & Control (TFSI e) (The Audi connect Emergency Call & Service services ensure a safe feeling on every journey. - Emergency call - Online breakdown call - Audi damage service - Audi service appointment online Audi connect Remote & Control: - Vehicle status and vehicle data - Remote locking/unlocking - Parking position - Remote charging - Remote climate control - Push notification anti-theft alarm system)
- Audi pre sense front (within system limits, uses a front radar to detect the area in front of the vehicle and warns the driver with visual and acoustic signals to indicate a potential hazard from vehicles ahead, whether moving or stationary – pedestrian and cyclist detection registers, within system limits, when a pedestrian or cyclist is moving on or crossing the road. The system then warns the driver with an acoustic and visual signal)
- Electrically adjustable and heated exterior mirrors (with integrated LED indicator lights - left mirror glass aspherical, right convex - including heated windshield washer nozzles)
- Decorative inlays in satin-effect lacquer, platinum grey (for instrument panel and center console)
- Digital instrument cluster - fully digital instrument cluster in 10.25 inches (speed, time, mileage, outside temperature, fuel warning with remaining range, shift indicator (for manual and automatic transmissions in manual mode), current radio station or music track, radio and media lists, classic-style display; if available: telephone menu (in conjunction with multifunction steering wheel), trip computer with short- and long-term memory, fuel-saving tips for more economical driving including break recommendations)
- Electric auxiliary air heater
- Electronic Differential Lock (EDS)
- Electronic Stability Control (ESC)
- EV button (for selecting electric or hybrid operating mode (depending on the battery charge level). Further operating modes can be selected via the MMI operating system, e.g., to increase or maintain the battery charge level.)
- Electric windows front and rear
- Front and rear floor mats (made of velour in black)
- Removable luggage compartment cover
- Speed limiter (assists you in maintaining a constant driving style and adhering to speed limits by adjusting the maximum speed)
- Transmission: S tronic 6-speed
- rear window wiper

- Interior lighting (front and rear roof module, including reading lights (incandescent bulbs) - glove box lighting (incandescent bulb) - LED trunk lighting right)
- Electrically operated child safety lock
- i-Size child seat attachment and top tether for the outer rear seats
- 2-zone automatic climate control (electronically regulates air temperature, volume and distribution - separate temperature distribution for driver and front passenger side - with sun position-dependent control - automatic recirculation control - dust and odor separating allergen filter - air vents in the rear center console - separate defroster button for faster defrosting of the front and side windows)
- Front headrests
- AC Type 2 charging socket (charging access to the high-voltage battery via AC)
- Steering wheel: Leather steering wheel in a 3-spoke design with multifunction controls and shift paddles (The steering wheel's height and reach are manually adjustable. For convenient operation of the extensive standard and optional infotainment features, the steering wheel is equipped with six multifunction buttons. Shift paddles allow manual gear changes.)
- Non-smoking version (with 12-volt socket and storage compartment)
- Otto particulate filter
- Radio: MMI Radio plus (10.1-inch color display (1,540 x 720) including MMI touch operation, digital instrument cluster with 10.25-inch color display, Audi music interface with two USB-C ports, each with data and charging function, Bluetooth interface (hands-free calling and audio streaming), passive speakers with 4 speakers in the front and 2 in the rear (80 watts), AM/FM phase diversity, DAB+ speed-dependent volume adjustment, voice control system for controlling infotainment and vehicle functions, WLAN hardware)
- 3-point automatic seat belts (3-point automatic seat belts for all seats, pyrotechnic belt tensioners, belt height adjustment at the front, belt force limiters on all outer seats)
- Seats: Rear seat backrest foldable (split, in a 40:60 ratio or fully foldable)
- Lane Departure Warning (Within system limits, this helps prevent unintentional lane departures. If the system is activated, operational, and no turn signal has been used, the Lane Departure Warning assists by making corrective steering interventions to prevent crossing detected lane markings. Additional steering wheel vibration can be activated upon driver request. The system is functional from approximately 60 km/h.)
- Start-stop system
- 12-volt power outlet in the rear
- 12V socket
- Electronic immobilizer
- Hybrid drive system PHEV (The combustion engine, as part of the plug-in hybrid drive, can be operated more frequently and for longer periods within a favorable efficiency range. High efficiency as well as locally emission-free, purely electric driving are possible. A high proportion of the braking energy is recuperated and can be used electrically. The battery can be charged with the universally applicable charging cable at household and industrial sockets, e.g., at home or at work, as well as at public charging stations.)
- Comfort key without Safelock (The vehicle can be unlocked at all doors and the tailgate via wireless communication. The comfort key simply needs to be carried and does not need to be actively used. The vehicle can be locked again using the sensors on the door handles. The engine is started and stopped using the engine start/stop button.)
- Rear headrests (3)
- Paint finish: Solid
- Charging cable: Mode 3 charging cable for public charging 11 kW (charging cable for charging at public AC charging stations (Type 2). The cable connects the charging station to the vehicle's AC charging port and enables a charging power of up to 3.6 kW at your vehicle.)
- Light and rain sensor
- Illuminated make-up mirrors (LED lighting of the front/rear roof module including reading lights - LED lighting of the make-up mirrors for driver and front passenger - glove box lighting (incandescent bulb) - LED trunk lighting on the right)
- Wheel: Alloy wheels - 17 inch - 5-arm (8.0 J x 17, tire 225/45 R 17)
- Tire pressure monitoring system (visual and audible warning in case of pressure loss in one or more wheels)
- Tire repair kit (with tire sealant and compressor)
- Headlights (daytime running lights in LED technology - low beam in LED technology - high beam in LED technology - position lights in LED technology - turn signals in incandescent bulb technology)
- Electromechanical power steering (with speed-dependent steering assistance)
- Seat covers in fabric (seat center panel in fabric - seat side bolsters, front center armrest (if ordered) and headrests in solid black fabric)
- Seats: Standard front seats (with manual adjustment of seat height, seat longitudinal position, backrest angle, headrest and seatbelt height)
- Stationary climate control (The standard stationary climate control cools or heats the interior as needed before starting the journey, ensuring a very high level of climate comfort right from the moment you enter the vehicle. The stationary climate control can be programmed or activated in the MMI and can also be conveniently switched on via the smartphone app, regardless of whether the vehicle is charging at the time or not. A "short climate control" cycle can be started when unlocking the vehicle with the remote key.)
- Glazing: Green tinted heat-insulating glazing (for rear window, door and side windows - rear window heated, with timer)

Extra equipment

- Aluminum look in the interior (frame of the control button strip of the center console, the door trim strips front and rear, the elements on the mirror adjustment switch, the window regulator switch and the control buttons of the parking brake in aluminum look)
- High-beam assist (within the system's limitations, it automatically detects oncoming headlights, taillights of other road users, and light sources in built-up areas. Depending on the traffic situation, the high beams are automatically switched on or off. The system thus improves the driver's visibility and increases comfort.)
- Interior mirror, automatically dimming, frameless
- Camera-based traffic sign recognition (Supports the driver by displaying traffic signs detected within the system's limits, such as speed limits, no-overtaking zones, and temporary speed restrictions, which are within the detection range of the front camera. The traffic sign recognition is displayed automatically in the digital instrument cluster or in the optional Audi virtual cockpit.)
- Comfort opening of the tailgate (The tailgate opens electrically after unlocking and can also be closed again at the touch of a button. Closing the tailgate is just as easy and convenient as opening it, using the button on the inside of the tailgate, the vehicle key button, or the button in the driver's door. The soft-close function makes manual closing easier when necessary. In areas with low ceilings, the opening angle of the tailgate can be limited.)
- LED headlights and LED taillights with dynamic turn signals (daytime running lights, low beam, high beam, position lights, turn signals, cornering lights, all-weather lights (to reduce glare in poor visibility conditions), motorway lights, static cornering lights, maneuvering lights (illumination of the maneuvering area at the front and sides when reversing), automatic dynamic headlight range control, intersection lights (in conjunction with MMI Nav. plus), dynamic rear turn signals, brake lights, tail lights, rear license plate lights, reversing lights)
- Ambient lighting package (glove box lighting (incandescent bulb) - LED trunk lighting right - front/rear roof module, including reading lights (LED) - illuminated vanity mirrors (LED) - ambient door lighting front/rear (LED) - entry lights on the underside of the front doors (LED) - illuminated storage compartment in the center console (LED) - front footwell lighting (LED))
- S line interior package (S tronic) (front sport seats with manual adjustment of seat height, seat fore/aft position, seat tilt, backrest tilt and seat belt height, as well as headrests; fabric Puls/mono.pur 550-K synthetic leather; 3-spoke leather steering wheel with multifunction plus and shift paddles including leather steering wheel grips; front and rear door armrests in synthetic leather; aluminum spectrum dark decorative inlays; illuminated front door sill trims with aluminum inlays and S lettering; black fabric headliner; front center armrest; stainless steel floor mats, pedals and footrest)
- Wheel: Alloy wheels - 18 inch - 5-Y-spokes, graphite grey, polished (8.0 J x 18, tires 225/40 R 18)
- Deletion of model designation and performance/technology lettering
- Red stitching Audi Sport (upholstery with contrast stitching in Express Red - front center armrest in black with contrast stitching in Express Red - door armrests and upper instrument panel in black with contrast stitching in Express Red/steel grey - steering wheel rim with contrast stitching in Express Red with S emblem - floor mats and piping in black with contrast stitching and piping in Express Red (not available for 30 TFSI S tronic with mild hybrid technology))
- Hold assist (holds the vehicle after stopping on inclines and declines typical in road traffic for an unlimited time).
- ISOFIX child seat attachment at the front, Top Tether and i-Size for the outer rear seats (holding device for the practical attachment of i-Size and ISOFIX child seats on the front passenger seat and on the outer seats of the rear bench seat.)
- Comfort key in conjunction with anti-theft alarm system (For convenient unlocking of all doors and the tailgate. You only need to carry the comfort key with you, but do not need to actively operate it. When you are in the vehicle, you can start and stop the engine using the engine start/stop button. Includes: Comfort key with Safelock, anti-theft alarm system, deactivatable ultrasonic interior monitoring, tilt sensor warning in case of theft, battery-powered horn to prevent tampering)
- Paint finish: Metallic
- Steering wheel: Sport contour leather steering wheel in 3-S.-D, flattened at the bottom, with multifunction plus and shift paddles. (The steering wheel's height and reach are manually adjustable. For convenient operation of the extensive standard and optional infotainment features, the steering wheel is equipped with twelve multifunction buttons. Shift paddles allow manual gear changes.)
- Storage and luggage compartment package (lockable glove compartment - storage compartment on driver's side - storage net on the back of the front seatbacks - comfort cupholder - 12-volt socket in the trunk - luggage compartment net - second luggage compartment light on the left in LED (only for A3 Sportback))
- Business package (USB ports with charging function in the rear - Audi connect Navigation & Infotainment plus - Audi phone box - Audi virtual cockpit plus - Smartphone interface (Android Auto and Apple CarPlay) - MMI Navigation plus with MMI touch - Cruise control)
- Package: Black Optics Package Plus (Black optics package with Audi rings front and rear and model designation on the rear in black. On the S model, the model designation in the radiator grille is also finished in black)
- Panoramic glass roof (The glass element can be opened and closed electrically. The sunshades are operated just as conveniently. From the outside, the panoramic glass roof can also be operated using the remote key via comfort opening and closing. When open, the panoramic glass roof improves the interior climate through efficient ventilation. An integrated wind deflector reduces wind noise.)

- Wheel: Anti-theft wheel bolts
- Radio accessories: Audi sound system (10 speakers, including center speaker and subwoofer, total output 180 watts, 6-channel amplifier.)
- Seat covers in Dinamica microfiber/mono.pur 550-combination synthetic leather with S embossing and red stitching (for front sport seats: - Seat center panels of the front seats and the two outer rear seats in Dinamica microfiber - Seat side bolsters, headrests, middle rear seat and front center armrest (if ordered) in mono.pur 550 synthetic leather - Contrast stitching and diamond quilting - S embossing in the backrests of the front seats)
- Seats: Driver's seat electrically adjustable, passenger seat manually adjustable (with electric adjustment of seat height, seat longitudinal position, seat and backrest tilt for the driver's seat)
- Front seat heating (heats seat and backrest center section (standard seats in fabric), otherwise seat and backrest center section as well as seat side bolsters - individually adjustable in 3 stages for driver and front passenger via direct selection button on the climate control unit)
- Phone: LTE support for Audi phone box
- Glazing: Sun protection glazing, tinted (rear window, rear door and side windows tinted)
- Reversing camera (captures the area behind the vehicle within the system limits. The display is adjusted according to the steering angle using dynamic display elements in the MMI touch display. The user can choose between perpendicular parking and trailer modes. Depending on the selected mode, the calculated driving lane or a guide line for coupling a trailer is displayed, also dependent on the steering angle. The reversing camera is activated by engaging reverse gear or via a button in the center console.)
- Seats: 4-way lumbar support (electrically adjustable, horizontally and vertically)
- Seats: Rear seat backrest foldable (three-part), with center armrest (split in a 40:20:40 ratio or fully foldable; with center armrest and cupholders)
- Telephone: Audi Phone Box (universal Bluetooth interface - convenient, integrated hands-free system - coupling antenna for connecting the mobile phone to the external antenna for improved reception quality - reduced radiation in the vehicle interior - LTE support - charging option via USB port or wireless charging (Qi standard) - forget-to-use warning - charging status indicator in the MMI touch display - connection of a second mobile phone)

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. Lifting equipment and/or a pit were available for examining the vehicle.
Test drive	A short maneuvering and shunting exercise was carried out on the company premises.
Engine function test	An engine test run was performed.
readiness to drive	The vehicle was not capable of driving under its own power at the time of inspection, but can be moved on its own axle with the aid of assistance.

Value reducing factors

No.	Component group	Description
1	Trim / covers	Boot lid - interior trim (Befestigungsöse für Hutablage) - Missing - Replace
2	Door - front left side	Door edge - Scratch(es) - Smart repair
3	Rear bumper	Rear bumper - Scratch(es) - Smart repair
4	Wheel / tyres	Tyre - rear left side (nicht fahrbereit) - Broken / torn - Replace
5	Wheel / tyres	Tyre - front right side (nicht fahrbereit) - Broken / torn - Replace
6	Wheel / tyres	Alloy rim - rear left side - Scratched - Loss in value
7	Wheel / tyres	Alloy rim - front right side - Scratched - Replace

Wear and tear

No.	Component group	Description
1	2nd wheel set	2 tyres (Profiltiefe 2mm & 3mm) - Does not meet the leasing specifications - No deduction
2	Side panel - rear left side	Sill - dent(s) - No deduction
3	Vehicle glazing	Windscreen - Stone chips - No deduction
4	Wheel / tyres	Tyre - right (Über 2mm Profiltiefe) - No deduction

The vehicle shows signs of wear and tear commensurate with its age and use.

Accident damages

No. Accident

1 Front, Side - left

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
(*Delivery by third-party service providers*)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
(*Functional testing of driver assistance systems is not included in the scope of services!*)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

Non-repaired previous damages were found at the vehicle. The necessary repair costs are listed in the expert report or if necessary, are listed in detail in a separately enclosed repair cost calculation.

Comments

Die beigefügte Reparaturkostenkalkulation wurde nach bestem Wissen und Gewissen unter eingeschränkter Besichtigungsbedingung im demontagefreien Zustand erstellt. Es können aufgrund verdeckter Beschädigung erhebliche Mehrkosten und somit Abweichung der für den Unfall ausgewiesenen Reparaturkosten nicht ausgeschlossen werden.
