

Expertise

Protocol number: 46198725
Order No. / Reference: 26572853
Inspection date: 29 Jun 2026

Manufacturer: Mercedes-Benz

Model: EQA 250+

VIN: W1N9N0CB2SJ143236

Vehicle details

Manufacturer / Type / Model / Equipment

Mercedes-Benz EQA 250+

Vehicle Identification number W1N9N0CB2SJ143236

Mileage (Read) 51,860 km

First registration 27 Sept 2024

Number of holders 1

Next periodical technical inspection 09/2027
(Report not on hand)

Power / Engine displacement 95 kw /

Fuel type / Cylinder Electric / 0

Gearbox / Number of gears Direct drive / 1

Type of drive Front drive

Type of vehicle SUV

Colour / colour code MOUNTAINGRAU -
METALLICLACK

Doors / Seats 5 / 5

Upholstery type Cloth / leather
combination

Colour of upholstery Black-Grey

Vehicle with smoke odor no

Vehicle details

Maintenance booklet / proof	digital proof / complete	Next maintenance in	259 Tag(e)
Last service on / at	03/2026 at 48,486 km		
Key is / should be	2 / 2	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	HD795508
Previous damage / Accident	None detectable	Repainting	None detectable
Inspection conditions	sufficient	Lifting equipment / pit	yes
Test drive	Not performed	Engine function test	Performed
Manufacturer key number/ type code number	2222 / BEE 00020		
Emission standard	2017/1151;WLTP;reine Elektrofz	fine dust sticker	
Permitted total weight	2,475 kg	Empty weight	

Tyres

Mounted tyres				
#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	235/55 R18 104T	Summer tyres on Light alloy	Michelin	5mm / 5mm
2)	235/55 R18 104T	Summer tyres on Light alloy	Michelin	6mm / 6mm
Additional tyres				
#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	215/60 R18 102T	Winter tyres on Light alloy	Continental	5mm / 5mm
2)	215/60 R18 102T	Winter tyres on Light alloy	Continental	7mm / 7mm
Replacement				
Typ	Tyre size	Type of tyre	Manufacturer	Tread depth
	Tirefit	Expiration date 11/2029		

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- Storage compartment in center console with roller blind (The roller blind for the storage compartment in the center console offers you an elegant privacy screen made of high-quality material. This looks good, the interior appears even tidier, and everything important is within easy reach. Typical everyday items such as a smartphone, wallet, or various keys fit into the practical storage compartment.)
- Airbag: Kneebag for driver
- Airbag: Windowbags
- Active Brake Assist
- Acoustic Surrounding Protection (To ensure that your electric vehicle does not become a danger to pedestrians and cyclists during almost silent driving, the Acoustic Surrounding Protection generates Mercedes-Benz specific sounds outside the vehicle up to a speed of approximately 30 km/h. It distinguishes between forward and reverse driving.)
- Ambient lighting (ambient lighting in 64 colors, all colors are individually selectable - dynamic mode - pre-programmed color worlds - emotional effects - when the charging cable is plugged in, each charging state is staged for approx. 30 seconds, analogous to the LED in the vehicle socket during connection establishment - exit warning: ambient lighting warns visually and audibly for up to 3 minutes after the engine is switched off, e.g. of passing cyclists)
- EASY-PACK tailgate (electrically opening and closing tailgate - switch for electrically opening the tailgate in the driver's door - switch for electrically closing the tailgate at the bottom edge of the tailgate - manual cargo cover for covering the cargo area)
- Electronic Stability Program (ESP) (including Anti-lock Braking System (ABS) and Traction Control System (ASR))
- Chassis: Comfort chassis with lowering (The comfort chassis offers you a dynamic overall package. It makes the road holding even more solid. The chassis, lowered by 8 millimeters, works with specially tuned springs and dampers. Comfort chassis with lowering)
- Transmission: Direct drive
- Rear window heated
- Rear window wiper/washer system
- Black fabric headliner
- Climate: THERMATIC automatic climate control (1-zone air conditioning - automatically controlled air distribution - recirculation function - fine dust filter)
- Communication module (LTE) for using Mercedes me connect services (The communication module with a vehicle-integrated, LTE-enabled SIM card offers you added comfort and safety. It continuously connects you to your vehicle – and the vehicle to the infrastructure such as the Mercedes-Benz server or the internet. This allows you to use services such as Live Traffic Information* from Mercedes me connect.)
- Chrome-look loading sill protector
- Adaptive Highbeam Assist (automatic switching of the high beams on and off - camera on the inside of the windshield - detects oncoming and preceding illuminated vehicles - activated by pressing the steering wheel control lever to the high beam position)
- Airbag: Driver and front passenger side (with seat occupancy detection)
- Airbag: Sidebag for driver and front passenger (combined thorax/ pelvisbag)
- Active Lane Keeping Assist (Two-stage safety system: Stage 1 active steering intervention: in the speed range of 60 to 200 km/h (visible via red illumination of the icon in the driver display) Stage 2 warning: noticeable via vibration of the steering wheel; visible via flashing of the icon in the driver display, the display in the assistance graphic and, in conjunction with ambient lighting or optionally available active ambient lighting, additionally via the hazard display Active Emergency Stop Assist)
- Rear armrest
- Automatic passenger airbag deactivation
- Double cup holder
- Third brake light in LED technology
- DYNAMIC SELECT (DYNAMIC SELECT button in the center console for selecting 4 different driving programs: energy-efficient driving program "Eco", standard setting "Comfort", as well as "Sport" and "Individual". Depending on the selected driving program, the following vehicle characteristics are changed: drive, chassis and steering as well as ESP. Different recuperation levels independent of the driving program, activated with the steering wheel shift paddles. DAUTO (ECO Assistant (active, intelligent recuperation, depending on the situation))
- Elimination of roof rails
- Electric windows (4-way)
- Pedestrian protection with active hood
- Velour floor mats
- Luggage net on driver and passenger seatbacks
- Speed Limit Assistant (determines the permissible maximum speed using image recognition via camera - traffic signs are symbolically displayed in the instrument cluster and optionally in the head-up display, including restrictive additional signs such as speed limits in wet conditions - the driver can manually accept recognized and suggested speed limits via the steering wheel controls - adjustable visual and acoustic warning when exceeding the permissible maximum speed)
- Adjustable headrests (5)
- Paint finish: Solid
- Charging cable for wallbox and public charging stations, 5m, smooth (This charging cable, also called Mode 3 cable, allows you to charge the vehicle battery at the wallbox or at public charging stations with up to 11 kW (Type 2, 3-phase, 16 A).)
- Charging system: Direct current charging system (DC charging) (For your optimal charging speed with a maximum of 100 kW)

- Charging system: AC charging system up to 11 kW (Greater flexibility: With the powerful AC charging system, you can charge your plug-in hybrid quickly and easily with up to 11 kW (3-phase) or 7.4 kW (1-phase). In addition to a wallbox at home, you can also connect your vehicle to a variety of public charging stations. These usually supply alternating current – just like conventional sockets.)
- LED light strip (function: tail light and rear fog light) between the LED tail lights
- Mercedes-Benz Emergency Call System (The Mercedes-Benz Emergency Call System can provide a crucial time advantage in an emergency. A communication module with its own SIM card automatically triggers an emergency call upon detection of an accident, which can shorten the time until emergency services arrive. The emergency call can also be triggered manually to organize assistance.)
- Navigation accessories: Extended MBUX functions (personalization (profiles) and prediction functions - MBUX voice assistant with natural language understanding - activation via "Hey Mercedes" - learning function of the MBUX voice assistant by connecting to a cloud-based online dictionary - Wi-Fi hotspot - internet radio)
- Navigation accessories: Pre-installation for remote and navigation services (Remote & navigation services bundle the basic services for EQ Power vehicles in one package - Display of charging stations - Programming of charging settings and pre-conditioning - Range display via app)
- Navigation: MBUX Navigation Premium (hard drive navigation including 3-word address system what3words - high-resolution navigation with satellite view - live traffic information and Car-to-X communication, including display of the emergency lane for emergency vehicles and active warning of traffic jam end - fast online route calculation - Send2Car function: sends selected addresses via app to the vehicle's navigation system)
- Package: Progressive (charging cable for household socket, 5m, smooth)
- Package: Progressive Line (Black panel radiator grille with Mercedes-Benz pattern in high-gloss black - beltline and window line trim strips in polished aluminum - air vents in silver chrome with outer ring in silver chrome and air guide ring in high-gloss black)
- Upholstery: ARTICO leatherette/fabric
- Radio accessories: CENTRAL MEDIA DISPLAY (The high-resolution media display with a 10.25" (26 cm) screen size and a resolution of 1920 x 720 pixels with touch operation displays your multimedia content with crystal-clear sharpness and brilliant image quality. You will also be impressed by the design of the large display with its full-surface glass covering. As you are used to from your smartphone or tablet, the display responds directly to your touch inputs.)
- LED High Performance headlights (low beam in LED technology - high beam with LED reflection technology - daytime running lights, position lights and direction indicators in LED technology - adaptive high beam assist - adaptive full LED taillights with automatic adjustment of light intensity to the surroundings)
- Steering wheel: Multifunction sports steering wheel in leather (sporty steering wheel in 3-spoke design - leather finish - black grained steering wheel shift paddles - control via touch panels: left: instrument display, cruise control and limiter or Active Distance Assist DISTRONIC; right: MBUX multimedia system (e.g. audio volume and track selection, telephony and navigation) - touch sensitivity adjustable via media display)
- Navigation accessories: Extended MBUX functions (personalization (profiles) and predictive functions - MBUX voice assistant with natural language understanding - activation via "Hey Mercedes" - learning function of the MBUX voice assistant by connecting to a cloud-based online dictionary - Wi-Fi hotspot - internet radio)
- Navigation accessories: Pre-installation for Live Traffic Information (Live Traffic Information receives more precise and up-to-date traffic data in real time than conventional systems and optimizes dynamic route guidance. Whether during rush hour or while traveling: You can react to many situations and easily bypass traffic jams and stop-and-go traffic.)
- Package: Cargo area (chrome-look loading sill protector - 12V socket - reversible mat - tension strap on the right side - net on the right side - open compartment under the net on the left)
- Package: Light and Sight Package (roof control unit, 4 light elements, interior light and reading light in the rear in mounting plate, left and right, reading lights in front, left and right and console lighting, sun visor with illuminated make-up mirror, signal exit light in front, left and right, footwell lighting in front, left and right, cupholder and storage compartment lighting, spontaneous storage compartment lighting)
- Package: Seating comfort (height adjustment for passenger seat - seat cushion tilt adjustment for driver and passenger seats - seat cushion depth adjustment for improved seating comfort through a 60 mm wider thigh support area - specific seat design)
- Radio accessories: Digital radio
- Radio accessories: GPS antenna
- Radio accessories: Additional USB ports
- Tire pressure monitoring (TPMS with individual wheel display in the instrument cluster - sensors installed in the wheels - send radio signals with information about pressure and temperature while driving)
- Wheels: 45.7 cm (18") alloy wheels, 4-spoke design (aerodynamically optimized, painted black and polished with 235/55 R 18 tires on 7.5 J x 18 ET 53.5)
- Reversing camera (with dynamic guidelines on the display and dirt protection)
- Windscreen wipers with rain sensor

- Remote and Charging Services Premium (Pre-installation for Mercedes me Charge -Pre-installation for IONITY: discounted fast charging -Plug & Charge for automatic authentication at IONITY fast charging stations -Communication module -Mercedes me services: programming of auxiliary heating/ventilation, remote door locking and unlocking, sunroof/windows with remote locking and opening including ventilation function, personalization of vehicle location, vehicle tracking, geographic vehicle monitoring, parking service monitoring, finder function)
- Seats: i-Size child seat attachment in the rear
- Seats: Comfort seats (the comfort seat offers you good long-distance comfort and comprehensive adjustments in length and height. You can also adjust the seat cushion angle and even extend it.)
- Power outlet: 12V socket in the luggage compartment
- TIREFIT (Seals minor tire damage caused by embedded shards of glass or nails. An air compressor injects sealant into the damaged tire. Thanks to this quick temporary fix, you can continue driving to the nearest repair shop at speeds of up to 80 km/h.)
- Immobiliser
- Central locking with remote control

Extra equipment

- Active Distance Assist DISTRONIC (radar sensor in the radiator grille - automatically acting assistance system - active up to a speed of 160 km/h - visual and acoustic warning if you as the driver need to intervene - depending on the driving program, the vehicle accelerates faster or slower to the desired speed - detected speed limits can be conveniently adopted by pressing a button on the steering wheel (only in conjunction with Traffic Sign Assist or Speed Limit Assist))
- Package: Progressive Advanced (Charging cable for household socket, 5m, smooth; Advanced package - Fully digital instrument display with 10.25" screen diagonal - Parking package with reversing camera - Blind spot assist - Individualization package - Mirror package - Illuminated door sill trims with model-specific lettering and interchangeable cover)
- Wheels: Complete summer wheel sets fitted at the factory
- Phone accessories: Smartphone integration (Smartphone integration connects your mobile phone wirelessly to the multimedia system via Apple CarPlay and Android Auto. This gives you convenient access to your smartphone's most important applications. You can also use third-party apps such as Spotify quickly and easily.)
- Removal of emblem on the front fenders
- Dark tinted heat-insulating glass (rear side windows and rear window)

- Seats: 4-way lumbar support for drivers (For an ergonomic seating position and relaxed back muscles. The 4-way lumbar support is a small detail with a big impact. It adapts the seat contour to your lumbar spine and provides support. Four settings are possible: higher, lower, weaker, or stronger.)
- Seats: Rear seat backrests foldable
- Heated seats for driver and front passenger
- Sun visor with illuminated makeup mirror
- 12V power outlet in center console
- Cruise control
- Pre-installation for digital key handover (Share your vehicle key even without personal handover - Decide to whom you open the vehicle and hand over the key - Use the functions conveniently in the Mercedes me app)
- High-visibility vest for drivers
- heat pump
- Decorative elements Star Pattern

- Towbar with ESP trailer stabilization (Foldable towbar - operating button with LED light in the boot or tailgate - ESP trailer stabilization)
- Roof rails in polished aluminum
- Paint finish: Metallic
- Package: Parking package with reversing camera (12 ultrasonic sensors: 6 each in the front and rear bumpers - reversing camera: integrated into the trunk lid, display in the central display, trailer mode - Active Parking Assist PARKTRONIC: detects parking spaces, assisted parking, visual and acoustic warning of detected obstacles, display of camera and ultrasonic data in the central display, button for Active Parking Assist with PARKTRONIC - cross traffic warning - maneuvering braking - drive-away assist)
- Package: Winter Package Plus with 18" winter complete wheels (seat heating for driver and front passenger, selectable in three stages and with automatic switch-off - steering wheel heating - heated windscreen washer system - winter complete wheels - light alloy wheels in 10-spoke design, aerodynamically optimized, painted black and polished with 215/60 R18 on 6.5J x 18 ET 44.5)
- Cargo net (This feature protects you from loose items in the luggage compartment. The cargo net is very easy to use. You can attach or remove it in just a few steps.)

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. Lifting equipment and/or a pit were available for examining the vehicle.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.

Value reducing factors

No.	Component group	Description
1	2nd wheel set	1 alloy rim - Scratch(es) - Loss in value
2	Side panel - rear right side	Side panel - Dent / paintcoat damage - Smart repair

Wear and tear

No.	Component group	Description
1	Bonnet	Bonnet - Stone chips - No deduction
2	Vehicle glazing	Windscreen - Stone chips - No deduction
3	Body	Body - Scratch(es) - No deduction

The vehicle shows signs of wear and tear commensurate with its age and use.

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
(*Delivery by third-party service providers*)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
(*Functional testing of driver assistance systems is not included in the scope of services!*)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

No apparent prior damage that had been repaired could be found on the vehicle.
