

Expertise

Protocol number: 46197332
Order No. / Reference: 26521167
Inspection date: 23 Jun 2026

Manufacturer: Audi

Model: A6 Avant 50 TDI quattro tiptronic S line

VIN: WAUZZZF20PN043709

Vehicle details	
Manufacturer / Type / Model / Equipment	
Audi A6 Avant 50 TDI quattro tiptronic S line	
Vehicle Identification number	WAUZZZF20PN043709
Mileage (Read)	134,999 km
First registration	18 Apr 2023
Number of holders	1
Power / Engine displacement	210 kw / 2,967 ccm
Fuel type / Cylinder	Hybrid Diesel / E / 6
Gearbox / Number of gears	Automatic / 8
Type of drive	All-wheel drive
Type of vehicle	Station wagon
Colour / colour code	Firmamentblau-metallic
Doors / Seats	5 / 5
Upholstery type	Alcantara / Leather
Colour of upholstery	Anthracite-Black

Vehicle details			
Maintenance booklet / proof	digital proof / complete	Next maintenance in	12,500 km
Last service on / at	09/2025 at 117,448 km		
Key is / should be	2 / 2	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available.
		Letter No.	GS404367
Previous damage / Accident	Detectable	Repainting	None detectable
Inspection conditions	sufficient	Lifting equipment / pit	No
Test drive	Not performed	Engine function test	Performed
Manufacturer key number/ type code number	0588 / BSU 02656		
Emission standard	EURO6;WLTP;AP;PI/CI; M, N1 I	fine dust sticker	
Permitted total weight	2,570 kg	Empty weight	

Tyres				
Mounted tyres				
#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	255/40 R20 101Y	Summer tyres on Light alloy	Continental	3mm / 3mm
2)	255/40 R20 101Y	Summer tyres on Light alloy	Continental	4mm / 4mm
Additional tyres				
#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	225/60 R17 99H	Winter tyres on Light alloy	Bridgestone	3mm / 3mm
2)	225/60 R17 99H	Winter tyres on Light alloy	Bridgestone	4mm / 4mm
Replacement				
Typ	Tyre size	Type of tyre	Manufacturer	Tread depth
	Tirefit	Expiration date 02/2028		

Legend: Tread depth information for the left tire is listed first, for the right tire it is listed second on the axle in the direction of travel.

Equipment

Standard equipment

- AdBlue tank (12 liters) (tank for AdBlue solution for reducing nitrogen oxides in the exhaust gas using an SCR system)
- "quattro" all-wheel drive with self-locking center differential (permanent all-wheel drive with asymmetric-dynamic torque distribution via self-locking center differential and wheel-selective torque control. The mechanically operated locking function is designed for excellent driving dynamics and distributes the drive torque to the front and rear axles without delay. This results in outstanding traction and directional stability. The wheel-selective torque control, integrated into the ESC, gently brakes the inside wheels during sporty cornering, thus increasing the drive torque to the outside wheels.)
- Audi connect Emergency Call & Service with m.connect Remote & Control (The Audi connect Emergency Call & Service services ensure a safe feeling on every journey. - Emergency call - Online breakdown call - Audi damage service - Audi service appointment online Audi connect Remote & Control: - Vehicle status - Remote locking/unlocking - Parking position - Remote control of auxiliary heating - Push notification of anti-theft alarm system)
- Audi pre sense front (Within system limits, it can warn of impending collisions depending on the situation and speed and initiate appropriate braking. The system is active from approximately 5 km/h. Pedestrians and cyclists can be detected at speeds up to approximately 85 km/h and vehicles at speeds up to 250 km/h: If an impending frontal collision is detected, the system warns the driver visually, audibly, and haptically in a multi-stage process.)
- Electrically adjustable and heated exterior mirrors (with integrated LED indicator lights, including heated windshield washer nozzles, aspherical mirror glass)
- Exterior mirror housings in body color
- Vehicle tool kit
- Fabric headliner
- Decorative inlays, fine lacquer, graphite grey
- Tachometer
- Parking aid plus with surround view (acoustic and visual parking aid front, side and rear to assist with parking and maneuvering by measuring with 12 ultrasonic sensors. A selective visual display shows the distance to detected objects in the upper display, depending on the current steering angle and the direction of travel. Optionally, activation occurs automatically as soon as the vehicle approaches a detected obstacle at a speed of less than 10 km/h).
- Cruise control with speed limiter (From approximately 20 km/h, the system can maintain the desired speed. This is achieved by adjusting engine power or by active braking interventions, provided engine and braking performance allow. Operation is via a separate steering column stalk. The set speed is displayed in the Audi virtual cockpit plus. The speed limiter is available from approximately 30 km/h and helps to prevent exceeding a preset maximum speed.)
- Airbag for driver and front passenger (full-size airbag, with front passenger airbag deactivation)
- Airbag: Front side airbags and head airbag system (front side airbags integrated into the seatbacks - with additional head airbag system: deploys in front of the side window area and thus protects the front and outer rear passengers in the event of a side impact)
- Anti-lock braking system (ABS)
- Audi connect Navigation & Infotainment (Navigation with Google Satellite Map - Online search for navigation destinations - Online voice input - Online traffic information/Traffic Info Plus - Online points of interest - On-street parking - Hazard information - Online traffic sign information - myAudi Navigation - Highly detailed 3D city display - Amazon Alexa integration - Online media streaming (e.g., Amazon Music integration) - Online radio - Hybrid radio - Weather information - Online news - Wi-Fi hotspot - User profiles)
- Audi drive select (adjustment of vehicle characteristics in the available modes auto, comfort, dynamic, efficiency, allroad, offroad, individual by adjusting steering assistance, engine characteristics or shift characteristics, dynamic all-wheel steering, damper control, adaptive air suspension, sport differential, ultra technology, adaptive speed assistant, Matrix LED headlights and setting of other optional equipment.)
- Audi virtual cockpit plus (3 individual display options: Dynamic, Sport and Classic - operation via the multifunction steering wheel - configuration of on-board computer values in the tachometer - display of the navigation map as a 3D terrain model on the high-resolution 12.3-inch full HD color display - permanent display of navigation information in the speedometer area when route guidance is active - break recommendation)
- Control buttons, matte black
- third brake light
- Aluminum roof rails
- Diesel particulate filter (DPF) with nitrogen oxide catalyst and AdBlue tank
- Door sill trims with aluminum inlay front and rear (unlit)
- Electronic Stability Control (ESC)
- Window trim strips in aluminum look (roof frame and window channel strips in anodized aluminum)
- Remote key (locks and unlocks doors, luggage compartment and loading flap - starts and stops the engine via the engine start/stop button - includes comfort closing/opening of windows)
- Electrically opening and closing tailgate (The tailgate can be opened electrically by pressing the button on the vehicle key, in the driver's door, or the soft-touch button on the tailgate handle. To close the tailgate: simply press the button on the inside of the tailgate, the button in the driver's door, or the button on the vehicle key. A6 Avant: Opening the tailgate in low-ceiling areas is made easier by a programmable opening angle.)
- Transmission: 8-speed automatic transmission tiptronic
- Interior mirror dimming

- Interior lighting (front and rear roof module, including reading lights (capacitively switched), illuminated vanity mirrors for driver and front passenger, entry lights on the underside of the front doors, front/rear door controls, front storage compartment, glove compartment, front/rear footwell lighting, right/left trunk lighting)
- 2-zone automatic climate control (separate temperature distribution for driver and front passenger side - rear compartment air conditioning via air vents in the rear center console - defroster nozzles for windshield and side windows - features a combined dust and odor separating cabin air filter)
- Steering wheel: Leather steering wheel with multifunction controls
- Manual steering wheel adjustment (adjustable in height and distance)
- Non-smoking version (no ashtray in the front center console, one 12-volt socket each in the front and rear)
- Progressive steering (increases driving dynamics and driving comfort through more direct steering response (e.g. on winding country roads or when turning) and reduced steering effort (e.g. when parking and maneuvering); driving characteristics through a steering ratio dependent on the steering angle and speed-dependent steering assistance; various modes, adjustable via Audi drive select)
- Wheel: Tire pressure monitoring system (visual and audible warning in case of pressure loss in one or more wheels. Display in the Audi virtual cockpit plus)
- Radio accessories: 8 speakers (passive) front and rear
- Rail system with fixing set (loading floor in the luggage compartment with one rail each on the left and right - with four variable lashing eyes which can be variably positioned in the rail system - with tension strap on the right for fixing objects and a net on the left - with two hooks on the right and left)
- Seat covers in fabric effect (seat center panels in black fabric effect - seat side bolsters, headrests and front center armrest in fabric)
- Seats: Split-folding rear seat backrest Avant (distinctive outer rear seats, visually adapted to the front seats, and an additional central seating option - 3 rear L-shaped headrests, manually height-adjustable - three 3-point seat belts - rear seat backrest split 40:20:40 or fully foldable - one-piece, foldable rear center armrest with storage compartment - with remote backrest release in the boot, removable partition net, to be attached to the body or to the folded-down rear seat backrest)
- Start-stop system (helps reduce fuel consumption and CO2 emissions by switching off the engine during stationary phases, e.g. at traffic lights. For restarting, the starting process is initiated as soon as the foot brake is released. Can be deactivated at any time via a button.)
- Glazing: Windscreen in heat-insulating glazing
- Glazing: Rear window, rear door and side windows in clear glass
- Electronic immobilizer
- Heat-insulating glazing on the sides and rear (green tinted, heated rear window with timer)
- Central locking
- ISOFIX and Top Tether child seat attachment for the outer rear seats (standard mounting for the practical attachment of i-Size and ISOFIX child seats - with additional attachment point (Top Tether) on the outer rear seats - The recommended child seats from Audi Genuine Accessories are available from your Audi Partner)
- Comfort center armrest in the front (length adjustable and tilt adjustable)
- Headrests (4) (front ones manually height adjustable)
- LED headlights (The LED headlights include the following functionalities: - Daytime running lights - Low beam - High beam - Position lights - Turn signals using incandescent bulb technology - All-weather lights (to reduce glare in poor visibility conditions) LED taillights)
- MMI Navigation with MMI touch response (10.1-inch color display (1,540 × 720) - Navigation map or arrow display in the Audi virtual cockpit plus - Map updates - 3D map display - Efficiency assistant - Online traffic information - MMI search - MMI touch response for quick, intuitive operation - Easy operation of the infotainment system via natural language interaction - Detailed route information - Input of up to 10 waypoints - Selected Audi connect Navigation & Infotainment portfolio)
- Wheel: Light alloy wheels 5-arm dynamic design, platinum grey (8.5 J x 19 with tires 245/45 R 19)
- Wheel: Tire repair kit
- Radio: MMI Radio plus with MMI touch response (10.1-inch color display - Audi music interface; 2 USB-C ports with data and charging function - Bluetooth interface (hands-free calling and audio streaming) - Remote MMI touch control unit with 8.6-inch color display including MMI touch response with haptic feedback; for controlling the climate control function and input field for handwriting recognition - AM/FM phase diversity - DAB+ - speed-dependent volume adjustment)
- Seats: Standard front seats (with manual adjustment of seat height, seat longitudinal position, backrest angle, headrest height and distance, and seat belt height)
- Sun visor on driver and passenger side
- Lane Departure Warning (within system limits, helps prevent unintentional lane departures. If the system is activated and ready, and the driver has not used the turn signal, the Lane Departure Warning helps prevent crossing detected lane markings by making corrective steering interventions. Additional steering wheel vibration can be set at the driver's request. Operating range from approximately 60 to a maximum of 250 km/h)
- First aid kit with warning triangle and high-visibility vests (The first aid kit is located in the left side compartment in the luggage compartment. The factory-supplied warning triangle is located in the tailgate. The factory-supplied high-visibility vests are located in the storage compartment of the driver's door.)

- Camera-based traffic sign recognition (supported by displaying traffic signs detected within the system's limits, such as speed limits, no-overtaking zones, and temporary speed restrictions. If a traffic sign is outside the camera's field of view, it is retrieved from the stored navigation data of the MMI Navigation plus. The traffic sign recognition is displayed automatically in the Audi virtual cockpit and can be configured via the multifunction steering wheel).

Extra equipment

- AdBlue tank with increased filling volume
- Swiveling towbar with electric release (with swiveling ball head, trailer stabilization via electronic stability control (ESC), release via button in the luggage compartment, the integrated swiveling system socket allows continuous operation of electrical devices in the trailer or caravan while driving)
- Decorative inlays: Dark brushed matt aluminum
- Deletion of model designation and performance/technology lettering
- Chassis: Sport chassis
- Head-up Display (Upon request, the speed and other driver-relevant information from MMI Navigation plus, as well as from optional equipment such as assistance systems and warning messages, are projected into the driver's direct line of sight. This reduces the need to take the eyes off the road. The multi-color display provides a high-contrast image. The projection area of the discreetly integrated head-up display is adjustable in height and brightness.)
- Paint finish: Metallic
- LED matrix headlights, LED taillights and headlight cleaning system (Matrix LED technology enables precise and high-resolution illumination of the road. When vehicles are detected by the camera system, the system selectively dims only the area of the detected vehicle, while the high beam remains active in the remaining segments. LED taillights with dynamic turn signals, brake lights, taillights, rear license plate lights, reversing lights and a single-sided rear fog light)
- Business Package (Assistance Package Tour (adaptive speed assist, efficiency assist, turn assist, evasive steering assist, emergency assist) - 4-zone automatic climate control - heated front seats - Audi phone box - automatically dimming interior mirror - automatically dimming exterior mirrors - adaptive windscreen wipers with integrated washer nozzles - high-beam assist)
- Package: Storage package (2 cup holders in the rear center armrest, luggage compartment net for fixing to the lashing eyes on the luggage compartment floor)
- Package: Ambient lighting package plus (contour lighting front/rear doors, color-matched - ambient fabric lighting front/rear doors, color-matched - ambient lighting front center console, color-matched - contour lighting front center console, color-matched - contour lighting with illuminated quattro lettering (for all-wheel drive) on the instrument panel on the passenger side, color-matched - ambient lighting of the instrument panel)
- Wheel: Alloy wheels 5-V-spoke design, graphite grey, polished (8.5 J x 20 with tires 255/40 R 20)
- Radio accessories: DVD drive (DVD drive installed in the glove compartment, plays MP3, WMA and AAC files)
- Rail system with fixing set (telescopic pole and strap for individual partitioning of the luggage compartment and secure fixing of objects, stowable under the loading floor)
- Airbag: Front and rear side airbags including head airbag system and illuminated seatbelt buckles (Side airbags in the rear, in addition to the front side airbags and the head airbag system, offer extra protection for rear passengers. Illuminated seatbelt buckles increase passenger comfort and enhance the interior with subtle, high-quality lighting.)
- Electrically adjustable, heated, and folding exterior mirrors, automatically dimming on both sides, with memory function (including curb view function for the passenger-side exterior mirror with integrated LED turn signal, including heated windshield washer nozzles, aspherical mirror glass. The curb view function tilts the passenger-side exterior mirror downwards when reverse gear is engaged, providing the driver with a better view of the curb.)
- Comfort key with sensor-controlled luggage compartment unlocking
- Headrests: variable headrests for front seats (with manual adjustment of headrest height and distance)
- Fuel tank (73 liters) (fuel tank for 73 liters of gasoline/diesel fuel)
- Steering wheel: Leather steering wheel, 3-spoke, with multifunction and paddle shifters
- Ambient lighting package (in addition to the standard interior lighting: - Ambient fabric lighting in the front/rear doors - Approach lighting from the outer door handles, front/rear - Ambient lighting of the instrument panel - Entry lights on the underside of the rear doors)
- Assistance Package Plus (Parking Assistance Package with Remote Parking Assistant Plus (surround view cameras, Remote Parking Assistant Plus) - City Assistance Package (Intersection Assist, Lane Change Warning, Exit Warning, Rear Cross Traffic Assist, Audi pre sense 360°) - Tour Assistance Package (Adaptive Cruise Assist, Efficiency Assist, Turn Assist, Evasive Steering Assist, Emergency Assist))
- S line interior package (sports seats in front with 4-way lumbar support - seat covers in fabric/leather combination with S embossing in the front backrests - 3-spoke leather steering wheel with multifunction and shift paddles in black with contrast stitching including leather steering wheel grips and S emblem - dark brushed matt aluminum inlays - black fabric headliner - stainless steel pedals and footrest - illuminated door sill trims with aluminum inlays front and rear, with S lettering at the front - split-folding rear seat backrest)
- Parking assistant with parking aid plus
- Wheel: Audi new car tire warranty
- Radio accessories: Bang & Olufsen Premium Sound System with 3D sound (sound reproduction via 16 speakers including 3D sound speakers, center speaker and subwoofer, 15-channel amplifier with a total output of 705 watts; spatial sound reproduction thanks to the 3D sound feature for the front seats. This is created by additional speakers in the A-pillars, the midrange speakers and Fraunhofer Symphoria technology. The 3D sound can be played back with all sources.)
- Seats: Front sports seats

- Seat covers in Dinamica Frequency microfiber/leather combination with S embossing (center section of the front seats and the two outer rear seats in Dinamica Frequency microfiber - side bolsters, headrest center sections and center armrest in black or rotor grey leather with contrasting stitching - with S embossing in the backrests of the front seats)
 - Heated seats front and rear
 - Sun visor on driver and passenger side, extendable
 - Glazing: Sun protection glazing, tinted
- Seats: Electrically adjustable front seats including memory function for the driver's seat (electric adjustment of seat height, seat longitudinal position, seat and backrest tilt with memory function for driver's side, 2 memory locations per personal user profile for the electrically adjustable front seats and the exterior mirrors, electric 4-way lumbar support)

Brief expert findings

Documents submitted	At the time of the inspection, the vehicle registration certificate Part 2 (title) was available, but the vehicle registration certificate Part 1 (document) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was confirmed by the undersigned during the inspection.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. No lifting equipment or pit was available for inspecting the vehicle. Therefore, inspection of the vehicle's underside was only possible to a limited extent.
Test drive	No test drive/shunting maneuver was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.

Value reducing factors

No.	Component group	Description
1	Rear bumper	Rear bumper - Scratch(es) - Smart repair
2	Side panel - rear left side	Side panel - Scratch(es) - Smart repair
3	Door - front right side	Door - Scratch(es) - Loss in value
4	Wheel / tyres	Alloy rim - front left side - Scratch(es) - Loss in value
5	Body	Body - Damage by hail - repair according to calculation
6	Front bumper	Front bumper - Deformed - Replace

Wear and tear

No.	Component group	Description
1	Vehicle glazing	Windscreen - Stone chips - No deduction
2	2nd wheel set	Tyres - complete set - Does not meet the leasing specifications - No deduction

The vehicle shows signs of wear and tear commensurate with its age and use.

Previous damages

No.	Previous damage	Extent of damage (Net)
1	Rear, Provided by user / customer, from 4 Mar 2025	1.911,38 €

Order/Scope of Order

An order was placed to prepare a sales report for the described vehicle. This report includes the following:

- Description of key vehicle information
- Documentation of equipment features
(Delivery by third-party service providers)
- Documentation of damage, defects, missing parts
- Documentation of prior damage, unrepaired prior damage, repainting
- A brief visual or functional inspection of the equipment details, if possible.
(Functional testing of driver assistance systems is not included in the scope of services!)
- a photographic documentation of the vehicle

Basis for the order

This product is based on the guidelines for vehicle returns and valuations published by Alphabet Fleet GmbH. The expert makes the specific findings in each individual case objectively, within the framework of the prescribed standards, based on their own expertise.

The vehicle inspection takes place in a fully assembled, unassembled state.

Damage or defects that can only be detected during disassembly/diagnostic work or through further investigation remain within the realm of prognostic risk. An increased risk exists due to concealed defects caused by fraudulent misrepresentation and which were not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted in accordance with the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which, in their nature and extent, slightly exceed normal use but do not constitute unacceptable damage, will be documented and indicated as signs of wear, if applicable.

Damage or defects that, according to the applicable standard, can no longer be attributed to normal use or wear and tear are listed under "Value Reducing Factors" in the product description.

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

According to available information previous damages were repaired at the vehicle. Traces of repairs, which allow conclusions about the area of repair, were not recognizable during the inspection.

Comments

- Der beiliegende Winterradsatz ist kein Bestandteil des Auslieferungsumfangs.

Der kalkulierte Hagelschaden wurde nach bestem Wissen und Gewissen unter eingeschränkter Besichtigungsbedingung im demontagefreien Zustand erstellt. Es können aufgrund verdeckter Beschädigung, Mehrkosten und somit Abweichung der für den Schaden ausgewiesenen Reparaturkosten nicht ausgeschlossen werden.
